NEWS

In a news conference yesterday, Reagan outlined some plans for the transitional committee and how he would conduct his administration.

Reagan said he would stick to his party platform maintaining, "I ran on the platform, the people voted for me on the platform." He said he would move instantly to implement a freeze in the federal work force and a 10% tax cut saying it would be "fine" if Congress began work on

NEWS

With only 52.3% of eligible Americans voting [the lowest turnout in 32 years], the right wing, reactionary Ronald Reagan obtained 51% of the vote and carried 44 states to capture the Presidency.

Independent candidate John Anderson, though without electoral votes, captured 7% or 5.6 million of the popular vote. Experts say that although the 'Anderson factor' did not give Reagan his presidential victory, it was a considerable contributor to the Reagan landslide. But more importantly, Anderson gained enough of a percentage to qualify for federal campaign subsidies to assist in paying off \$5 million in debts.

Carried on Reagan's coattails and through the campaign drive mobilized by "New Right" conservative organizations, Republican's gained control of the Senate for the first time since 1955.

The Democratic liberals targetted for defeat were George McGovern of South Dakota, Frank Church of Idaho, Birch Bayh of Indiana, John Culver of Iowa, Warren Magnuson of Washington, and Gaylord Nelson of Wisconsin.

Democratic survivors of the Republican attack include Thomas Eagleton of Missouri, Alan Cranston of California, and Patrick Leahy of Vermont.

The Republicans now hold 53 seats in the Senate and are in control of the Senate Committees. Senator Howard Baker of Tennessee is expected to relieve Senator Robert Byrd of West Virginia as majority leader if Baker is so elected by his party.

The GOP gained 33 seats in the House of Representatives where Democrats held onto their majority. Among those ousted were Democratic Whip John Brademas of Indiana, Chairman of the Ways and Means Committee Al Ullman, and 4 of the 5 congressman implicated in the Abscam scandal. Republican Representative Robert Bauman of Maryland was also denied re-election after admitting "tendencies" toward homosexuality and alcoholism.

Speaker of the House "Tip" O'Neill of Massachusetts called the election a "Democratic disaster."

on the tax cut when it meets Wednesday.

Working to establish a "bipartisan approach to foreign policy," Reagan appointed Democratic Senators Henry Jackson and Richard Stone and attorney Edward Williams to his foreign policy advisory committee.

"We are not going to intrude," Reagan declared of the negotiations with Iran and added, "I hope the Iranians will not have any idea there will be profit to them in waiting" for his inauguration. "World leaders must be aware the President is still the President."

Of the Soviet Union, Reagan said a world-affecting view would be taken and Soviet military actions would not be ignored in negotiating arms control.

Last week a "raid" took place at Clare Hall that became far more than just a harmless college prank. Approximately \$200 in damage was caused by these vandals. School property was damaged during this obvious violation of school rules. One girl was pushed out of the way and a full can of beer was thrown at another. And to this date, November 5th, no charges have been brought against these attackers by the school administration. On top of this, should Clare Hall residents have to pay for damage that they did not cause? The names of a few of these vandals are known and these violators of school rules should be subject to the full penalty. And if they are not, then it is quite obvious that the Marian College Administration is sympathetic to certain factions within the school.

A NUMBER OF OUTRAGED DOYLE HALL RESIDENTS

If any Clare Hall resident has information to volunteer, please contact your Student Board.

RETURNING TO COLLEGE AFTER A FEW YEARS?

Then you belong to the group known as Adult Learners! Bring your bag lunch or caf tray (coffee provided) to the Home Ec Lab, Room 127 in Clare Hall, for a discussion on "How Can I Clarify My Values?" The discussion will be led by Hazel Katter, Director of the Nursing Department, on Tuesday, November 11th. The following session will be an informal session on the "Concerns of Adult Learners at Marian College." The chief "listener" will be Dean of Students Bill Woodman. Everyone is welcome to these sessions. Bring a friend.

ROCKY HORRO!!!!

Friday and Saturday (only) is the chance of a lifetime to catch the ultimate in movie viewing experience. "The Rocky Horror Picture Show" will be shown at midnight at the downtown Circle Theatre. An audience participation film, "Rocky Horror" is the adventures of (that All Americancouple) Brad and Janet when they stumble on a haunted house. They are entertained by an entourage from another planet led by Dr. Frankenfurter, who has managed to create 'the perfect man'.

Now, don't believe all those awful things you've heard—noone is going to throw buckets of water on your head, or cram hot dogs down your nose. Those rumors were created to keep the cult following a cult following. Come prepared with rice, toast, a hot dog, a roll of Scott tissue, a spray bottle for water, newspaper to protect your pretty hair just like Janet does (or just wear a coat with a hood).

If you can catch what the criminal investigator has to say, do so. Feel free to ask him anything you like. He'll answer. What more can be said except GO.

P.S. The soundtrack will be blasting Friday after supper for anyone who wants a sneak-preview.

REASON

To make the worse appear the better reason.

--Aristotle

It was one of the charges brought against Socrates, that he "made the worse appear the better reason." Milton's Belial had a tongue that "Dropt manna, and could make the worse appear the better reason." The phrase is one of the bywords of the unreasonable; for reason could not continue to consider as the "worse" that which had been shown to be "the better reason."

EXCEPRT

You were under the impression
that when you were walking forwards
that you'd end up further onward
but things aren't quite that simple

ya got altered information
you were told to not take chances
ya missed out on new dances
now you're losing all your dimples

get a job and fight to keep it
strike out to reach a mountain
be so nice on the outside
but inside deep ambition

don't cry because they hunt you
hurt them first they'll rob you
there's a millionaire above you
and you're under his suspicion

SONNET 30

When to the season of sweet silent thought
I summon up remembrance of things past,
I sigh the lack of many a thing I sought
And with old woes new wail my dear time's waste.
Then can I drown an eye, unused to flow,
For precious friends hid in death's dateless night
And weep afresh love's long since cancelled woe,
And moan the exence of many a vanished sight.
Then can I grieve at grievances foregone,
And heavily from woe to woe tell o'er
The sad account of fore-bemoaned moan,
Which I new pay as if not paid before.
But if the while I think on thee, dear friend,
All losses are restored and sorrows end.

PEACE CORPS - VISTA

Peace Corps-Vista will be on campus Nov. 20 to interview juniors and seniors interested in helping communities in this country and abroad through the Peace Corps and VISTA programs.

VISTA volunteers live and work in with the poor in the US in organizational programs emphasizing the training of people to help themselves. Some programs are initiated by VISTA, others already have structure and employ VISTAs to reorganize and improve the existing format. Volunteers work on issues in the community involving legal aid and energy conservation, setting up day care centers, food co-ops, health clinics and tenant unions. The programs supply \$300-\$350 monthly for living allowance. A fund is set aside for use after the volunteer term is over. A college degree is not necessary for the VISTA program. The volunteers are trained for the job and placed with reference to background and the need of the communities. Each volunteer has the option to reject an assignment.

The Peace Corps volunteer serves for 2 years in developing nations in such areas as primary and secondary education, health care, social work, home economics, agriculture, accounting, marketing and public relations. A college degree is needed for the Corps, and a second language is highly desirable for placement in one of the 62 countries served. A 10-12 week training program introduces the volunteer to the people and the customs of the country chosen. A living allowance and a \$3000 stipend is provided to help the volunteer upon re-entry to the United States.

If you are interested in exploring any of the possibilities of placement Peace Corps-VISTA has to offer, sign up in the Placement Office. Interviews will be held November 20th.

But the friend of humanity with shakey moral principles is the devourer of humanity, so to say nothing of his conceit; for, wound the vanity of anyone of these numerous friends of humanity, and he's ready to set fire to the world out of petty revenge--like all the rest of us.

TO CLUBS AND ORGANIZATIONS...

For the past several weeks we have been printing announcements that we have felt contained important information for the Marian student. The sources of these announcements have been obscurely placed on bulletin boards and walls of the dorms and Marian Hall. Please, if you have a notice significant enough to put on a wall (and I don't mean obscenities found on restroom walls or interstate overpasses), give a copy to us. We're glad to have material and to give you the additional publicity.

Thank You

I shall choose friends among men, but

Pictures will be taken against a Western backdrop and western dress is suggested. Refreshments include hot apple cider, hot chocolate, and caramel apples. The theme for 'Sweethearts' is "Suddenly" from the movie "Xanadu." Their banner for Homecoming is completed and the float is in the process.

Doyle Hall Council: absent

OLD BUSINESS: 1] The stereo cabinet is not finished yet. 2] The videotape player idea was permanently tabled unless someone resubmits it. The Board felt that we were not qualified to decide how it should be used.

NEW BUSINESS: 1] Booster Club will have responsibility for the stereo system for the whole week of Homecoming activities. 2] There was a report from Connie of the Financial Affairs Committee. Because women athletic scholarships are not on par with the men's there will be an increase in the funding of the women's scholarships; however, this will entail a reduction in the amount given out in academic scholarships. If anyone has any reaction to this proposal, please see one of the student board officers.

The meeting was adjourned at 10:03pm.

Respectfully Submitted,

Mary Holste
