## Lenten Latest

### Coffee Corner

That warm bed feels awfully good on these cold Lenten mornings. But, it will feel a lot better at night if you try out the following schedule for the next few weeks:

Mass--in Marian's Chapel at 6:20, 7:00, and 7:30.

Holy Communion--at any of the above Masses and at 7:55, 8:00, and 8:10.

Don't be shy--move to the Communion rail. immediately after the Priest's Communion at Mass. Otherwise, he will not know that you want to receive.

Confessions--will be heard by Father Stineman in the West confessional on Tuesday--10:30

Wednesday--2:30 (not 12:30)

Friday--12:30.

The priests will also hear Confession in the morning upon request.

There it is. The rest is up to you. Our motto--

"The state of grace distinguishes Marian students."

### FESTIVAL OF PLAYS

The One Act Play Festival will be held on the Marian College Campus on March 26, and March 27.

CATHOLIC THEATRE GUILD OF INDIANAPOLIS

CATHOLIC THEATRE GUILD OF EVANSVILLE

Marian is presenting the first act of the "Romancers" by Rostand.

So, you're giving up cigarettes? Well, good for you. But what do you intend to do with that quarter you would normally spend on Chesterfields, or Luckies, and what have you? Save it? Fine, a noble gesture. But remember, this is supposed to be a penance. So let's attach a little sacrifice to that quarter. Ever hear of a place called Viet Nam? Let me refresh your memory. It is located just south of China and next door to Siam. A few months ago a bitter war was being waged there between the Communists and the people of Viet Nam.

So what does this have to do with your quarter? A few years back a girl from Viet Nam was graduated from Marian. She is soon to return to her native land and her Alma Mater wishes to send a helping hand with her to her war torn country. Beginning to get the picture? Back to that quarter. You will find that the CSMC has placed mite boxes in six strategic places on Campus. The rest is up to you.

### BY THE WAY

Two thousand years ago Christ made the first Way of the Cross. His o required His life. Our commemoration requires only

- 1) bodily movement from station to station, and
- 2) a pondering of the event depicted by the station.

### FRONT AND CENTER

Mary will certainly bless the efforts of those girls who devote their Saturday afternoons to the Maria Centerr.

## SCIENCE SUCCESS

The Science Symposium was a big success. There were between 50 to 60 persons in attendance. Many thanks to both the scientists and guests.

## ATTENTION THINCLADS

Anyone interested in trying out for the track team please speak to Mr. Clark in the auditorium after Assembly Thursday morning.

## ANCHORS AWEIGH

The Mighty Men of Marian will once again take to the water ways as they meet the swimming team of St. Xavier Friday night at 7:30. So let's all be on hand to cheer our team on. Afterwards, we can all celebrate by joining the swimming party scheduled to last till 10:15. Tickets? Just \$.75.

## FINAL WHISTLE

The Mighty Men of Marian's basketball team wound up an admirable initial season by edging past Bellarmine College last Friday night. Down 30-25 at half time, our boys finally triumphed in an overtime 67-63. Many thanks to Mr. Harry Porter and the boys for their work.

## NO GUESTS PLEASE

Unfortunately, abuses beyond control have made it mandatory and definite that there will be no one allowed to use the gym outside of Marian students. As spectators at official events, though, they are more than welcome.

## LOST AND FOUND

All those forgetful people may find such items as they may have lost at the Book Store. Another unofficial place where divers articles and books are misplaced is the counter in the Percolator.

## WHAT A MESS!

In case some of you are having a rough time making up Lenten chores, let us help you. This is just a little one, but if everyone follows it, the results will be tremendous. The Percolator of late has been terribly untidy. Cigarette butts crushed on the floor, candy and goodie wrappers blither and nither, coke and coffee splotches under foot, and, worst of all, cigarette butts in the bottom of coffee cups. Now people, this must cease. There are ashtrays at each table, and a whopping big waste basket by the door. These are to be used--they are not for ornamentation. Please have some consideration for the attendants who have to clean up after you. They can empty the ashtrays and dump the waste baskets, but it is quite impossible to do either to the whole room itself.

ORCHIDS to those who were present for the opening as well as the closing of Forty Hours. And the men sang beautifully. Keep it up.

ONIONS to those who still hesitate to take part in the many school sponsored activities.
