

the Carbon

#2 158-159

Oct. 2

Congratulations are in order for our President and for the Superintendent of Schools, namely V. Rev. Francis Reine and V. Rev. James Galvin, upon their elevation to the Ecclesiastical rank of Monsignor.

MIXER

History is in the making this Saturday. As mentioned in Last week's Carbon Marian College has the privilege of playing host to St Mary of the Woods and St. Joe College at a buffet dinner and a dance, the latter to be held at the Indiana University Medical Center. Never before has anything such as this been attempted on our campus. We are always talking about developing inter-school relations, but nothing has ever been done to that effect. This time we are doing!

Needless to say, this places on each and every student a big responsibility. If this venture is to succeed, Marianites, we've got to show them what real hospitality is. This can be done by merely wearing a smile and being the ladies and gentlemen we are. What could be a better advertisement for our school than to have St. Mary's and St. Joe's return to their prospective campuses, singing the praises of Marian.

Now, for some of the essentials. A smorgasbord supper will be served in the cafeteria from 5:00 P.M. to 7:30 P.M. The dance will be held from 9:00 P.M. to 12:00 P.M. at the Medical Center. Incidentally, the "Perc" will be open from 4:30 to 7:30 and the boys' and girls' lounges in the basement of Marian Hall will be open for mixing. SO MIX!

BACK THE YEARBOOK

The staff has been announced for the yearbook, The Marian. Co-editors are Joan Friday and Larry Kyle with Ri Jo Marsh and Mike Welsh serving as Associate Editors. The yearbook is a very essential part of any college. Unfortunately, due to lack of student interest, there was no publication of The Marian last year. So now is the time to get behind the staff and really help to make this year's edition a success. Incidentally, there is always room for more talent and initiative. Anyone interested in working on this project should contact the editors.

ALUMNI HOMECOMING

The Alumni Homecoming is planned for this coming Sunday. Sophomores, Juniors, and Seniors are invited. The day will begin with High Mass at 10:30, followed by registration. At 12:00, dinner will be served. The afternoon's round of activities will begin with meeting of the alumni. Husbands, students, etc., will proceed to the Mixed Lounge for T.V., cards, and talk. Refreshments will be served around 4:00 with a record dance to follow. The price is \$2.50 for the entire session, or \$1.00 if you're just around for the refreshments and dance.

NOTICE!

STUDENTS FOUND
TAMPERING WITH THE
NIKE INSTALLATION
ATOP CLARE HALL
WILL BE SUSPENDED.

MOVIES

The Carbon is attempting to bring weekly movies to the campus. As is understood, such a similar plan was initiated in the past and failed. In order to avoid financial disaster, a subscription series will be inaugurated starting this coming Monday. Each subscriber will pay \$1.00. This will permit said subscriber to view four movies, one per week over the period of one month. It will be necessary to obtain approximately 100 subscribers. A profit need not be deemed imperative on this activity, however, such would be desirable. If a profit were to be realized, it would be desirable that "The Players" receive it. (Their present balance is \$2.83) Following is a tentative schedule and time: The King And I; On the Waterfront; The Pajama Game; The Last Bridge (this is a foreign film starring Maria Schell) Time: 6:45 on Friday evenings. This would allow time for dates afterwards.....The editors of the Carbon will solicit starting Monday.

FOOTBALL

Congratulations are in order for Walt Fields and his committee for the excellent organization of the intra-mural football program. However, there is room for improvement. If the girls were to have a "smashing go" at backing this program by attending the games, then most would have to agree that intra-mural football is one of the most successful activities on campus. If the statement that the resident girls are earnest supporters of student activities.....well, little ladies???

.....
The suggestion box was finally placed in the Perc. We suggest that you suggest a suggestion by means of this mode of communication.

FRESHMAN INITIATION???

A rather excellent idea has stricken the mind of the chubby back-page editor of this free people's paper. The subject of this idea deals with the freshman hazing period. It is somewhat obvious that this year's initiation was a bit of

a flop. Since there is no great good achieved by such an activity, and since only a minority seem to enjoy it, the thought occurs that it should be dropped in future falls. The absence of initiation would do no one harm. Just thought it could be mentioned to the students so that they could think about it for the remainder of the year. If there is sufficient opposition to it, then we are relatively certain that the school will do away with such a controversial activity.

"MIXED MESS"

It's quite nice to see the improvement in the Mixed Lounge. However, there are still many bottles lying around. If the spirit doesn't grab you to dispose of your bottles in the proper manner, then we suggest this entertaining and thought-provoking game: stand 10 feet away from the coke cases and throw your bottle, aiming at a slot in the case. The one getting his bottle in the slot closest to the center will be declared the winner. And you can imagine the thrill and excitement that go along with being the champion bottle thrower. You can walk up to your friends, light up an Old Gold Straight (a bottle thrower's cigarette if there ever was one) and say "they said it couldn't be done.... Don't get discouraged if you don't get off to a good start. The broken glass is a definite mirthmaker when the girls in stocking feet, sneak down to the lounge in the middle of the night to smoke.

ANTI-FREEZE SALE

Beginning next Monday, the Junior Class will begin taking orders for their annual Anti-Freeze sale. The prices are definitely below what you would otherwise pay. Price: Permanent, \$2.65 per gallon and \$1.45 for alcohol. You can give your order to Junior Class officers.

HURRY HOME ELVIS !

(Signed: The Student Body)
