

Highlights Heighten Homecoming Hysteria

Homecoming 1965 has been planned by the Booster Club in coordination with the Alumni Association. Activities will begin on Wednesday, Dec. 1 with the exhibition and review of class floats.

At the Pep Rally, 4:30 p.m., the winning display will be announced. President of the winning class will receive the honor of crowning the homecoming queen at Friday night's mixer.

Thursday's schedule includes special inter-class competition activities. Although the details have been kept secret, there is a rumor to "be prepared to steal the bacon."

Candidates for the homecoming crown will make their public debut during the half-time festivities at

Frosh Elect Experienced Class Leaders

"The best prophet of the future is the past." This idea of John Sherman in 1890 was undoubtedly used Oct. 22 as freshmen chose their class officers.

Elected to the presidency was Bob Ripperger, a graduate of Cathedral High School and the recipient of an honor scholarship to Marian. He was a member of the National Honor Society for two years and graduated third in a class of 189. Outside of school, Bob was the Indiana Regional chairman, a member of the National Board of Directors, and president of the Archdiocesan Junior CYO.

Vice-president Susan Mailloux, from Fowler, Ind. was sophomore vice-president and class president in both junior and senior years. She was president of her parish CYO and a diocesan committee head.

Secretary Mary Pat Cook, a graduate of St. Agnes Academy, held the offices of Spanish Club vice-president and French Club treasurer, as well as that of CYO secretary of the Indianapolis Deanery.

Checking the finances is Danny Gonzalez, a graduate of Catholic Central High, Springfield, Ohio. Besides maintaining a 90% average for four years, Danny was CSMC vice-president in junior year and president in senior year.

Quoting the president, "Our class has much potentiality. We hope that we can live up to our capabilities by making what we can achieve, what we will achieve."

Try to Remember 'The Fantasticks'

Marian College Players will offer their interpretation of Tom Jones' and Harvey Schmidt's musical-fantasy, Dec. 9-12.

Billed as a parable about love, the "Fantasticks" is just that. Beneath its unreal setting it shows quite plainly the warmth, sadness, happiness, and uncertainty of love as depicted in the romance of a very typical young couple.

The play itself is wryly humorous, the songs are enchanting, and the satire is biting. It is especially enjoyable because the viewer is always able to read something of his own experiences between the lines.

The cast includes: Jack O'Hara, Mary Cronin, George Hynek, Max Henschen, Andy Wagner, and Bob Clements. Director is Mr. Robert Moran; accompanist, Connie Knoll.

The play was written especially for an intimate showing and the audience will be seated on stage, around the players. There will be only 125 seats available for each performance. Tickets are priced at 50c.

the game on Wednesday.

Nominated by an all-school ballot, the candidates for queen are: Beverly Freije, Indianapolis, and Geri Sanna, South Bend, seniors; and Martha Gorman, Evansville, and Rosie Thomas, Indianapolis, juniors.

Finishing out the court are: sopomores Charlene Eppers and Sue Picker; and freshmen Mary Claire Fox and Mary Pille.

The queen will be announced at the informal dance on Friday night in the elaborately decorated Mixed Lounge. Music will be provided by the Checkmates.

Saturday, the official Sunshine and Homecoming Day, will begin at 11 a.m. with registration for the alumni followed by the celebration of the Holy Sacrifice of the Mass in the Chapel of Mary Immaculate at 11:30. At the conclusion of the Mass, a brunch, attended by both faculty and alumni, will honor the 10- and 25-year alumni.

The afternoon will witness a review of the Drum and Bugle Corps and the coronation of the Homecoming Queen plus a Varsity-Alumni basketball game in the gymnasium.

Activities will be culminated by

the Homecoming Ball Saturday night at the I. U. Medical Center. Music will be provided by The Skyliners, a 15-piece orchestra.

Members of the Homecoming committee are: Thomas Egold '65, Indianapolis; William T. Brady '60, and Mrs. Julia Abrams Fennerty '56, both of Indianapolis; and seniors, Beverly Freije and Jeanne Durrant. Working in close conjunction with the committee are: Sister Marina, newly appointed executive secretary-treasurer of the Alumni Association and Sister Mary Augustine, Booster Club moderator.

FROSH OFFICERS exchanging homecoming float ideas are: (seated) Bob Ripperger and Sue Mailloux; (standing) Mary Pat Cook and Dan Gonzalez.

Archbishop Schulte To Offer Patronal Mass; Capping Waived

Archbishop Paul C. Schulte, recently returned from the Vatican Council, will offer the annual college Mass honoring Mary Immaculate as patroness, Dec. 6, at 10:30 a.m., in the auditorium.

To make possible the full attendance of faculty and students, the 10:30 and 11:30 classes will not meet that day.

The capping ceremony, at which juniors were formally invested with the academic cap and gown, will not be part of the observance this year. In the interest of economy and with the passing of a

number of formal occasions on which the costume was worn, the decision was taken to postpone the conferring of the cap until senior year.

Until after Marian became co-educational in 1954, freshmen were capped by the president of the Student Association in early fall. The capping of juniors by the college president and dean on the patronal feast day dates from 1959.

Present practice calls for the seniors' wearing this attire for Commencement, Baccalaureate, and the Senior Breakfast.

8 Colombian Students Arrive for Study, Observation of N. American Way of Life

Eight Colombian girls from Bogota will be studying on campus for approximately ten weeks beginning Nov. 23. They come from the University of the Andes, Xavier University, Comfas, (a secretarial school), and the other educational institutions.

For the first two and a half weeks they will undergo extensive English training, spending four to five hours a day in class. Some will sit in on regular classes.

Orientation in American family life and culture is planned through contact with the families with whom they will live. Among the host families are those of three

Marian students who enjoyed a reciprocal arrangement in Bogota last summer—Karen Lee, Anna Marie Kiefer, and Barbara Walsh.

The exchange students will be exposed to such facets of our lives as racial problems, capitalism, plurality of religions, capital and labor, salaries, government, both state and national, and our standard of living. They will have contact with such groups as CYO, YCW, and the Red Cross.

After Christmas a social action project will be launched with the express purpose of catering to the special interests of the students. Primary purpose of this phase of the program is to give the students

an insight into the American attitude of willingness, or "What can I do to help another?"

Principal goal of the Student for Understanding program is "to assist both the North American and Colombian Students in an awareness of cultures different from their own."

The entire undertaking is being handled by Sister Mary Edgar, O.S.F., Spanish department chairman and national co-ordinator for the program sponsored by the Latin American Center of Human and Intercultural Relations at Xavier Pontifical University, Bogota.

Wanted: 150 Ideas

Be on the lookout for articles of interest concerning Indiana's 150 years of statehood beginning with the January edition of the "Phoenix."

Sister Marina, campus coordinator of sesquicentennial activities, requests suggestions for Marian's participation.

To date, two activities have been announced. Evening Division has scheduled a series of lectures presenting Hoosier authors and their works. History department has arranged for a special speaker March 6.

Will You Repeat a Retreat?

Prior to the 1965-66 school year, a weekend retreat was required of all full-time, Catholic students. This year the regulation has been modified. Only one retreat is required before May 1 of the sophomore year.

Freshmen may balk at the idea of a required retreat for various reasons, but in two years, surely, there is time for one weekend devoted to prayer and spiritual meditation.

Once a student has made a retreat, it is hoped that he will realize the spiritual benefits which can be derived from it and that he will return again during his college years.

Many upperclassmen who have already fulfilled this requirement have heaved a sigh of relief. No more required retreats for us! But why do they feel so relieved? Perhaps because a retreat to them was only a way of avoiding a \$15 fine or a quiet place for study or bridge games. Perhaps a forced retreat was not so spiritually gratifying.

Retreats weren't required just for the idea of them. They were thought to be a beneficial, spiritual experience. Perhaps, they had lost some of their original meaning for the students here.

For this reason, the administration, after much discussion, modified the regulation. In their opinion, once a student has made a good retreat, he will make additional ones on his own. Are we going to let them down?

No, we are not required to make a retreat; we won't be fined if we don't. But, we will miss an opportunity for one of the most beneficial spiritual activities in which we can take part.

We are urged to make additional retreats, not because we are forced to do so, but because we are interested in our own spiritual welfare.

No one is standing over you now. No one is forcing you to make a retreat. Do you have the initiative to do it on your own?

—Gloria Bumbledare

Interest Encourages Staff

Recent widespread interest expressed in campus publications by both faculty and students is encouraging to the editors. This increased concern is a step forward in improving the quality of our newspaper.

Articles which are submitted from a good cross-section of the students will naturally comprise a better journal than a newspaper which is limited by the skills and opinions of a few

staff members. It is also important that organizations maintain contact with the publications in order that all important functions will be covered adequately.

The *Phoenix* hopes that this interest will continue. Comments and contributions will gladly be accepted by all of the members of the staff.

T.C.

A Student Speaks

Dear Editor:

According to constitutional law, no government, local, state, or federal, can abridge the basic rights of man, freedom of expression, freedom of assembly, freedom to vote for major officeholders, etc. That is the federal constitution, supposedly that applies to governments alone. Private institutions are something different.

But are they really different? The rights of private property, i.e., the freedom to do anything you want on your own land, becomes absurd if carried to the extreme. No one has the right to shoot the mailman even if he does it in his own front yard. Ownership of property is basically irrelevant to the rights of other human beings.

Seventy-five years ago the big businessmen of the day argued vehemently that the government had no right to meddle in the affairs of private business and this was believed by the majority of American citizens. But eventually Congress and various state legislatures realized that the working conditions and business practices of the day were detrimental to the common good of society and passed legislation controlling the abuses of private property.

The same holds true of educational institutions, public or private. Size makes the difference, not ownership. Whenever an administration has more than a 1000 students as this one does, it has a duty to set up all those institutional safeguards that have been found through history to promote the general good. Freedom of expression, the right (taken for granted in public law) to dress as one pleases, and the right to choose one's leaders are not simply the fringe benefits of American society, they are essential to the general welfare.

Students do have rights: the right to publish any newspaper they see fit, the right to dress as they please, and the right to "choose" their teachers and administrators through regularly held opinion polls. (Not that an opinion poll should decide the

From the 1943 Thanksgiving Issue of the "Phoenix"

Don't forget them; they're not forgetting you

fate of a teacher but that it should be considered before making a decision.) These rights are taken for granted in public life because they promote the general good. These same rights would work just as well for us if we would only recognize them.

A 20th century school should not be dominated by 16th century thinking.

Ed Arszman

Dear Mr. Arszman:

As critical readers and students, we find your references to private property unclear and wonder how the abuse of this property relates to the rights of the students on our campus. Does it actually?

Also, Mr. Arszman, why have you chosen 1000 as the determining number for educational institutions? Is this a "magic" number or would 700 serve the purpose as well? ... or 500? ... or 2000?

And "16th century thinking?" Isn't this a bit vague?

Editors

Authority Elucidates Oriental Music

Recently, Dr. William P. Malm of the University of Michigan School of Music was guest of the college music department and the Non-West program.

Dr. Malm demonstrated the logic behind Eastern music, using such specific types as the Indian *raga*, the *gamelan* or Javanese orchestra, and Chinese opera. He also talked about the distinctive traits of Japanese musical instruments used during the performance of *Kabuki* drama or *No* plays.

To illustrate timing, called *ma* in Japanese, he played the *taiko* or drum. Other instruments demonstrated were the *sho* and a reed flute resembling the Greek *aulos*.

Chieko Ishii, a student from Tokyo, said: "Dr. Malm made his lecture in so attractive a way by use of oral interpretation, letting us hear the tape recordings, and playing the drum."

"Even for music students," commented Connie Knoll, senior music major, "Eastern music is a difficult subject. Yet, after 50 minutes with this dynamic, scholarly teacher, it had begun to make a great deal of sense."

Red Cross Assists Needy Families

by Eileen Witte

There's more to Red Cross than bandages and first aid kits. Members of the campus Red Cross unit channel their concern for others into active friendship as well as supplying material needs.

Holidays and special occasions don't pass unnoticed at local institutions, due to the sharing of a little time and cheer by Unit members. Halloween marked the first activity. Children at General Hospital and Juvenile Center were visited by costumed students and each received a Halloween treat. Plans for the future include a Thanksgiving food drive and a Christmas party. The local agencies to be visited will include Julietta Home for the Aged, LaRue Carter Hospital, Christamore House and Juvenile Center.

In addition to special festivities, plans are the making for regular volunteer work in the form of weekly visits to Juvenile Center and LaRue Carter, and a tutoring program for high-school drop-outs in cooperation with Flanner House.

The Red Cross members spread their charity not only by supplying underprivileged families with food but also by providing for medical care for these unfortunates. These services are rendered weekly to some families.

To participate in any of the activities, interested students may contact one of the Red Cross members or attend the next Unit meeting.

PRACTICING a new formation are cheerleaders: (standing) DiAnn Blazic, Rosie Thomas, and Patty Able; (kneeling) Jeanette Ralston and Paggy Branson.

New Cheers Renew Spirit

"A-C-T-I-O-N, action, action!" "Speed, speed!" echo through Clare Hall from the residents' lounge. Disturbed dormies are the result of cheerleaders' practices in preparation for the coming basketball season.

A new style of yelling has sparked enthusiasm for hard work and long hours of practice.

New uniforms will also brighten the routines as the squad takes the floor in navy culottes and old gold V-neck sweaters.

Rosie Thomas, this year's captain and third year veteran, is "happy with the individual effort each girl is contributing toward a unified squad."

DiAnn Blazic, beginning her second year of cheering for the Knights, is "pleased with the new uniforms and routines."

Patty Able, also returning for her second year, "loves the new

straight-arm movements and peppy yells."

The two new cheerleaders, Peggy Branson and Jeanette Ralston, were both varsity cheerleaders in high school.

Peggy from Sceecina is "excited about cheering" in her first year at Marian College. Jeanette, a Chatard graduate, is also eager for her "first chance to yell for the Knights."

All the girls expressed hope that the student body will share their enthusiasm and back the KNIGHTS with spirit.

Art Dept. Displays Work of 20 Artists

On display in Madonna Hall until Dec. 5 is a traveling exhibit of works by a group of Indiana artists. Approximately 20 in number, the group is officially known as "The 20."

Composed chiefly of oil and water color paintings, the exhibit also contains several sculptures. Landscapes and still life studies dominate the canvases. Three portraits complete the collection.

Seminars Alert Pre-Engineers

Next in the series of Engineering Seminars by Professor A. J. Schultz, Dec. 15, is "Educating the Engineer." Professor Schultz, formerly of the Purdue School of Electrical Engineering, now on Marian's faculty, is presenting the seminars to inform students about the background, education, and profession of an engineer.

The seminars are aimed particularly at orienting the students enrolled in the Combination Liberal Arts-Engineering Program set up by Marian with engineering schools.

First seminar treated the background of engineering from the Babylonians to the Space Age.

In the final session, Jan. 12, the actual professional work of engineers, their opportunities, demand, and salary will be discussed.

All seminars are on Wednesdays, at 4:30, in the Men's Lounge and they are open to any interested students.

What? Christmas Dance

When? Dec. 18

... last Friday before Christmas vacation.

Special Note:

The girl you would most like to find in your Christmas stocking will reign as queen.

Alumni Peace Corpsmen Serve Three Continents

Starring roles in the Peace Corps are being taken by six Marian graduates. They are "on location" in countries throughout the world serving in many different ways.

Diane Hofmeister and Eileen Lally are now enrolled in training sessions in Hawaii prior to their work in Malaysia.

Diane will be teaching high school history and Eileen expects to be teaching English. Concerning the Malaysian people, Eileen says, "They are a gentle kind of people. If more Americans would do as they are doing, there would be peace in the world."

Surveying Indian villages in the Andes is alumnus Phil Brady. When last heard from, he had been bitten by a tarantula, but he assured his family everything was all right.

Pat Sabelhaus is organizing Co-ops in Venezuela. The people are too poor to support themselves, but through Co-ops they are able to provide a meager living. Pat is also trying to organize a basketball league for the Venezuelan youth.

Fellow classmates Marie Jochim and Jean Johnson are both serving in Africa. Marie is stationed in Eastern Nigeria where she teaches English and religion. She plans to tour Africa this December and study in Europe after her release in September.

Jean teaches history and English to eighth grade students. During a discussion on birds, one of her students thoughtfully brought in a live eagle for Jean to hold in front of the class as a demonstration.

The most recent returnee is

Richard Kramer, a 1963 graduate. He served in Southern Chile where he helped teach classes in carpentry, gardening and animal husbandry in a country day school. He worked with the Institute of Rural Education in trying to persuade the students to return to their homes and to apply what they had learned. Richard is currently working at the Marion County Juvenile Center and hopes to fulfill requirements for a master's degree in Social Case Work.

Marian salutes these alumni and looks forward to their return for a future Homecoming.

Fioretti Editors Set Press Date

First of this year's issues of the Fioretti, scheduled for distribution in January, will go to press Nov. 23.

Approaching its 25th year in print, the *Fioretti* is a semi-annual campus publication featuring the best of the students' entries in poetry, essays, short stories, book reviews, and interpretative articles. Illustrations are supplied by art students.

Each spring, a contest is held with awards for the best entry in each classification.

The publication is financed completely by the Student Board, and each student receives a copy free of charge.

Sherry Hofmann and Bob Clements admire Sadie Hawkins millinery. Winning hat was designed by Cindy Hall and sported by her escort, Steve Jones, at the dance, Nov. 13.

Club Chatter

ACS-SA

Alumni, Ralph Powell '58, Ph.D., and Mrs. Emilie Clevenger Ketudat '60, M.S. will be guest speakers, Sunday, Dec. 12, at 2 p.m. Mr. Powell is on the Purdue faculty as a chemistry instructor. Mrs. Ketudat, as Marian's first Peace Corps volunteer, taught chemistry at Chulalongorn University, Bangkok, Thailand.

The affiliates sponsored their annual Science Day for local high school students, Nov. 7.

Booster Club

Six freshmen were accepted as members in the Booster Club at its meeting, Nov. 11. Meeting qualifications were: Paul Dixon, Tim Elder, Mary Claire Fox, Luke Fry,

Maureen Gies, and Carol Schnelker.

Drum and Bugle Corps

Congratulations to new secretary, Mary Ellen Hangate, and new Color Guard members: Nancy Carrier, Lynn Hafeli, and Peggy Bonke.

Sodality

From Nov. 15 through Thanksgiving the Sodality is sponsoring a shoe drive for the poor.

A speaker, on the topic, "Mary's Role in Our Personal Life Today" has been scheduled for the November meeting.

The Advent Wreath will be displayed and a prayer will be said every day throughout Advent before the 11:30 Mass, in front of the Marian Hall chapel.

Mental Health Unit

The November business meeting featured two guest speakers, Miss Dorothy Unger, state director of the college Mental Health Program, and Mr. Jerry Nichol, recreation director of LaRue Carter Hospital.

A mental health film entitled "Breakdown" is scheduled for Dec. 1 at 3:30 and 4:30 p.m.

CSMC

The CSMC is conducting a Thanksgiving Food Drive for needy families in the Indianapolis area. Day students are asked to contribute canned goods and resident students are asked for monetary donations. The club is also sponsoring a city-wide clothing drive through the parishes. Reusable clothing will be taken to Mississippi and distributed to the needy.

Forty History Majors Convene for Dinner

History department set a precedent, Nov. 14, with its first dinner session for alumni and senior history majors. Over 40, ranging from the class of 1951 to the present, attended.

Guest speaker was Dr. Eric Dean of Wabash College; chairman, Father Charles Frazee.

Next session, commemorating Indiana's sesquicentennial, is scheduled for Mar. 6.

One event each semester is planned.

SEA Chapter Hosts Region

"Communication in Education" was the theme of the Student Education Association regional conference held at Marian College Saturday, Nov. 20. One of eight member colleges in Region 2, Marian hosted representatives from Anderson College, Ball State University, Butler University, DePauw University, Indiana Central College, I.U. Extension, and Purdue University. Following registration, a "get acquainted" mixer was held.

First on the program was Mr. Harmon Baldwin, Superintendent of Schools in Wayne Township, who spoke on "Communication in Education." After the talk, the delegates divided into sixteen discussion groups with two discussion group leaders from each college. Representing Marian as discussion leaders were Chuck Smith and Sue Smith.

Luncheon and campus tours followed the discussions and reports.

With other clubs in the region, Marian's chapter compared ideas and discussed new education techniques and teacher-student relations.

Knights Ready for Season Opener

Nov. 23 Team to Grapple With Grizzlies, Pirates, Panthers

by Bill Kutyla

Veteran Knights will take on Franklin, Southwestern University of Texas, and Hanover in their first three bouts.

Coach Reynolds plans to go with Chase, Schneider, and Brodnik from last year's 10-13 club. 6'6" center, Bittlemeyer, recovering from an injury, is a question mark. Schmaltz and either Clark or Gerencser will probably round out the starting five.

Scoring ace Chuck Federle '65, will be missing.

The Knights hope to repeat last year's 80-66 victory over Franklin, Tuesday, Nov. 23, at Franklin's 800 seat gym at 8. The frosh game is at 6 p.m.

Coach Moyer's boys average 6' 5 1/3" up front. Three of five starters from last year's 5-16 club include leading scorer Rob Billeau, at 16.4 per game, and Rich Edwards, with 10 rebounds per game.

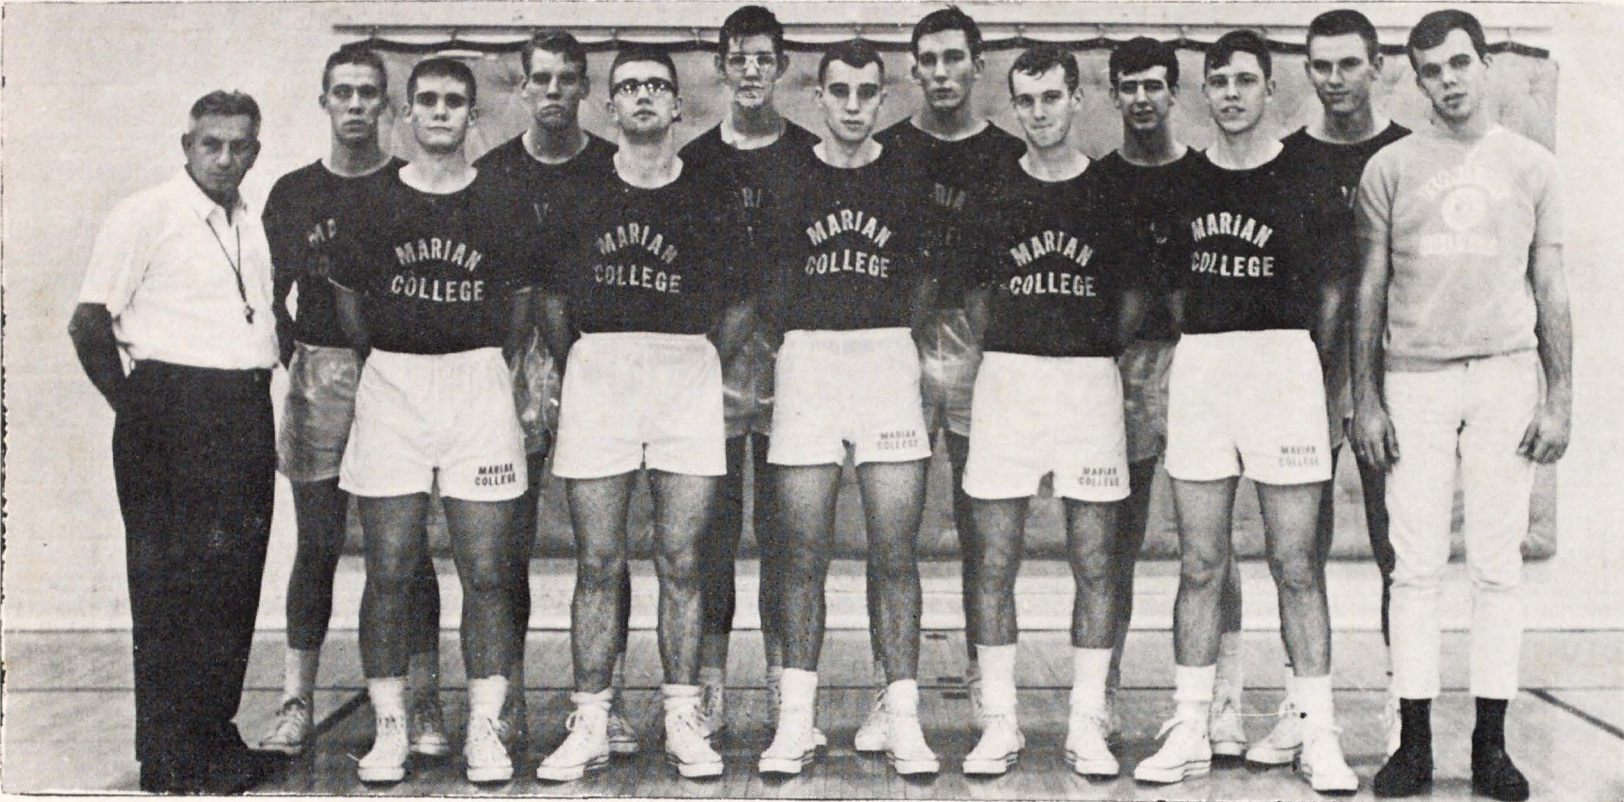

The young Grizzlies lost all-conference guard, Steve Baker, by graduation.

Next comes a premiere performance against Southwestern U. of Texas from Georgetown, Texas. The tilt will be a benefit event at Peru, Ind., Nov. 29.

The Texans are coached by Bill Merritt and led by 6'5" junior center, Dave Denny, from Peru, Ind., who averaged 16 points per game during '64-'65. The Pirates play such clubs as St. Edward's, Austin, and St. Francis, Ft. Wayne.

Dec. 1 marks the date of the Hanover tilt.

KNIGHTS (l-r): Coach Reynolds, Maury Bubb, Larry Brodnik, Tom Clark, George Greencser, Bill Kocher, Jean Ancelet, Joe Bittlemeyer, Larry Schmalz, Jim Chase, Bernie Schneider, Chuck Smith, and Major Schnieders, mgr.

Varsity Talent Profiles Point to Bench Strength

by Major Schnieders

Can the basketball team improve on last year's 10 win 13 loss season? This is the question and challenge that stands before the 1965-1966 basketball team. So far this year, the practices have been spirited and encouraging, with the 12 veterans and 10 freshmen still working out.

Injuries, which plagued the team late last season, have kept

coming. Bernie Schneider, Maury Bubb, Jean Ancelet and freshman Dee Murray have all been under ice and heat with sprained ankles. Jim Chase rested two weeks with a back injury. Barring more injuries, the team promises to be one of the best yet at Marian. This year's team has height, depth, shooting, ball handling and spirit. With a few breaks, the future will be rosy.

Veteran Players

Jim Chase—A 6-2 senior forward from Indianapolis Washington. This year's team captain holds the Marian all-time rebounding record. This team leader is respected for his unselfish play. He has excellent moves toward the basket and jumps as well as anyone around.

Maury Bubb—A 6-1 senior from Central Catholic, Fort Wayne, Ind. This two-time letter winner made All Diocese and All City Honorable mention. An excellent ball handler, he will play guard again this year. He also can move to the front court if called upon.

Bernie Schneider—A 6-0 senior from Evansville Rex Mundi. A guard, he is fine from anywhere on the floor. He has led the club in free throw accuracy for the past two years.

George Gerencser—This 5-11 senior guard returns to the hardwood after missing last season with a broken leg. A starter on the '63-'64 quintet, he is known for his outstanding defensive play and fine one-hand shot.

Chuck Smith—A 6-4 sophomore hailing from Cardinal Newman H. S., W. Palm Beach, Fla. He won three letters and was named to the All-Conference first team, in addition to berths on the Christmas and League Tourney All-Star teams. Chuck is a forward.

Larry Brodnik—A 6-0 sophomore from Indianapolis Cathedral where he won two letters and was named to the Sectional team. He is returning as a starting guard where he excelled with an all-around floor play.

Larry Schmalz—A 6-0 sophomore from Sacred Heart in Indianapolis. He is a fine playmaker with an outstanding fall away jump shot.

Joe Bittlemeyer—This 6-6 sophomore from Sacred Heart found a home at the center position last season. He shows a fine touch for a big man. A solid rebounder he will be a tough man to remove from the starting five.

Jean Ancelet—A 6-0 sophomore starter at Sacred Heart. He is quick, and able to play both forward and guard.

Bill Kocher—A 6-6 sophomore from Harrison, Ohio, spent last year on the sidelines with a broken collar bone suffered prior to the season opener. Much is expected from him this season.

Tom Clark—A 6-4 junior from Indianapolis. He graduated from Broad Ripple and was a starter for the Purdue Freshmen five. A fine rebounder, he is working at one of the forward slots.

Dan McCoy—A 6-1 sophomore from Indianapolis who spent one year at St. Meinrad College. He graduated from the Latin School. He can play either guard or forward.

Freshmen 1965-1966 Roster

Craig, Dave	Indianapolis, Ind.	6-4	170	C
Graves, Dave	New Point, Ind.	6-1	175	G

Frosh B-Ballers Show Potential, Excellent Spirit

by Shea Smith

An innovation has been made this year in the Marian College Athletic Program: a frosh basketball team with its own schedule.

The team presents a temporary starting lineup that averages 6'4" in height.

By beating Porter College 68-28 Nov. 9, the boys displayed the laurels that were awarded them in high school. Dee Murray, Jim Rose and Mike Weidemier gained recognition as All-City choices. Rose also attained an honorable mention on Detroit's All-State team. Jim Gumber was an All-Area choice, while Graves was named both an All-County and All-Sectional selection. John Hendricks played for the Columbus team that reached the Semi-Finals of the Indiana State Tourney. Dave Craig received the silver award for ability and attitude from Pike High School.

Nutty Nine Clinch Intramural Crown

by Ed Ottensmeyer

A monumental event in Marian's sports saga: a frosh football team, the Nutty Nine plus Jeff, has clinched at least a tie for the championship.

Sunday, Nov. 14, witnessed their 21-20 victory over a tough 68 plus Tax team with Dick Schuck bagging 3 TD's in this "clutch" game.

"Grudge match" was Manuahs Mixers over the Best 20-6, as Pat Harper took all three Manuah TD's.

The McCoys barely salvaged a 2-0 victory over 1969'ers. In the final game, the second place Carpetbaggers kept their faint hopes flickering by downing U.N.C.L.E. 20-6.

Standings are: Nutty Nine 6-0-0; Carpetbaggers 4-1-1; The Best 3-2-0; 68 plus Tax 3-2-0; Manuah Mixers 2-2-1; Umgawas 2-2-1; McCoys 1-2-2; 1969'ers 0-4-1; U.N.C.L.E. 0-6-0.

Runners Gain Valued Minutes

by George Hynek

Marian's rugged cross-countryers have completed their first official season under the guidance of novice coach Larry Bridges.

The men who stayed out for the entire season are as follows: Raymond Byer, David Ellsworth, Daniel Gonzalez, Marty Liddy, Mike Mealy, John O'Kane, and George Hynek.

The team had successes and some failures. On the whole, however, members of the team were encouraged by their own and by their new coach's performance. The team holds a great deal of respect for coach Bridges.

George Hynek now holds Marian's cross-country record of 23 minutes, 23 seconds for a distance of 4 miles.

Spotlight on Sports

by Chris Sweeney

Hello sports fans! Things are lookin' good for the b-ball team.

Four seniors are back to lead the Knights this year. Senior Jim Chase, team-captain, is better than ever and has used his human springs (legs) to the team's advantage. Practice sessions have shown a promising outlook for this season. Guard Bernie Schneider, through the use of his lightning-fast speed and his fakier-than-thou passes, has proven himself to be a real asset to the Knights. Guard George Gerencser is Marian's answer to Dead-eye Pete. Finally Maury Bubb, plagued with a foot injury at the beginning of last year's season, is back and proving himself to be a real sharpshooter.

Another important factor, which Coach Reynolds emphasizes, is the team's defense.

One final note on the Cross-Country team. Good Luck next year and thanks deeply for your efforts this season.

Well you feminine beauties, the In Crowd has captured the wom-

en's Intramural Volleyball Championship. They didn't lose one game during regular season play and closed the season by walloping the varsity team two out of three games. It may be well to note that the In Crowd is composed mainly of freshman players. This adds a really promising note to next spring's varsity volley ball team.

As for now, good-bye, ladies and gentlemen,—and all you ships at sea.
