### GUEST HOURS PASSES!

The Board of Trustees of Marian College, at its April 26, 1972 meeting, approved the Guest Hours Policy Proposal with the following conditions:

1. It is on a trial basis for one year subject to evaluation at that time.
2. Students and staff are responsible for the success of its implementation.
3. Persistent rumors about improper use of the system could cause the continuance of the program to be seriously jeopardized.

It is hoped that this policy can be implemented sometime in May. The only problem is that the policy provides for a non-participation area for those who do not wish to take part. Of course, the halls were not set up this year according to this provision which might, in theory, keep the policy from going into effect until next year. A survey will have to be taken to see if there are any people who don't want to participate in the

program (and if so, how many) before a decision can be made whether it may begin this year. **EMC**

### EDITORIAL--DOYLE HALL ELECTIONS:

Doyle Hall elections are being held with the same well-planned nature and exacting care that has characterized everything done by Lonny Litmer and Doyle Hall Council this year. A box suddenly appeared in Doyle Hall Lobby for Nominations. However no sign was made stating just what positions there are open. Maybe this can be excused though. Probably the Council members themselves don't even know what positions they hold--it's been so long since they have had a meeting. I hope at least they put up a sign to say when the election is. Then again maybe it's all over and I missed it. I wonder if anyone will think to announce the results?

## ALCOHOL TO BE ALLOWED AT THE PROM!

The request for an exception to the prohibition against the use of alcoholic beverages at the Junior Senior Prom has been granted. The college will authorize the opening of the bar at the Columbia Club where the dance is to be held Saturday night.

A Note from the Junior Class about the Prom:

The Junior Class is asking the cooperation of everyone who will be attending the Spring Formal this Saturday, April 29th. The State of Indiana requires that an individual be 21 years of age to purchase and consume alcoholic beverages. The state also stipulates that a business operating with a liquor license only permit the use of alcoholic beverages on the premises which are sold by the business. Failure on the part of the business to enforce these statutes is punishable by revocation of their liquor license. Therefore, the Columbia Club has a very rigid policy concerning alcoholic beverages being brought into their building by guests. If the Club finds anyone with their own alcoholic beverages inside the building, they will request that our entire party leave immediately. To avoid such a problem, if junior or senior officers notice anyone with their own alcoholic beverages, they will request that those persons leave the premises immediately. The club rules will be strictly enforced. Please don't allow a situation such as this to develop. We ask your cooperation and your consideration for everyone else who will be having a good time.

## THE CAMPUS COMMUNITY BOOK DRIVE

So far, the Marian College community has donated 12 boxes and 6 bags filled with books and magazines to be distributed to the libraries of Indiana Women's Prison, Indiana State Prison at Michigan City, Indiana Reformatory at Pendleton, and Indiana Girls and Indiana Boys Schools. The drive will continue through this week. If you have any books you don't really need or want anymore, please drop them in one of the boxes located in the Perc, in front of the main auditorium, at Clare Hall desk, or in front of the bookstore.

Sponsored by Freshman Class

The constitution of the S.A.C. Facilities Club passed at last Sunday's Student Board meeting. The purpose of this club is to improve and maintain the condition of the student relaxation areas of the S.A.C. building, and to improve the social atmosphere by sponsoring social activities and programs. Any student who subscribes to this purpose may become a member.

The club grew out of the S.A.C. Facilities Committee of the Office of Student Services, and has already undertaken several projects.

## Mixed Volleyball:

With one week of regular season action left, the volleyball season is drawing to a climatic clash of competitive netters. Wednesday night in the Right Side League saw the Net Profits smash Good Golly! Missed Volley! as Greg Pawlik and Walter Thomas overcame the height advantage of Theresa Belles and Moe Kress; Henway downed Team #4, Luscious Legs bested Totem Trash Bags, and Meep Meep and the Roadrunners opened the Six Pack as Barb Moll picked up the slack of slumping Roger Branigan and bumbling Kenny Tyrrell. The Left Side League saw Subject to Change upset a determined Blasted Area, Hamm's Six Pack chugged Seagram's 7 even though Vince Danno and Sandy Goldschmidt used their Rod Laver Like serves to stifle the Pack. The P.J.'s smoked The Mokers as they were inspired by a mid-season injury to star Jane Pryser, and Salt and Pepper, with Calvin Mitchell slamming tenaciously, defeated the Cricket Clic. The standings are:

Left Side League:	Wins	Losses
Subject to Change	5	0
Salt and Pepper	4	1
The P.J.'s	4	1
Hamm's Six Pack	3	2
The Mokers	2	3
The Cricket Clic	1	4
Seagrams 7	1	4
Blasted Area	0	5

## Right Side League:

Meep Meep and the R.	5	0
The Net Profits	4	1
Henway	3	2
Luscious Legs	3	2
The Six Pack	2	2
#4	2	2
Good Golly! Missed Volley!	1	4
Totem Trash Bags	0	4

## BIKE-A-THON

Sunday, April 30

Starts at 9:00 am

Gramma

A regular section of the Carbon in past years had been a question and answer column. We will attempt to revive this column depending on the response (that is, if we get any questions).

Anyone who has a question for which he would like an answer--whether it's on academics, social activities, organizations, rules and regulations, conduct procedure, or whatever--may submit it to the Carbon and we will guarantee a prompt answer. The questions may be directed to administrators, faculty, organizations, etc.--anyone on campus. The Carbon will take the question to the person to whom it is directed and request an answer. (the name of the person who submits the question will remain confidential.) If you don't know where the question should go, we will find out.

Questions should be written down and may be submitted in person to Pam Murray (rm. 216 Clare Hall) or Ed McCord (rm. 137 Doyle Hall), slipped under their doors, or put in the Carbon mailbox outside the Office of Student Services.

IF YOU DON'T KNOW, ASK.

To the Carbon:

A \$500 Charles B. Lord Memorial Scholarship has been established by the Advertising Club of Indianapolis. The first scholarship will be awarded next fall to a student from the Indianapolis Metro Area (Marion County and seven contiguous counties) attending an Indiana college.

The recipient will be a junior or senior planning a career in some area of the advertising business.

The scholarship was established as a memorial tribute to Lord, an acknowledged national leader and expert in the field of advertising. He was advertising director of The Indianapolis Star and The Indianapolis News from 1951 until his death in 1967.

Born in Algona, Iowa, he began his career in advertising as a retail advertising salesman on the Lincoln (Neb.) Star. He later was associated with the advertising departments of the Omaha World-Herald, The Omaha Bee-News and The Detroit Times.

Lord held a firm belief in the importance of advertising and newspapers under the American form of government.

He served as president of the Detroit Adcraft Club and International Newspaper Advertising Executives Association and held honorary life memberships in both organizations.

In addition to being a nationally recognized advertising executive, he was active in many civic and charitable enterprises and was a devoted worker in his church.

Applications for the first Charles B. Lord Memorial Scholarship can be obtained from the Advertising Club of Indianapolis, 827 South East Street, Indianapolis, Indiana, 46225.
