Vol. I No. 7 November 4, 1983

## The Present Preserved For The Future

What does a Marian College class ring, a silver pin of the Sisters of St. Francis, and an aerial view of the campus have in common?

These are just a few of the objects that will be placed inside a small 12"x16"x7" copper time capsule to be sealed into the lobby wall of Marian College's new Physical Education Center. The official dedication is on Saturday, November 19, 1983.

The objects are mementos of Marian College and the era in which we live. The articles include documents and artifacts which represent Marian College and life in the 1980s.

Everyone associated with Marian College is encouraged to make suggestions as to what should go into the capsule. The more people who participate, the better the capsule will represent a cross-section of our society.

"It would be nice to leave a bit of our history for someone," commented Alan Lyle, head of development at Marian.

Each eligible person can enter only once and recommend only one item. Each person whose suggestion is accepted will be given a small memento.

Anyone who would like to offer a suggestion is asked to supply the item they recommend if it is not readily available to the college.

Suggestions should be submitted to the Office of Development and College Relations by November 10, 1983.

### Frosh 4-H'er

Bonita Gauck, a freshman Accounting major, will be attending the National 4-H Club Congress held in Chicago-November 25 until December 2.

At the convention, 6, one-thousand dollar scholarships will be awarded in Bonita's category of Food Preservation. A President's Award will also be given to the most outstanding 4-H'er.

In order to attend the convention, Bonita put together an achievement book of her work in 4-H, concentrating on Food Preservation. She won in her category in the state, representing area 1 of Riley County.

Bonita, from Milan, Indiana, has been a member of 4-H for ten years, six of those as a Junior Leader. Her achievement book has been in the honors group for the past two years.

Kerr Manufacturing Company is sponsoring Bonita. All her expenses are paid for the time she will spend in Chicago.

# KNIGHTS IN ACTION

by, MO & POO

The women won their District pool this past week-end and are now one of the top 8 teams competing for the 1983 NAIA District 21 Championship, on Nov. 4 & 5.

They beat Earlham in four games, 15-7, 13-15, 15-8, & 15-9. It was hard for the Knights to play up to par because of Earlham's lower caliber of play, but they kept their heads in the game and came out on top.

In the second match against Taylor, the ladies were "awfully awesome". They played very well together and with the tremendous yelling from the bench, the team gave Taylor, "no mercy!"

They struggled the first game and went down to defeat, 9-15. But with vigorous team chants and the determination of the Knights, they came back to win the next three games, 17-15, 15-4, & 15-9.

It was an all team effort. There were key blocks by Liz Gilmore & Jennice Chaney and key spikes by Paula Wessel & Julie Schoening. Also, the team was sparked by the setting & serving of Jeanne Obergfell and the all-around consistent play of Darlene "Mo" Moser, Janis "J.B." Blome, and Deb Fischer. The ladies were motivated by the superb backing of their teammates, Judy Carlile, Maria Bourff, Vonda Hughes, and Chris Broderick.

Coach Satterblom was pleased with her team's play, "the girls rose to the occasion & played their best when the pressure was on. It was a must win day & we responded well."

"This Friday and Saturday will be a challenge and a chance to show the NAIA teams that Marian College is a team to watch out for!"

## MARTIAN GET PHYSICAL

by, Jac & Mac

This weather is killing us sport fans! Once again, Wednesday afternoon Flag football had to be cancelled. Games were played last Sunday though, and the standings are: Lyons 2-0, THI 2-0, Furman 1-1, 69er's 1-1, Nads 0-2, and HRA 0-2.

The first Powder Puff games were played last Sunday. Pretty Skarey defeated Hot Legs and Asti's were defeated by T.P.ers. MCAHPER received a bye (to the joy of the rest of the teams), but will begin their season when play resumes Sunday. See ya there!

(ed. note - Don't forget Circle K's Aerobics classes on Tuesday and Sunday nights weekly at 9:00 p.m. It only costs 25c and the money goes to Muscular Dystrophy. Get Physical!

"If we keep psyched up and play like we can, we will win the championship," are the attitudes of the two Seniors, Deb & Mo.

Deb also stated, "we have had our ups and downs, but now we understand ourselves and are getting it together when it counts."

The ladies will take on Purdue Cal. at 8:00 p.m. at Anderson College. If they win, they play at 12:00 on Saturday and the championship game is at 2:30.

The other teams participating are St. Francis, Taylor, Marion, Anderson, Franklin and Goshen.

Ed. note - The team would like everyone to know that they are dedicating the District Playoffs to the two Seniors on the team: Deb & Mo!

Good luck ladies!!!

Keys Please

Sunday night at 8:45 p.m. I was returning from the library. I tried, I repeat, I tried to enter from the back of Clare Hall, but it was an impossible task. I should have realized that because of \*!?!/ SECURITY reasons that all 3 doors would be locked.

This security excuse would be fine if all of the girls received keys to the back doors, but we don't. And for security purposes, if someone wanted in the building to cause trouble they could enter in the front of Clare Hall - so locking the back doors doesn't make any sense.

Three main reasons for not locking the back doors are: (1) the majority of parking spaces are in the back, (2) when you leave the new gym you want to come in the back door closest to the gym, and (3) when you return from the library you want to come in one of the back doors.

These doors should be left unlocked until visitation is over instead of being locked at 7:00 p.m.

What is more of a security risk? A girl having to walk around the building in the dark night or the doors being unlocked to let her in. Either give all of the girls keys to the back doors or leave the doors unlocked!!!

Signed,  
Locked Out!!

## U.S. At War ?

In the last month over 200 marines lost their lives in war-like circumstances. Yet, the United States is not officially at war.

Over 100 of those deaths occurred when a Kami-Kazi truck laden with explosives careened into the barracks, where the marines were sleeping. The scene, Beirut. Ironically their mission was that of a peacekeeping nature.

Recent sniper attacks had taken the lives of several men, but no-one could have imagined the implications of such a tragedy.

Fellow Marines have lost their lives in the U.S. military action against the island of Grenada. The U.S. invaded the island to remove American students. The students had been trapped in Grenada since the recent military coup.

A second island, Carriacou, has recently been captured by the U.S. Both Russian and Cuban forces were found aiding the leftists in both islands.

Perhaps we as Americans should re-evaluate what is of primary importance in our lives because once again the threat of a war seems to be at our doorstep.
