"TO BUILD AND NOT DESTROY"

JAN. 19, 1962

The Homecoming Committee is most deserving of praise for the excellent job they did on Marian's Homecoming last week. It was well planned, well organized and carried through with enthusiasm and decorum.

The date was well picked and we feel this whole endeavor was a precedent set which will be the measure of many Homecomings to come.

* * * * *

Monday begins Semester finals-- don't forget, fellow students! The Carbon editors are grateful for the increasing student interest and cooperation and once more invite everyone to take an active part in this Student Newsheet.

Congratulations and good luck to the Seniors leaving at semesters, and farewell to underclassmen who will not be returning, an especially warm farewell to "Dixie-Cup," Marian's loss is Dayton's gain.

Candidates Announced

The voting done during the past week resulted in the following fair damsels being nominated for queen of the Sophomore-sponsored Sweetheart's Ball February 9th.

Senior Sussanne Dufour

Junior Laura Fitzpatrick

Sophomore Jane McAuliff

Freshman Billie Jean Shinn

Congratulations to these girls be sure to come to the dance to cast your vote for your favorite candidate. Tickets will go on sale early next week, and will continue to be sold until the dance. Ask your sweetheart now, and prepare for a good, good time.

How are you fixed for ribs? The X-Ray unit is outside right now in the Senior lot, if you are 18 or over, you owe it to yourself to have your chest X-Rayed -- who knows you may have swallowed a foreign object from the Cafeteria.

* * * * *

The Carbon doffs its ski cap to the Ping-Pong Champion. We'd like to print the name but no one can agree on who it is.

Time for "No Time"

* * * * *

Be sure to take "time out" from strenuous final preparation to enjoy the Saturday evening's festivities planned by the Players January 20th. "No Time For Sergeants," with Andy Griffith, Myron McCormick, and Nick Adams will be shown. Tickets are still only 50¢. 8:00 P.M. is curtain time.

Unite for the Cause

* * * * *

All patriotic students of Marian are urged to help the cause of Mary Ann Drew, candidate for the Indianapolis Flower and Patio Show queenship. Mary Ann is up against some very stiff competition, so clip the ballot from your Indianapolis STAR, mark your "X" for Mary Ann, and mail it in. This would increase the school's prestige immensely, not to mention Mary Ann's.

If you think it's bad now, wait -- it'll get worse in a minute

Intramural Results

Tigers 30	Lions 25
Leading Scorer Essling	
Rebels 48	Jets 39
Leading scorer John Cardis	
Grubs 39	Chemists 33
Leading scorer Mike Blackwell	

Final League Standings

Grubs	5	-	0	-	1.000
Rebels	3	-	2	-	.600
Tigers	3	-	2	-	.600
Chemists	3	-	2	-	.600
Lions	1	-	4	-	.200
Jets	0	-	5	-	.000

The Carbon editors would like to heap their congratulations on the new intramural basketball champions -- the Grubs and salute them for their team spirit and team play.

* * * * *

At 8:00 next Friday night in Marian Gym, the Knights will be invaded by Angus Nicolson's Greyhounds with their eight game winning streak broken several nights ago by Taylor. They'll be looking for a victory to get back on the winning track. We heartily feel they will still be looking after they play our Knights. Let's fill the Gym and help our cheerleaders yell and back the team to a victory over their inter-city rival.

* * * * *

The Homecoming Committee wishes to thank everyone who worked to make it a success.

* * * * *

Who are the three Sophomores who have entered a Beauty Contest?

* * * * *

The Yearbook deadline must be close. Dee Metzner, Editor, was seen with a bottle of Bromo headed toward the lake. Don't worry Dee if the Yearbook doesn't make you've always got the CARBON !

Maids Take First Game

Indiana Central bowed to Marian last Monday 38-26. Sophomore Charlotte Isaac's hook shot led the scoring with 20 points. When asked for a statement Miss Isaac said, "We're going to take them, the guards are working well and we have a great over-all team."

TALK FOR PROFIT....your own profit! The Debate Club of Marian College invites you to investigate and join now. The cry is out, especially for underclassmen. This coming semester will find the team taking part in debates at Purdue, Indiana State, Hanover and Anderson. Interested and potential members should contact Herb Spitzer as soon as possible.
