If the worst is yet to come, why worry now?

Nov. 8, 1963

TRAGEDY

Thursday should have been a reasonably normal day but as sleepy students turned through the gate and drove toward the parking lot, disaster struck with inconceivable suddenness. The weight of their automobiles was tossed through the air and smashed to earth with the sound of tortured, scraping, steel skipping along the asphalt. Unprepared drivers were thrown into their steering wheels, passengers clutched in utter desperation for an object to retard their headlong projection and simultaneously prevent a skull fracture. This unseen force was unrelenting, before students could discover the cause of the initial impact they were hit again and then again. Following this excruciating ordeal the victims hobbled to class in a bruised bewildered condition unable to discover the origin of this destructive force.

We have been subjected to brutality more heinous than the horrors of the Inquisition, obstacles more formidable than the Maginot line and more swift than a blitz. Speed bumps have come to Marian College.

Buddha will curse the perpetrators of this sadistic plot but until then take heed of the parallel of the Maginot line, drive around, old friend drive around.

Ballad of Sadie Hawkins

(Sung to Gregorian Chant)

The Sadie Hawkins Dance is a turnabout
That is it girls- scream and shout.
As the time draws near your chances dim,
Better grab that guy before somebody
else gets him.

Fun, music and sloppy clothes
Braided hair and a freckled nose.
Hay and corn shucks- Yippee!
It'll be good for your allergy.

Someone will be King and someone Queen
Of that coveted "Dogpatch" regime.
So ask your favorite Harry, Dick or Tom
It may be your last chance before Russia
Drops the bomb.

November 15th is the big night
Girls strike now while the time is right.
Go to the festivities they will be funny
Besides the Senior Class needs the money.

Don't miss "The Room"

Harold Pinter's one-act play, "The Room" will be presented Saturday night at 8:15 in the Men's Lounge. Dianne Lenarz is directing and Charolett Van Noy is playing the lead in this thought provoking story. Tickets may be obtained from Dianne.

NOTE: Hootenanny entertainment will not begin until after the play.

CHEST X-RAY TODAY

T.B. or not T.B.
That is congestion
Can-sumption be done about it?
Of cough, Of cough
But not for a lung, lung time.

Red Cross

Special thanks to Mike Eberly and his committee of Red Cross volunteers for their time and energies expounded in planning and carrying through the Halloween party at Juvenile Center. Student donations, which amounted to \$25 made this successful venture possible. Those present made short work of three hundred donuts and twenty gals. of cider. We hope that the people at Juvenile Center enjoyed the party as much as our students did.

OCKEYS WIN CHAMPIONSHIP!

Intramural football terminated last Sunday with the powerful Jockeys claiming the championship, undefeated.

The Jockeys won their final game by romping over the Beanies 32-0. Other games saw the Bears defeat the Critters 33-7, and the Wombats struggling to a 13-7 victory over the Irish.

The Jockeys scored a total of 125 points this season and their opponents scored only 6! They also departed on a powerful note by relieving a freshman player of a few front teeth.

The Critters, finishing last, had only one comment to make, "We were only out here for the fun of it".

This Sunday the All-Star game will be played at Potter's Field starting at 2:00. The Jockey's will challenge the two outstanding players from the other five team.

Members of the championship team are: Tom Quarto, Joe Richter, Tony Ardizzone, Gene Paine, Larry Zimmerman, Mike Leonard, Chris Malad, Bill Hackett and Jim Peggs. The Standings: and Harry Sanders.

Jockeys 5-0	Wombats 2-3
Bears 4-1	Irish 1-4
Beanies 3-2	Critters 0-5

KNEE- SLAPPERS

→ What burns two gallons of gasoline and doesn't move an inch? A Buddhist Monk.

- Have you noticed that the coffee in the cafeteria tastes like mud? But That's reasonable because it's ground every morning.

- Only one man in a million understands the international situation. Isn't it odd how we keep running into him?

- Joe Stalin knows what Khrushchev means when he says, "I'll bury you".

- If it wasn't for Thomas Edison we would be watching T.V. by candlelight.

DRIBBLERS!

Certain slighted individuals are presently crusading for a, as they see it, worthwhile cause. Rules and regulations for the upcoming intramural basketball season have been posted and one rule states that "no two players who have played varsity basketball can play on the same team". The other teams claim that they do not have a chance when opposed to this supposedly powerful team. This is a lot of nonsense. Each team has the chance to equip themselves with good players and failure to do so is their own fault. These "cry-babies" are the instigators of this rule and now seem content with this stipulation.

Let's do away with this ruling and see a season of exciting intramural basketball.

Quick reminder!

It's Mid-term time again and if you're going to flunk this is the time to do it, while positions for Fall jobs are still being filled. You could be swinging on a star. Don't ask us what that means.

N.F.C.C.S. News

The N.F. files are now in the process of reorganization as the first step in the plan for making N.F.C.C.S. material more available. All students and student organizations and faculty are invited and welcome to use this wealth of information in the N.F. files. This includes material on student government, lay apostolate, missions, Mariology, peace corps, civil rights, Communism, and others. FALLING ARCHES?

An urgent call has been heard, by the perceptive ears of the CARBON, from our efficient Perc operator, Drucella. We feel that this poor over-worked soul is deserving of a comfortable stool to sit on behind the counter. We feel that the scourge of the proletariat, Bourgeoisie Bernie, should by all means grant her this comfort and aid to continued efficient service.

WIDE SPREAD PUBLICITY

We should be gratified to know that our Athletic Program is receiving much more publicity than in previous years. Through the efforts of the Athletic Director, Mr. Reynolds, and Sports Information Director, Dave Mader, comprehensive information on Marian sports and its athletes is being distributed to news media in the Indianapolis area, the hometowns of the players and the areas in which we play. A similar service is being done on achievements of the student body as a whole by Fr. Paul Dooley, Dean of Student Personal. These plans give an effective wide-spread publicity to Marian College in this area. We approve.

All articles for the CARBON must be in Room 310 by Noon Thursday.
