COMMITTEE REPORTS

Social Planning: Plans for activities next semester are still in the process.

Academic Affairs: Proposals towards plans for an Education class involving gifter children and the P.E. program being changed from 40 hours for the major to 36 hours is being discussed. Also proposed was a Respiratory Care class (RT 230) and a Clinical Practicum (RT 235). These proposed plans will be discussed further at the next meeting.

Clare Hall Board: The Christmas Party will be Sunday, Dec. 13 in the Clare Hall Lounge at 10:00 pm.

Doyle Hall Council: There is being planned a Red's baseball game for the Spring. G. Kevin Scott has replaced Tim Dall as wing rep.

Day Student Rep: The surveys that were sent out to commuters have been tallied. Those that sent the survey back felt that a lounging place should have first priority. Those interested in the results of the survey should contact Alice Butcher.

OLD BUSINESS: The Alcohol Committee has been dropped due to lack of interest. If interest is shown next semester, the committee will be started up again.

NEW BUSINESS: Pinball machines are being looked into for the Clare Hall basement. This will provide entertainment between classes for students. The Dec. 15 Student Board meeting has been cancelled due to Finals Week. The next meeting will be Jan. 12. A meeting with all of the treasures of the clubs and organizations will be held sometime in January with the return of school.

The meeting was adjourned at 10:12 pm. HAVE A MERRY CHRISTMAS AND A HAPPY NEW YEAR!!!
SEE YOU NEXT SEMESTER!!!!

Respectfully submitted,

DAYS OF OUR KNIGHT LIFE by Linda Kuper

Twas the the night before Christmas and all through the dorms,
Students drank Christmas spirits in order to keep warm.

The girls in Clare Hall were all tucked in their beds
While visions of Doyle Hall danced in their heads.

Finals were finished and grades were all in
The teachers were anxious for vacation to begin.

The food in the cafe was all served for dinner
and the girls all lost their hopes to be thinner.

The coaches all went into a deep dream
in hopes they would all have a victorious team.

The library was quiet in all crannies and nooks
for the students had finished reading all of their books.

The Student Board was dismissed from school
They'd wait 'til next semester to make more rules.

Dean Woodman had all of his reindeer ready,
Here's Appleby, Olga, Kelly, and Carlson,
Elmendorf, Akin, Sr. Mary Paul Larson.

Everyone of the teachers without fail
Looked for their Christmas bonuses in the mail.

Our luggage is packed and we'll always remember
We get to go home the 18th of December.

Before I bid you goodbye, lend me an ear.
For this is important what you have to hear.

Have a Good Christmas and New Year Fiesta
Hope to see you all back next semesta!!

DID YOU KNOW.....?????????

Clement Moore who wrote the poem "The Night Before Christmas" actual titled the poem "A Visit from St. Nicholas"

The twelve days of Christmas are a carry-over of Roman times: festivities of the Saturnalia were followed by twelve holy days which ended on January 1

THANKS TO OUR "CAST OF THOUSANDS"

Special thanks are due to many people for their efforts to make our experience of Advent at Marian College a time of opportunities for spiritual growth. Although we can't mention them all here, special reference should be made to those who have enhanced the chapel with the beautiful art work which expresses the journey of life. Sr. Mary de Paul, Marty McCormick, Patrice Will. Another group under the leadership of Sr. Rita, Rusty Clyma, Page Phillips, and Julie Siefke prepared the inspiring vespers each Monday night at 9 pm and the Penance Service. Sr. Rita also coordinated the beautiful Mass honoring Mary, our patronal feast on Dec. 8. The chorale, under direction of Kitty O'Donnell, and our music ministry group are also to be commended. New additions to our Dec. 8 celebration were the use of liturgical dance and the trumpet. The liturgical dance was performed to the song "Here I am Lord", which is a dialog between God and Mary at the time he was asking her to be the Mother of Jesus. The gestures and movements in the dance reflected this dialog. Both the trumpet and the dance are expressions of prayer used as early as the time of King David long before the birth of Christ. Reference to both appear in the Bible, Book of Psalms No. 150. This psalm is printed on page 3.

TO THE STUDENTS OF MARIAN COLLEGE:

It seems as though a few of us haven't grown up yet. Once again, several people who I know have had money ripped off. For instance, a good friend of mine had his wallet ripped off, including his I.D., driver's license, and a sum of money. I know that this happens from time to time, it's to be expected, but this is the second time this year for this room! Whoever you are, whether one person, or a "gang", think about what you are doing. To be honest, I think that you need help. I'm sure that if you go to someone (Sr. Olga, in particular), they will help you, and they won't tell anybody else if you confess to them and they are capable of helping you. THINK ABOUT IT! You are really hurting the people you are stealing from. And one of these days, you WILL be caught, so why ruin yourself! Stop what you are doing, whoever you may be!
