To the Resident Student:

As you may know by now, we now have viz during exam weeks -- through next spring. We will re-evaluate ourselves then. This semester and next semester is just a trial basis, so watch it -- abuse it this time, and you lose it! At the end of next semester, there will be a survey to check with the reactions of the Students. After that is done, there will be a discussion with the R.D.'s and Dean Woodman. If you watch yourselves, you have got permanent viz during exam week. (It will be regular hours, just like normal).

Harold Oswald,
 Chairman, viz Committee
