

There is a hum of excitement on the first floor of the Administration Building at M.C. this week. Perhaps this hum is due to the start of a new semester, or to the relief of tension; but neither of these two factors seem to be the reason. The real reason is the arrival of Dr. Dominic Guzzetta, Marian's new President. Dr. Guzzetta is busy meeting and discussing with students and faculty, busy hustling from one office to the next and busy planning and initiating new programs. This excitement, though, does not emanate from merely Dr. Guzzetta's presence, but from his warm and friendly attitude. A warm and friendly attitude that he is pledging to use to accomplish new highs for Marian.

One of the new programs initiated by Dr. Guzzetta is the President's Student Advisory Board. The Board is to be made up of nine students, chosen by the President in consultation with the Student Board as representative of the college community. Plans are tentatively set for regularly scheduled bi-monthly meetings with the Board, the first meeting set for 5:30 p.m., Monday, February 12. Dr. Guzzetta looks upon the establishment of the committee not as a means of circumventing or cluttering existing means of communication on campus, but as a tangible way to improve campus communication. He hopes that both this committee and the other existing committees and communicative links on campus will adopt and implement his 3 c's program - confer, consult and communicate. Dr. Guzzetta says he will feel very frustrated if, after coming from a school of 14,500, he is not able to strengthen the communicative links at Marian, a school of 1,000.

The Student Advisory Board looks good on paper and sounds good in discussion, but its true test will be in its functioning. Adequate functioning will rest on the shoulders of all involved, especially the students, to use this committee for their benefit. Membership on the committee is still tentative and those students tentatively appointed include: Tom Turner, Fay Faivre, Steve Miller, Maureen Coleman, Chuck Welch, Larry Brodnick, Nancy Rosenacker, Eileen Fleetwood and, yours truly, John O'Kane.

The Board represents only one of the wave of new ideas and plans that Dr. Guzzetta has for Marian. His goals are high and his convictions are firm, but the true test now awaits him.

8:00 pm. Basketball: Earlham - A home game!

Well, here we are again on the bustling M.C. campus to begin another semester of class-napping and other worthwhile and interesting activities. However, this column won't go into those things now: that was covered in the editorial.

The little yellow calendars (without the pin-ups) that were issued in September proclaim to all that there is to be a performance of three Medieval Farces this weekend and next weekend. Disregard this gross mistake. They won't be presented til Feb. 16-19; that's Friday night til Monday nite. We are to be reminded that there are only 120 tickets to each of the performances, so get them soon. They go on sale Monday (Happy Birthday, Abe) February 12.

Speaking of medieval farces, the Sophomore class will sponsor the "Queen of Hearts" Ball next Friday, Feb. 16, from 9:00 p.m. til midnight at the Westside K. of C. Candidates for queen of the ball are Seniors: Sarah Motta, Kathy Fagan; Juniors: Sally Stewart, Maureen Geiss; Sophomores: Penny Stiglich, Ann Moriarity; and Freshmen: Ann Carr, Jane McCaffrey, and the feminine Carbon Staffers. Election of queen will be Wednesday, Feb. 14.

Since the theme of this article seems to be medieval farces, there is a promise of a Ping Pong Tourney soon in the SAC. This is a farce because we all know the invincible Carbon tyoist #2 is going to win; and Ping Pong tables

## VARSETTY BASKETBALL

There is a saying in sports that a team's home court advantage is worth 4-10 points for the hosts and such was the story as the Knights dropped a hotly contested 81-79 contest on Indiana Central's court January 20.

In the closing 24 seconds of the tilt MARIAN was disallowed the second half of an apparently successful one-and-one free throw situation due to a minor infraction, which left the Knights even with the Greyhounds instead of one up. Then with 6 seconds remaining, "sharp-elbowed" Al Williams sank two free throws following a "questionable" foul to give Central the two-point win.

Jeno Ancelet led MARIAN scoring with 29 points before an elbow shut him off for the night. Larry Brodnick was "held" to 17 points while Joe Bittlemeyer and John Hendricks canned 13 and 10 points respectively. Williams, incidentally, ended with 35 markers.

Manchester's Spartans turned the tables on the Knights January 30 at MC by a 91-85 count as Little All-American candidate Dick Harris bombed in 40 points. Joe Bittlemeyer had perhaps his best effort of the season canning 23 points while Larry Brodnick hit for 22, Beaver Hendricks netted 14 points and Jeno was good for 13 markers.

The Blue and Gold hit the winning column once again as they drubbed Northwood (IND.) 82-59, also on the home boards.

The "Brod" topped Cleon's scorers with 18 points, Jeno Ancelet followed with 14 Beaver chipped in 13, and G. Larry Schmalz popped in 11 in the winning effort.

Wabash's Little Giants fell victim to MARIAN Wednesday night as Cleon's charges romped to an 81-72 verdict at Crawfordsville. In pacing the Knights to their eleventh win in 21 decisions, Larry Brodnick canned 21 points and received ample help from George Schmalz's 17 markers, Joe Bittlemeyer's 15 and Jean Ancelet's 14. John Hendricks also contributed 10 points and garnered 10 rebounds in the winning effort.

Congrats to Brod for his record setting career at MARIAN. Brod's 21 points gave him 1433 career points, surpassing the old career mark of 1424 points established by Chuck Federle (1961-65).

The Knights travel north to Angola to test Tri-State on Saturday and continue on into the Wolverine State for a rematch with Aquinas College on Sunday. MARIAN returns to the home court next Thursday for a rematch with Steve Ward and his Earlham playmates.

## MARIAN MAIDS

MARIAN's Maid-cagers imperiled their draft status when they extended everything but hospitality by handing Ft. Harrison's Wacs an 84-11 drubbing in Reynold's Fieldhouse. Francie (you-know-who) tossed in 40 points (or was Vil keeping score? Tell it like it is), Dot showed her metal(horrors) with 18 points while Terry Disque (The Foul) contributed 17. Star roving guard was held to just 3 points while frosh Claudia Zuchowski and Shirley Waldeck popped in 4 and 2 respectively.

### Areas Stressed - Student Privileges

Committee Appointments

### Comments:

The former were the major topics considered last semester, but what's ahead now. I would like that list to read:

- 1) Freshmen Orientation carefully discussed and evaluated. Considering new ideas like grouping 4-6 Freshmen in small discussion groups that would last 1 semester and would allow for airing of problems, or stress academics more by conducting seminars. The 1968 orientation planned before school is out.
- 2) Constitution Revision committee led by Ed Ottensmeyer has studied the problems of Student government on campus. Representation on the Board at present has been found to be ineffective and the new plan will include ?
- 3) There has been appointment of a new committee coordinator who will take applications for present standing committees, suggest new committee formation, and will plan an ex-

# SETTING THINGS STRAIGHT

- Q. Has the Student Personnel Office made an official statement in regard to searching resident's rooms?
- A. The Student Personnel Office is now in the process of formulating such a statement, says Steve Miller, President of the Doyle Hall Board. On January 15, 1968 Mr. Fields issued a memorandum to Sister Esther and Mr. Reeves, concerning "Room Cleaning and Excess Articles." That memo stated: "In the event rooms cannot be properly cleaned etc., (for any reason) please make a report to Mr. Lehmer or Mr. Fields immediately. Do not remove any articles from the rooms without prior instructions from these people."
- Q. What has the Academic Affairs Committee accomplished?
- A. The Student Academic Affairs Committee has met three times this year. Some ideas the committee has discussed are: faculty and course evaluation through questionnaires, a study period before finals, an examination of the present grading system and possible adoption of the pass-fail system, textbook evaluation, termination of the second semester prior to the 500 mile race, evaluation of the seniors by the faculty and a counter-evaluation of the faculty by seniors majoring in their departments, and elimination or an alternative to Senior Comprehensives.
- Q. Why is it that the faculty is to vote on Clare Hall hours when they did not vote on the hours for Doyle Hall?
- A. Miss Diver stated: "Because the Student Welfare Committee was not operative at the time of Doyle Hall's request for open hours, that decision was made by the Student Personnel Office. The Coordinator of Student Personnel, Mr. Fields, began efforts to activate that Committee about a year ago; this year the Committee, with student members, has been meeting and acting on proposals. Had Doyle Hall's request been made this year, it would have been discussed by the Student Welfare Committee and if passed by them, referred to the faculty."

## AROUND NAPTOWN

SEX! VIOLENCE! THRILLS! Now that we have your undivided attention we shall present that which Indy DOES offer.

On any Friday at 8 to 10:30 p.m. or Saturday from 1:30 to 3:30 p.m., the Coliseum is converted (hurray for Vatican II!) into a huge ice skating rink. On this Sunday at 2:30 and 7:30 p.m., it'll turn into a stage for the Grand Ole Opry country music spectacular (neat trick, huh?) for \$1.50 general admission. Also at the State Fair Grounds till Sunday is the elaborate Home Show, open from 12 noon to 10:30 p.m.

Bombing the nightclub route at the Embers, 2034 N. Meridian, is the comedian with a famous brother, Jerry Van Dyke. You can catch him at 8:30 p.m., 10:30 p.m., and 12:15 a.m. tonite and tomorrow night.

Humphrey Bogarts' fans can gather at John Herron Museum of Art at 3 p.m. Sunday and be thoroughly thrilled for a couple of hours watching Knock On Any Door. Closing on the movie circuit after next week Far From The Madding Crowd has a matinee at 2 p.m. and a 8:15 p.m. showing at the Lyric.

In a surging effort to outdo the already spectacular cultural and social offering by achieving further feats of magnificence, Indy brings "Spanky and Our Gang" along with Bobby Vee to Clowes Hall tonite at 7:00 p.m. and 9:30 p.m.

Well, that's the happenings in Naptown, the Utopia of the Mid-West.

LETTERS TO THE EDITOR:

The following letter was written to Tom Turner for the entire student body.

Dear Tom:

To you and through you to all the students let me try to say how very much I appreciate the many fine things you all have done and said as I take my leave of Marian. I am sincerely and deeply grateful for the wonderful gift of the color television set and for everything.

I am sure the television set will give me many hours of pleasure, which in turn will always remind me of the happy years I spent at Marian. They have been busy years, exciting years, but the brightest memory will be of the people, of you, with whom it has been my joy to work.

May the Good Lord reward you for your generous kindness to me. As I have had the happiness of seeing so many dreams come true at Marian, may you too have your dreams come true here at college and in the future ahead of you.

Sincerely yours,  
(Rt.Rev.Msgr.) Francis J. Reine

BOARD REPORTS CONTINUED

tensive "get the Freshmen active quickly" campaign.

- 4) The Board in conjunction with the Educational policy committee has considered the question of giving 3 hours credit to the Student Board President.
- 5) Paul Kazmierzak and committee after studying problems in the budget for the past year makes a recommendation that ?
- 6) Each Student Board member took on the responsibility of making frequent comments in the Carbon and Phoenix on what is going on concerning his constituency.

Some questions I would like to ask now though: Where, oh Where is ICC?

What are the upcoming social committee plans?

What is the purpose of the Day Student representative? and what was accomplished in this area the first semester?

Next Week: Academic Affairs

THE CARBON APPLAUDS:

- Sister Dolorita's painting of Msgr.Doyle in the Doyle Hall
- free food by Saga Barry to the dorms during finals
- Barry Lloyd's progress with the cafe.

THE CARBON HISSES:

- the very late arrival of the mail to the men in Doyle Hall

John O'Kane will be in the Perc every Friday after each publication of the CARBON to discuss with the students and faculty opinions and comments on each issue.

ACTIVITIES AND ALL THAT (CONTINUED)

are "guaranteed".

To get to another subject, Jon Ramsey is having an art exhibit in the MC Library til Feb. 17, in completion of requirements for a Bachelor of Arts Degree in Art. It'd be a good idea to hop over and check it out before next Saturday.

Another good thing to look into is the Evening Lecture Series. There are some great speakers lined up for all three series. Monday nights offer two different ideas: "Problems in Human Conduct" with lectures in the fields of Theology, Philosophy, Psychiatry, Psychology, and Sociology; and "Recent American Fiction" which will focus on a particular novel of some very particular authors and will consider ways in which the works treats the themes of the relationship between freedom and isolation, independence and loneliness, and weakness and love. Sounds interesting. Then on Wednesday nights in the SAC is the series "The Religious Dimensions in American Life". This will feature many distinguished speakers, all connected with the Program for the Study of Religion at our arch-rival institution of learning - Indiana University. (Down with "The Daily Student!!")

Next Wednesday, Valentines Day, head on over to the Auditorium to see the Doyle Hall Film "Sweet Bird of Youth" (subtitle "which came first bird or egg?") starring Paul Newman (check posters in Clare Hall rooms), Geraldine Page, Ed Begley, Shirley Knight, and Rip Torn. It will once again prove to you that crime (no matter what kind) doesn't pay off.

Thought for Today: Remember Sarcasm is a Sin!
