

#25 1953-59

April 17

The CARBON is the official organ of the Student Board, established for the purpose of promulgating their decision to the student body. The CARBON is only as strong as its Board and, therefore, we are proud to present the plans and recommendations of the Committee on Clubs: Barbara Libs (chairman), Jim O'Donnell, Billie Burke, and Larry Sweeney.

A. Tentative Meeting Schedule (with approval of clubs):

Other Clubs and Times:

1. Sodality--Regular and Probationers after School
2. Latin-German--Third Sunday of the Month
3. Vets--Night
4. M Club--Night
5. Interclub Council--Alternate with the Student Board

B. Miscellaneous Recommendations:

1. Elections of new officers should be before the end of March in order to orientate the new officers into their positions.
 - a. If possible, there should be a publicity chairman in charge of making social and educational programs of the club known to the rest of the school.
 - b. The constitution of the club should be given to all present members and new members in order that the entire group may better understand the functions of the club.
2. Promotion of better understanding between the club, particularly, the officers, and the moderator by discussion and coordination of plans and problems.

THIS COMING THURSDAY, THE CARBON PRESENTS THE MOVIE, "DEATH OF A SALESMAN", AT 7 O'CLOCK IN THE EVENING...AN OUTSTANDING CAST HEADED BY FREDERIC MARCH...ADMISSION, 35¢....IN CASE OF TECHNICAL DIFFICULTY, DAY STUDENTS ATTENDING WILL BE PROVIDED WITH SLEEPING QUARTERS

C. Composition and Functions of Interclub Council:

1. The Council will be approved by and under the auspices of the Student Board.
2. The Council will act as a cooperative body on campus, meeting as often as needed and as often as feasible to hold the Council together.
3. The Council will be composed of club presidents of both religious and non-religious clubs, and Phoenix and Carbon staff members.
4. The Council will be under the direction of and act with the cooperation of the NF Senior Delegate whose duties will be:
 - a. to serve to keep the clubs informed of the activities of other clubs, both on the Marian campus and other college and university campuses who are members of NF.
 - b. to serve as mediator and "vice" of all the clubs to the Student Board and vice-versa.
 - c. to serve as consultant for individual club problems.
 - d. to make a complete and detailed report on the activities of the Council at least once every six weeks to the Student Board.
 - 1.) this will enable the Board to analyze and improve, if necessary, the measures taken by the club.
 - 2.) this report is to be typed and kept on file in order that the progress made may be shown and also to serve as a future reference for anyone interested.
5. The Council may obtain funds from the member clubs to serve as a treasury for coordinated activities, preferably two or three, during the year. These activities, in turn, will aid in insuring a concrete basis for continued operation.
