HANDS ACROSS THE SEA

The CSMC is sponsoring a meeting on Wednesday, November 28, 3:30 in the Clare Hall Assembly Room. The purpose is to give Marian students an opportunity to discuss the world problem of HUNGARY. Betty Morvay will be the guest speaker.

What would be the possibilities of sponsoring a Hungarian student at Marian? How could the necessary funds be obtained? Is there a possibility of a scholarship for such a student?

It is our contention that the possibility does exist and that we, as Catholic college students, ought to do everything within our power to bring this about. Those attending this meeting will have ample opportunity to discuss this in detail. If such a project is planned, the cooperation of every student will be needed. We'll keep you informed.

BASKETBALL FEVER

The Knights lost to Villa Madonna last Saturday, 86-72. They'll go against them again Wednesday night at 8:00 in the Scecina gym. Let's see the same spirit that was present at the Franklin game.

This Saturday the team will travel to Louisville to play Bellarmine. Anyone for a trip?

Thanks to Ferd Keller for his reply to our inquiry about the lack of news about Marian in the local papers. He has offered to help get our name noticed more by the sportswriters. We hope that he's successful in his attempts and we really appreciate his interest.

WORKSHOP WEEKEND

Marian will host a NFCCS workshop this weekend, Dec. 1 and 2 for the colleges of the Fort Wayne Region. Discussions will be on the press and religious activities as they concern college students. Father John Elford, director of CYO, and Father Frazee will be the principal speakers. There will be a social in the evening for those attending the workshop meetings. All of you are invited to attend.

SECOND CHANCE

If you missed the last one, you can join up this time. Chaplain Larry Ittenbach still has some room for men who would like to make a closed retreat this weekend. Make a reservation today.

We'd like to suggest that you remember Ronnie Bennett's father in your prayers as he is seriously ill.

TERM-PAPER SEASON

If you are holding onto a book for the third month or a reserve book for the third week, you are likely to find that you will be gaining enemies rapidly. With a few hundred term papers and reports due the next few weeks, it's really not fair to hold those books any longer. The librarians will be happy to see you bring them back.

TOP OF THE WEEK

Only 12 more class days before
Christmas vacation.

AN ITEM FOR RIPLEY'S COLUMN:

Next week Marian goes on TV. A group
of students will present a series of talks
on "The Chapel Door" on WISH-TV, 9:00 a.m.
Monday - Friday. The theme of the series
is Modern Youth Looks At Religion. Also,
members of Marian's choral groups will
provide appropriate music for the program.
We don't recommend that you cut any
classes, but if you're free you might
take a look next week at Marian's TV
personalities.

Never miss a chance to make others
happy, even if you have to let them alone
to do it.

Congratulations to Deanna Darkin,
the new cheerleader.

Welcome back to Jim McLaughlin. No
more absences, Mr. President!

BOTTOM OF THE WEEK ---

Overheard on the stairs: "The women don't
cook any more. If they don't sew, what
are they going to do?"

Only 2 more class days until final
