TO THE MASSES:

Speaking for a sizable amount of students in the senior class, I was annoyed at finding out the nomination ballot, and final voting ballot were both held last week to determine the graduation class speaker. Two ballots were held without the knowledge of some of the on-campus people, and a majority of the student teachers.

When voting was held last year, all names nominated were placed onto the final ballot, unless an individual expressed a desire not to accept if voted in as speaker. It seems that this year only the top three names of the nomination ballot were put onto the final ballot. Two of these three individuals are not even members of the graduating class of '79, so how in the world can either represent the graduating class?

I give this as a challenge to the officers of the class of '80. You should determine a set of rules to be followed if the class so chooses. to have a class speaker. It should be run as it was last year, where all individuals nominated, were contacted to see if they would like to do it, then have a final ballot with all these people. This final ballot of names should be approved, prior to the vote, by Sister Margaretta, Academic Dean, for assurance that each individual listed is a member of the graduation class. Lastly, some provision should be made for the student teachers to give them involvement into the voting. It's sad to think that probably a good third of the senior class did not even know a vote was taking place. Class of '80 - I hope you will accept this challenge.

INTERNATIONAL CLUB FORMING

An effort is being made to organize a new International Club for members of the Marian College Community, including students of the English Language Services (ELS) Program. To be successful, it is important to have a near-equal number of U.S. citizens and international students. Some of the goals of the organization will be:

- 1) To improve the climate of interpersonal relations between international students and American students attending Marian College.
- 2) To sponsor cultural and social activities for the benefit of international students and American students.
- 3) To serve as an instrument to ease the transition of international into the fabric of American life and customs.
- 4) To bring to American students on the Marian College campus a more complete view of opportunities for intercultural enrichment.
- 5) To promote home visits or family hospitality for international students, especially during holiday periods and summer months.
- 6) to disseminate information about other intercultural activities available in the Metropolitan Community of Indianapolis.

Formal application is being made for recognition of the International Club by the Student Board of the Marian College Student Association. The writing of the group's Constitution and election of officers will depend upon the response to this membership appeal. If you are interested in involvement in this group, please sign the list in the PUBLIC INFORMATION OFFICE, Marian Hall, room 116.

THANKS:

Many thanks for the very good services rendered to the College Community by the Carbon staff.

TO THE GRADUATING SENIORS:

We congratulate you on completing your studies at Marian College and we thank each of you who has contributed to developing the Community here. We ask God's blessings on you, that you will continue your search for goodness and truth, and make the world—your part of it—a better place for your having been there.

NEW CO-EDITOR FOR '79-'80 CHOSEN

Miss Katie Caress, a sophomore from Indianapolis, has joined myself as co-editor of the Carbon. We hope to continue putting out a good product, and ask for your continued support. I'm sure Miss Caress will be a valuable asset to the Carbon and I'm looking forward to a good year. Good luck to you, Katie.

See you Next year.

TO THE MASSES:

Tuesday afternoon, April 24, Marian's Tennis team played tennis against IUPUI here at Marian. We met the team at the courts by the Intrumural gym. The first thing they said was - "We aren't playing on these courts, are we? These courts may have been alright 20 years ago, but they're in pretty poor shape now. We were almost too embarrassed to play.

On Thursday afternoon, April 26, two friends of mine and myself were standing along the baseball field when the Franklin baseball team arrived. Their first reactions were - "We aren't playing in this cow pasture are we?"

Everytime we play intramural softball we are running a chance of someone getting hurt. The overall shape of this campus and the student bodies attitude towards this campus is deplorable.

A sports fan.

TO THE GRADUATING CLASS OF 1979:

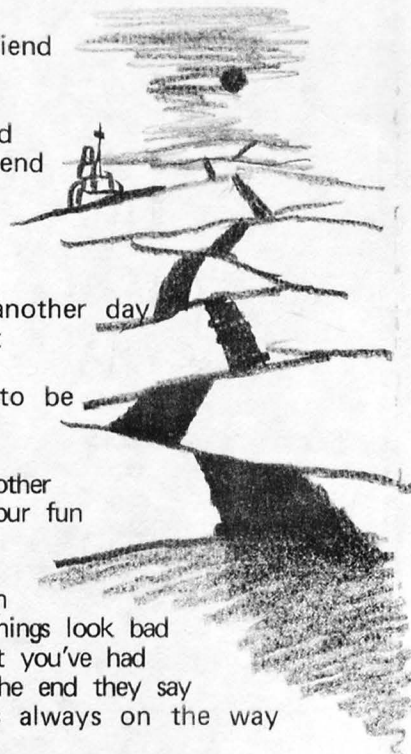

Let the church bell toll
Let the credits roll
This is the end my friend
This is the end
Let the curtain down
and pack up the sound
this is the end my friend
This is the end

And through our lives
Down uneven roads
There will always be another day
Though things sure get
Real crazed at times
You know theres got to be
A better way

So take good care my brother
'cause you always liked your fun
Hold your head up high
Let your spirits rise
Always travel with the sun
And don't despair when things look bad
Remember good times that you've had
There's always gonna be the end they say
Though something new is always on the way

Steve (PaPa) Harrison

Congratulations to Mike Winkler for his grade on the last Music of World Cultures test.

THANKS

On behalf of the coaches and athletes I
would like to thank all the individuals who
participated in making the awards ceremony a
very enjoyable evening. I would especially
like to thank the students who volunteered
their service at the dinner. You played a
very large part for the success of the evening.

Thank you,
Coach Grimes.

THANKS

Many, many thanks to all the people that
helped out with Field Day. It was a huge
success.

Lisa Mailloux

THANKS

I would just like to say thanks to the
photography staff for all the work they've
done. It was a long year but we made it.
So to David Dobbs, Liane Brookhart, Tom
Hornback, Jenny Kaiser and Tuan Phung, thanks.
I would also like to thank Paul Fox for helping
us when we needed pictures.

Thanks,
Joan M.

P.S. Thanks for putting up with me!!

A NOTE OF THANKS

I wish to express my sincere appreciation to
Peggy and Bob Baugh, to all the student
workers, and to the Student Affairs Committee
for the Student Recognition Dinner on Sunday
night. The cafeteria was nicely decorated,
the food was good, and the service was ex-
cellent. The awards presentation went
smoothly, and everything culminated to make
the evening a memorable one. Thanks again to
all.

SPRINGTIME MUSICALE

There will be a Music Recital on May 6th
at 2:30 p.m. in Stokely Music Building.
Soloists include Jeff McMullen, Veronica
Lewis, Barbara Knarr, Jim Larner, Phil Kern,
Pamela A. Wetula, and Roseann Wissel. There
will be a reception following the concert.

Members present: Pam Wetula, Laura Maxwell, Geri Stewart, and Mark Collier. Bob Baugh represented Caf Management.

The main order of business was to decide on the study-break snacks for Finals Week. They are:

Sunday night, 11p.m. - complete breakfast including sausage and eggs

Monday night, 9-11p.m. - sundaes and all the fixins

Tuesday night, 9-11 p.m. - pizza

Wednesday night, 9-11 p.m. - cheese log and crackers

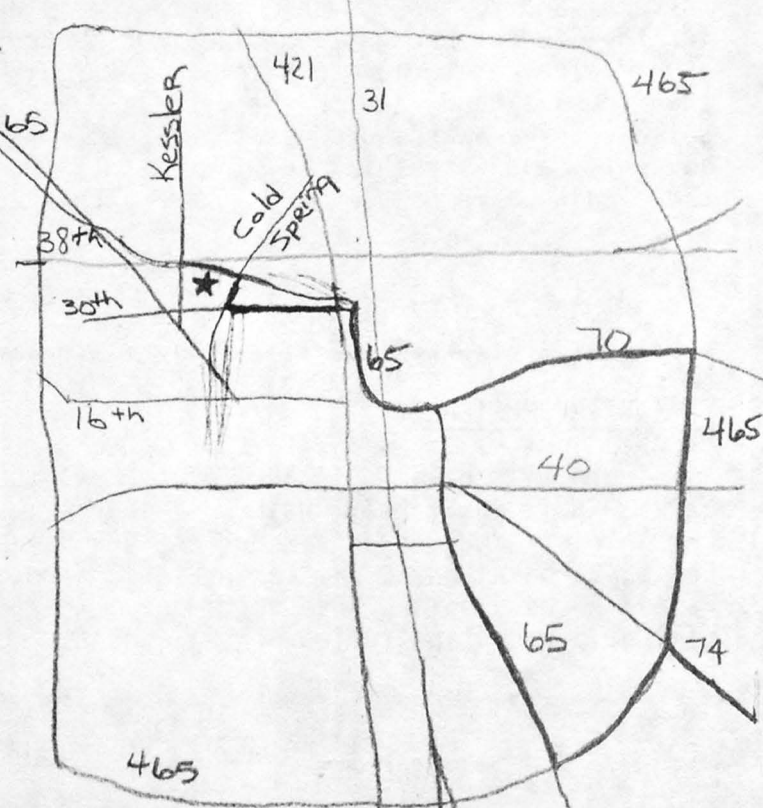

Dorm students will need their caf numbers for these nights. All non-dorm students will be charged at the door. One set price will be charged, but students may get free refills. Sunday night will be \$2.00; Monday, \$1.25; Tuesday, \$2.00; and Wednesday, \$1.25.

SATURDAY, MAY 5th CANOE TRIP

All going on the canoe trip sponsored by Doyle Hall Council should meet in front of Clare Hall by 8:30 a.m. Sack lunches will be provided. Volunteer drivers are still needed, and will be paid \$3.00 for each person they take. If you have any questions about the trip, contact Greg Hortemiller, rm. 123, ext. 312.

Tom's Canoe Rental is located on State Road 1 in Cedar Grove. (Phone 647-5310).

The best way to get there is to take I-65 South to I-465 East (also 74-East), I-465 to I-74 East. Travel 74-East for about 50 miles and get off at the Lawrenceburg/St. Leon exit. First exit after the Sunman/Pennstown exit. Go left on State Road 1 and follow this road for about 6 miles. Tom's is on the left, right after the Whitewater River bridge.

(Ed. note - Alternate (shorter) route:
65 South to 70 East to 465 South to 74 East. The rest of the directions are fine and meet with our approval) -4-

\$50,000 STAMP COLLECTION!

You could walk right past it, never realizing that it's worth fifty thousand dollars. This is the estimated value of Sister Joan Marie Mentrup's impressive stamp collection, housed in the Marian College Library. A jubilarian, Sister has been involved with this hobby for many of her years as an active member of the religious and college communities.

Getting ahold of certain stamps has required some maneuvering on Sister's part. She's become quite good at bartering and trading for those needed for her treasure. She also buys and sells with her regular contacts throughout the country. Sister has gathered many stamps from individual collectors. Inviting any such donations, she emphasizes that, "They are completely tax deductible."

The accumulation consists of representative from countries throughout the world. Some of the most interesting come from the far east. Certain tokens from Bhutan, a small country high in the Himalayas, are three-dimensional, depicting such moments as the United States moon landing. Another rare item is one of the first stamps ever printed in this country, dating back to 1847.

(Continued to page 5.)

We did it, we are number 1. That's right fellow students the baseball team is the number one independant team in Indiana. The record stands at 13--1 in NAIA and 16--9 overall. This is by far the most exciting baseball team to watch. Marian plays Hanover next Thursday at high noon on Hanover's diamond. This game will mark the opening of the playoffs for the district championship. The playoffs will be a double elimination tourney with the championship game being played on Saturday. The mighty Knights are preparing hard for the play-offs by winning 13 of their last 15 games.

Last Friday, April 20, the mighty Knights dropped a close game to Indiana Central 5-2. The Knights had them on the ropes, before a Central player hit a 3-run homer in the 8th to win the game. Saturday, April 21, the Knights traveled to Louisville to play Indiana University Southeast. In the first game Gary "OTTO" McGee pitched an excellant game. Gary went the distance as the men in blue won 8-1. In the second game the Knights were beaten 15-5. The Knights played well in both games not committing an error in either game.

On Sunday, April 22, the Marian Knights swept a double-header from IUPUI. Tom Finchum, Fred Shipley, and Bob Greer hit homers. Tom Philpot threw the 2nd game and struck out 10. This was the first time Tom has thrown since being a freshman.

On Tuesday, April 24, the Knights traveled to Franklin to play the Grizzlies. The Knights once again swept a double header from Franklin. Tim Beringer threw the first game in which the Knights won 6-2. In the second game, Jeff Zartman threw a one-hitter against them. The Knights defensive unit turned in four double plays throughout the day. Fred Shipley, Bob Greer, and Tom Philpot hit homers for the KNights.

On April 30, Tom Philpot did what many hitters would like to do, he hit 2 home runs back to back in the same game. This had never been done before by a Marian ballplayer. Tom now has his name in the records books of Marian. Way to hit Tom!!! *(Ed.note-paragraph omitted. See below**)

April 29, the Knights played Indiana University Southeast. The Knights took a commanding lead early in the game and coasted home for yet another victory. Tom Maples threwfor Marian. Ken Schmutte hit another towering shot over the left field fence. The dynamic duo of Kurt Guldner and Fred Shipley turned in four double plays throughout the game.

May 1, the men in blue played Marion College in their last home game of the season. The Knights swept a double header from Marion. Zartman threw for the first victory 7-1. Beringer posted his best debut this season giving up only 2 hits as the Knights crushed Marion 14-2 in 5 innings in the second game.

The hitting is tremendous. Each pitcher has shown that he can go the distance for the Knights. The pitchers have had an excellent season thus far with the statistics looking like this:

Tom Maples, 45 2/3 innings with 27 strikeouts, 17 walks, and an E.R.A. of 2.56. Gary McGee, 31 2/3 innings, 16 strikeouts, 13 walks, and an E.R.A. of 2.56. Tim Beringer, 31 1/3 innings, 31 strikeouts, 11 walks, and an E.R.A. of 2.873. Jeff Zartman with 42 innings pitched, 26 strikeouts, 33 walks, and an E.R.A. of 3.643.

**April 28, the Knights played a tough and stubborn Wabash team at Bush Stadium. Gary McGee and Tom Maples teamed up for the victory. Ken Schmutte hit a towering homerun over the left wall. Strong performances were turned in by Kurt Guldner and Darryl Simko.

Tim Beringer

Marian, It's that time once again to test your knowledge of trivial matters. Last time this article appeared in the Carbon I baffled you with some trivial matters. This time I will thoroughly confound you with distinguished mystification.

STAMP COLLECTION CONT.

Unfortunately, Sister Joan Marie has some criticism of the representatives of the United States. "for being the richest of countries, we've the poorest-looking stamps of all. They just don't compare," she declares.

Amassing stamps is becoming more and more difficult. "It gets very discouraging, because everybody is saving these days. You just can't get what you want," Sister maintains.

One last word of warning to potential collectors is, "Avoid scotch tape like the plague! The damage done to stamps is irrevocable. Sister Joan Marie should know.

YET ANOTHER NOTE OF THANKS!

I would like to once again thank the literary staff of the '79 Marian Yearbook: Mary Ann Fox, Peggy Clegg, Geri Stewart, Eileen Herbertz, Jane Brockschmidt, Christ "Cree" Harnish. You all did a fantastic job this year, and should be proud of yourselves!

Additionally, I would like to thank all the yearbook staff, and especially Sr. Mary de Paul, for putting up with me...Working on the yearbook has proven to be a most rewarding experience for me.

Good luck Sr. Mary de Paul de Paul and your staff for the Marian '80!
