

GOODBY FROM THE EDITORS

This issue ends the year for the CARBON. We had a great time. We believe it has been a good year for this publication (a bit prejudiced?), at least we have one thing to our credit and that is more student participation than any time in CARBON history. We have tried to be diversified, to highlight important matters, and to take pen in hand for an editorial infrequently and only in pressing issues. Most of all we have tried, "to build and not destroy."

Marian has entered a new era where it needs student-leaders of vision, understanding and character to stand behind her. We believe Marian will grow, not by battering down and ripping up, but rather by recognizing what is good--and there is much that is good--and building on that. At any rate---

We three hope to be back next year, at least we shall ask to be. But, no matter who edits the CARBON, keep up the student letters; keep using your voice to build Marian.

The Editors

We wish to express our thanks to all those who took part in Field Day. We are most appreciative of the students who worked on committees and as officials of games. Thanks goes, also, to the Administration and Student Board who gave us every assistance with our plans, and to Mr. Dyer for his suggestions and help with lunch. Finally, but hardly least important, we are grateful to all the students who participated. It was their cooperation that made Field Day a success.

Congratulations to the Sophomores for their showing of abundant athletic powers.

Committee

--Special mention should be made here of the two awards given to the two outstanding Seniors:

*Tom Tarpey, named Marian's "RUSTY KNIGHT"; and

Ellen Burnett, named Marian's "OLD MAID"

CONGRATULATIONS!

Emerald Ball Tonight

The first big social event taking place on this very busy week-end is the Freshman-sponsored Emerald Ball, to be held tonight at the Indianapolis Athletic Club Ballroom from 9 to 12 p.m. The Johnny Bellow Sextet will provide the music, while the cost is \$3.50 per couple. See you there!

Sunday night is it!

Sunday evening at 8:00 will be a curtain time for the undisputed "King" of all Marian theatrical performances. We strongly feel that one would be doing himself a great injustice by failing to attend. Remember--no student tickets--(\$1.00) will be sold at the door, but you still have time to purchase all you want from selected students, or at the Bookstore or Perc. While you're at it, bring the whole family--they'd love it!

A QUICK REFLECTION--

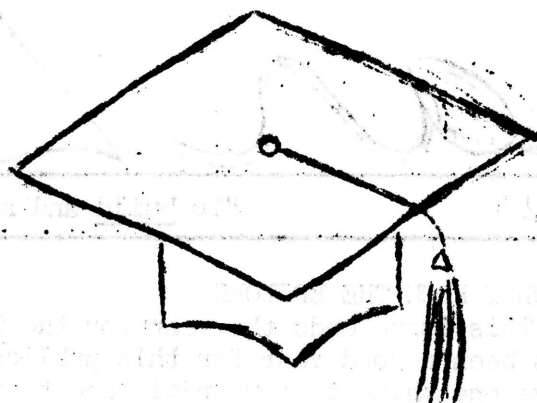

The CARBON will be back next year, but the seniors won't, and we think that's the way that everyone wants it. (INCLUDING THE SENIORS!)

Let's have 3 minutes of silence---The Hudson is dead!
