

CARBON

November 6, 1956

GURGLE! GURGLE!

HURRY! HURRY!

The local aquamen are in FINE shape. Three of the five returning lettermen are confined to shore duty. Jim McLaughlin has a ruptured lung; Dan McCarthy has another hole in his head (gouged by flying shrapnel); and Bob Wynkoop slipped a disc in his back. Let's get back in the swim.

Just a few spaces left on (Chaplain) Corky Johnson's Alverna Retreat Special. Get aboard men, before they leave without you and zoom ahead of you spiritually.

Time: Friday, 7:30 p.m.
to
Sunday, 4:00 p.m.

This Sunday Dr. James Cochran will speak to the Affiliates of the American Chemical Society at 2:30 p.m. The subject of his discourse will be "Chemotherapy in Cancer." Everyone is urged to attend. Bring your high school friends!

Election Fever

Congratulations to the Phoenix and to the campaigners who so successfully made us as politically conscious as City Hall!

People who always worry about what their friends think of them might be surprised to discover how little they do.

Highlights from the Student Board Meeting
October 31, 1956

Student I.D. cards were given to class presidents for distribution. Contact your president if you haven't received yours.

The Phoenix staff extends to the maintenance department their heart-felt thanks for putting in a new pencil sharpener.

A committee on the news bureau plan was encouraged to continue working on the idea. A news bureau of students to publicize the activities of Marian to more papers was agreed upon by the board as a means of gaining more recognition of Marian by the general public.

Last Sunday was the conclusion of our pigskin battles. The game was between the Browns and the Bears. The match was tied until the closing minutes when Bill Niehus intercepted a pass and scored for the Browns. The Browns won 6 to 0.

The board sanctioned the formation of a campus boosters club, provided enough people were interested to make the club a real success. Bill Method and Louie Ripperger volunteered as organizers.

The board agreed to pay for camera accessories for a new camera to be used by campus publications, provided that this does not exceed one-third of the total cost of the camera.

Thought for Today:

You aren't learning while you're talking.

What has happened to the Alpha Delta Gamma Fraternity? There were those who were very enthusiastic about the organization only a very short time ago. Has it been vetoed or has the novelty of the idea ceased to dazzle?

We recommend

For a relaxing Friday night after this week of grueling exams, ascend the "STAIRWAY TO THE STARS" in the Mixed (!) Lounge from 8:30 to 11:30 to the music of the Skyliners. Semi-formal, tickets are 1.50 per couple. The Frosh will be happy to sell you the tickets.

Erin Go Bragh!

No, we're not celebrating St. Patrick's day early this year. But all of you loyal Irishmen can enjoy a bit of Celtic culture at the assembly Thursday at 10:30. Two Irish players, Miss Michael Conaree and Dermot McNamara, will present scenes from Irish plays. Both have had considerable dramatic experience with the Abbey Theatre in Dublin and in summer stock and television in the U.S.

Looking ahead ----

The Third Order of St. Francis is looking into the future by planning for Christmas now. Currently they are raffling a \$25.00 Savings Bond to gain a fund for Christmas charity. Chances are 10¢ - 3 for 25¢. You can do several people a favor by taking a chance!

The person who is always giving others a piece of his mind is often the one who can least afford it!

Get set now for the Sadie Hawkins' Dance on Friday, November 16. The gals are reminded that they should provide unique corsages for their dates, as well as observing the local social customs of pulling out chairs, providing transportation and in general, behaving like ladies. The disc-jockey dance is from 8:30 to 11:30; tickets are \$1.50 per couple. (The Juniors are sponsoring the affair in accordance with their class tradition) Cider and doughnuts will be served.

Education Column

As a service to the students the Carbon will from time to time print an educational feature designed to help the students in their class work. This week we offer you these definitions for your enlightenment.

TO EXPEDITE- This means to confound confusion with commotion.

UNDER CONSIDERATION - This means "Never heard of it."

UNDER ACTIVE CONSIDERATION - We're looking into the files for it.

RELIABLE SOURCE - The guy you just met.

INFORMED SOURCE - The guy who told the guy you just met.

UNIMPEACHABLE SOURCE - The guy who started the rumor originally.

WE ARE MAKING A SURVEY - We need more time to think of an answer.

WILL ADVISE IN DUE COURSE - If we figure it out, we'll let you know.

The ACS has regular meetings every Tuesday at 12:00. All campus scientists are invited.
