

THE CARBON

NO. 7

"TO BUILD AND NOT DESTROY"

NOV. 10, 1961

The Student Board sponsors this weekly newsletter. It's editors are appointed by the Board and their primary purpose is to keep the student body informed of the actions of the Board.

The editors have the secondary function of announcing the upcoming social, intellectual and athletic events sponsored by the school or groups within the school that have the approval of the Board.

Editorials placed in the CARBON do not necessarily reflect the opinion of anyone except the writer. The Student Board and the

CARBON, in order to obtain a greater sampling of student opinion welcome any editorial written by any student that concerns some

issue at Marian and is considered worthy by the editors of the CARBON. All editorials must be signed and the writer's name will be used. Likewise, any editorial written by the co-editors of the CARBON will be signed.

HAVE YOU HAD YOUR PICTURE TAKEN ?

Yearbook pictures are being taken today in the reading room on the second floor. There is sufficient time between classes to stop in and smile for the camera.

PATRON DRIVE PROGRESS

Harry Fekkes wishes to extend to the Junior Class his congratulations. In the three weeks of the patron drive they have collected \$47 which averages out to approximately 50¢ per person, and which shows some kind of school "spirit."

MARIAN AFFIRMATIVE SCORES

In their debate, at Terra Haute last Saturday, the Affirmative team of Spitzer and Hogan won three rounds in a row, while the novice negative side lost by only one point. The next debate is at Butler University in early Dec.

TO THE STUDENT BODY:

The word "editor" implies that someone else is doing the writing. It is submitted to the "editor," who compiles it and prepares it for publication. Over the years the original purpose of the CARBON has been corrupted. We re turn now to that first purpose and invite and encourage the

ATTENTION ALL MARIAN GIRLS

Here's your chance to take the boy you've been flirting with all semester to a real good time. Drop what you're doing, scrounge up a dollar and a half and head for the mixed lounge Friday, Nov. 17. Check your inhibitions at the door and frolic from 8:30 till 11:30. (He thinks you're going to ask him, he'd really like you to ask him, so do it!)

THE CARBON SALUTES

Steve Mooney and Mary Ellen Timm. Three times this year they have cleaned the dead leaves from the top of the falls. Something new on Campus - Action!

THE CARBON HISSES

Those quasi-kindergarteners who provided the "delightful" undercurrent of conversation in yesterdays adsemby.

All those undermining the Student Union movement. Dan Brown requests the cooperation of all in keeping food and drink in the Perc.

The line-cutters. Everybod's hungry and the guy at the end of the line probably forgot to eat breakfast.

ODE TO A CLOBBERED CLUB

To those of the other side
To those who are so callous,
The Veterans turn the other cheek.
We don't bear any malice

The verdict meted out
Was based on supposition.
In Spain they had a name for it,
They called it Inquisition.

The sword of justice plunged
Itself to the very hilt.
The admonished ones regret that
They can feel no stain of guilt

An unsullied club was chastized
And made to be a martyr.
Probation is one thing but
Why destroy a charter.

We should have asked for chaperones
To report on the few rowdy blokes.
How they got that way I'll
Never know - on 7ups and cokes.

SPORTS HIGHLIGHTS

Plan now to attend the first varsity basketball games of the year - the Earlham Tourney, in Richmond, Taylor, Manchester, Earlham. and Marian will compete in this season's opening series of contests.

Intramural basketball teams are presently being formed for the start of the season. Get together with your friends now and turn the list of players in to Mr. Fields.

The Marian Maids will be back on the floor Monday, Nov. 13. This time to meet the team of Normal Colloge. Plan to attend the contest in Marian's gym at 7:15. It's a good volleyball team we have here, they deserve a good backing.
