ANNUAL COMPETITION FOR OVERSEAS STUDY

The Institute of International Education has announced that the official opening of the 1982-83 competition for grants for graduate study or research abroad in academic fields and for professional training in the creative and performing arts is scheduled for May 1, 1981. It is expected that approximately 516 awards to 50 countries will be available for the 1982-83 academic year.

The purpose of these grants is to increase mutual understanding between the people of the United States and other countries through the exchange of persons, knowledge and skills. They are provided under the terms of the Mutual Education and Cultural Exchange Act of 1961 and by foreign governments, universities and private donors.

Applicants must be U.S. citizens at the time of application, who will generally hold a bachelor's degree or its equivalent before the beginning date of the grant and, in most cases, will be proficient in the language of the host country. Except for certain specific awards, candidates may not hold the Ph.D. at the time of application. Candidates for 1982-83 are ineligible for a grant to a country if they have been doing graduate work or conducting research in that country for six months or more during the academic year 1981-82.

Creative and performing artists are not required to have a bachelor's degree, but they must have four years of professional study or equivalent experience. Social Work applicants must have at least two years of professional experience after the Master of Social Work degree; candidates

:TAG.NOTES.:

Sorry loyal TAG members, your devoted vice-president somehow let the last meeting slip her mind. I hope I can reconcile this by assuring you that THERE WILL BE A TAG MEETING Monday, March 30th at 12:00 in the auditorium, I promise.

TAG is planning on bringing lots of coming events to Marian yet this semester. So watch for information that might be interesting.

Marian's next production of "The Clown" is coming along superbly--that's a show no one should miss.

Thanks to all those who went to see Oedipus
--we hope you enjoyed it!

Have A Nice Day--

THE CIRCUS IS IN TOWN

Now in rehearsal for an April opening is "The Clown", a one-act children's musical, but certainly not just for children.

"The Clown" is a tender love story set in the exciting world of the circus. All your favorite circus performers, like the lion-tamer, acrobat and juggler will be on hand for loads of thrills.

Featured performers in the big top include Mary Bates as Gina the stilt walker; Tim Trushaw, the notorious master of ceremonies Dr. Tutto; Page Phillips as the beautiful Doria and Chris Tuell is Mumbles, The Clown.

THE CLOWN April 10--7 p.m., 11--12:30 p.m.
A three ring circus of fun!

SECURITY DOES THEIR JOB ONCE AGAIN

On Wednesday night, two stereo systems were ripped out of cars on the 30th street parking lot. Where was security and where are there priorities? On Thursday night, security had some cars towed away which were not in violation of parking regulations. Some cars just extended into the next parking spot. I'm sure they would not have succeeded in towing the cars away had they not brought along a 6 x 6 giant.

Such questions arise as to why there were two security guards on duty, why one had a billy club out, why they did not know WHERE the designated fire lanes were, and why they acted without authorization.

When the owners of the cars were standing there, why would they not allow them to move their cars rather than make them pay \$40 for parking there [the warning says \$35]. Why should the students suffer for the inefficiency and inconsistencies of the Marian College security. We feel this goes against the grain of what Marian College stands for.

Angrily,

The Student Body
