A RUMOR IS LIKE A PEARL; BOTH ARE FOUNDED ON A GRAIN. For a pearl, it's a grain of sand; for a rumor, it's a grain of truth. This is well illustrated by what's happening now with the new Student Activity Center. Plans for the new Center are continuing, and the primary objective of the fund drive still continues to be ~~the~~ building -- all of it -- and the \$1 million endowment, part of which will be used to ~~ma~~intain the building. It is true that various options are being discussed, all as a part of a "fresh look" conducted by the architect and the contractor under the direction of the college's building committee. Various alternatives are being discussed including additions to the Clare Hall Gym, expanding the present kitchen and dining facilities, renovating part of Clare Hall for a student union, building the student center in two phases, etc. But, these are only possible contingencies and nothing will be decided until the building committee has taken a thorough look at the entire campus need. Why now?? you say?? In part, it's to see if we can qualify

DAYS OF OUR KNIGHT LIFE... By Linda Kuper

Believe it or not, there is only one more week of regular classes and we will then be able to vacation for the summer! We've been here eight months studying and working hard and this coming Wednesday will be our reward for completing an academic year at Marian. On April 28, the ALL SCHOOL PICNIC, formerly known as Field Day, will be held. In the past, we have always celebrated the last Wednesday before finals on the Drum & Bugle Field, but this year tradition has changed and we will be celebrating at Lilly Lake at Eagle Creek Park.

All classes will be cancelled after 11:30 and all books will be closed for the remainder of the day. At 1:00pm, a caravan of cars and shuttle busses for those without wheels will leave Clare en route to the park. Lilly Lake is a beautiful setting surrounded by rolling hills and nature's early spring sights. There is plenty of room for frisbee, volleyball, and relaxing. Admission is only \$1.25 per carload and later that day, ARA will be grilling out and catering dinner for all of us starved students.

At 6:30 p.m. the party will be moved to the Eagle's Hideaway Club House for an evening of dancing to Spectrum-Taylor, our own celebrity band, followed by favorite D.J. Chris Tuell spinning top 40 tunes all for the low price of 50¢!!!!

The All School Picnic will be an opportunity to celebrate the upcoming summer of '82, a year's end at Marian, and will be a great chance to get off campus! I hope to see everyone there partying and taking advantage of cancelled classes. This is OUR day so give up the soaps and the bars for a day and celebrate with your fellow classmates...See ya Wednesday!!!!

entire campus need. Why now?? you say?? In part, it's to see if we can qualify for a special matching grant from Lilly Endowment. So, despite the rumors, no changes have been made, the center is still the number one priority on campus, the fund drive is continuing, and no decisions changing anything have been made. If you have questions or a rumor you want to get straight, see Alan Lisle, Director of Development, Room 117, Marian Hall. Oh! If you want to make a donation, or know where we might get one, stop by also.

Join Camera Hut and Nikon for the photo outing of the year! at Eagle Creek Park-Lilly Lake Concession on Sunday, April 25th 10:00-4:00pm All photo enthusiasts are invited to attend this benefit for the Nature Center at Eagle Creek Park. Nikon will have a full array of cameras and lenses to use, and Camera Hut, along with Nikon's technical specialist, will provide assistance along the trails of the park. Interpretive naturalists provided by the Nature Center will lead the way. Park admission is \$2.00 and any donation to the Nature Center will serve as admission to the event.

ATTENTION ALL CLUBS AND ORGANIZATIONS:

A meeting will be held Thursday, April 29 at 9:00 pm in Room 130 (IN CLARE HALL). Budgets, allocation of money, and other topics will be discussed. A representative from your class, club, or organization must be there! Remember: April 29 at 9:00 pm!!!!

MAY I ASK A FAVOR OF YOU....?

I will be taking pictures for the Admissions Department during the All School Picnic at Eagle Creek Park next Wednesday. If the pictures meet with the approval of the Admissions Staff, they will be used in brochures and other related publications that are used to advertise Marian. My favor is as follows. If you are planning on wearing a shirt with the name of a school on it, please make that school Marian. It is very difficult to use a photograph in a Marian brochure that has a group of students in it wearing IU, Ball State, and Notre Dame on their shirts.
