At the Debate, it was impossible not to notice the extremely poor attendance at such an important and well-planned event.

Marian was very fortunate in being selected as the sight of this prestigious debate and the question remains "Why?". Why was attendance so low when the possibility of learning the issues facing the American citizens today were so prominent. Was it, perhaps, because of poor local publicity? It seems that a much

larger crowd should have been in attendance, especially when three out of the four panel members were from the highest-circulating media agencies of Indianapolis including an editorial columnist from the Indianapolis News, the city editor from the Indianapolis Star, and a news reporter from WIBC.

This particular debate was one of 40 being held around the country between the two political leaders and the only one of its kind held in the State of Indiana. Again, where were all the people?

BEAT ST. FRANCIS!!**

## HOMECOMING WEEK

Homecoming- a week we will never forget. I'm sure we will agree that it started off with a bang at the "All School Party," Friday night at the Eagle's Hideaway. It was definately a (k)night to remember; or can we all really remember?

Saturday night brought us a variety of talent from all corners of campus, with the Variety Show, of course. The night was filled with song and dance of all kinds. To finish of the evening with a touch of class, Laura Burkhart was crowned Queen of Homecoming 1984. We would like to congratulate all the girls who were a part of the Homecomig Court.

Monday began a week of competition between all M.C. classes. In each field of competition, points were awarded to the class that showed the most school spirit. It was a close race between all classes. Check by the Clare Hall calendar to see the final scores, and find out which class has the most school spirit.

Homecoming week will come to a close Saturday. The Homecoming game will be held in the Physical Education Center. Our very own Marian Knights will compete against St. Francis, with the Junior Varsity playing at 12:00 p.m., and the Varsity playing at 2:00 p.m. Go to the game and cheer our team on to victory.

The Homecoming Dance will follow the game, Saturday night at the Holidome, north. This year's theme will be, "A Knight to Remember." To start the evening off, cocktails will be served at 6:00 p.m., followed by dinner at 7:00, and the dance at 8:00 p.m.. Get your dates everybody, and let's make this "A Knight to Remember!!"

The dorms are kept at a hundred degrees year round.

Maintenance keeps campus in tip-top shape.

The food here is a gourmet's delight.

Classes are so interesting.

The dorms are always so quiet when you want to study.

The showers always have hot water.

Of the spacious dorm rooms.

Of fire drills in 40 degree weather.

There's always something exciting happening on campus.

Hello Sports Fans! This has been a great Homecoming week and it's all going to come to a climax tomorrow when Marian's Men's Basketball team meets St. Francis at 2:00. This year's opener should be as exciting as any other and we're looking forward to a super season. I asked Coach John Grimes, who is in his eighth year of coaching at Marian, to share his outlook on the season with us. He stated, "Our main objective for the season is to see that we become a very competent team and make it to the district playoffs. I feel that we have a very good opportunity to make it. I'm pleased with this team because they play very much as a unit. They are working together as a team in order to achieve their goals."

There is only one senior on the squad this year, Joe Rossworm, but he is injured and may not be able to play this season. Joe is a pretty good ball player and his ability and experience will be missed. Hopefully, though, Joe will be back before the season is over.

There is a Varsity and a Junior Varsity squad once again this year. Come on out tomorrow and cheer your Knights on!

The Women's Basketball team has been chosen and they are now anticipating the beginning of their season. Coach Audrey Satterblom is looking forward to this season. She says that the team is quick and will play a fast paced game. "The girls have a lot of ability and a lot of equality in ability so everyone will get in the games. I'm going to have a great bunch to work with. The upper classmen have established themselves on the team and a key to the teams success will be how well the seven freshmen adjust to the college level of play. The freshmen are working very hard and as long as everyone keeps their good attitudes will be very competitive."

This season should be really exciting. The fast-pace play will be fun to watch and hopefully everyone will get out to catch the action.

Intramurals are still going strong. This week has been a little hectic because of Homecoming, so Powder Puff Football has been delayed a week. Only one team has signed-up, so get your entrees in.

Flag Football is going great! The surprise team in the league is Less Filling with a 1-1 record. The Weekend Warriors are still undefeated as is Cruel Bondage, who is running over everyone. The new team in the league is Tro-Jenz. Furman's is inconsistent this year, winning one week, losing the next. This may have something to do with their night life. The Love Devils and 69's are still in the pack and the Blitz have a perfect record.

The competition looks strong and while the quality of play is high, the tempers are low. The officials this season are very good as always. This week is going to be rough. Because of the eight teams in the league, the games will be played Sunday, Monday and Wednesday, so get your cleats ready!

(Ed. note- What intelligent sister on campus thinks the football league is sexy? You'll never guess!)

## -Phonathon Volunteers: Thank You-

Alumni are asked to support their alma mater several times during the year, usually through a letter. The personal phone call from you really makes a difference. You send the spirit of Marian through those phone lines and bring the alum back on campus, even if only for a few minutes.

Nearly \$20,000 in pledges is proof of your effectiveness. Thank you for helping make the 1984 Alumni Phonathon a success!

## -Elective Alternatives-

When you are considering an elective, you might consider one in the Home Economics Department. Courses of interest that may serve as electives for non-Home Economics Majors next semester are:

- Analysis of Fashion Retailing
- Home Furnishings and Equipment
- Interior Design
- Meal Management

## -Psychodrama?-

What is Psychodrama? The Psychology Club is sponsoring an event on Wednesday, November 14 at 8:30 p.m. (in the Library Auditorium) that will give you the opportunity to find out.

Psychodrama allows a client to work out important self issues through role-playing techniques. So yes, it is a form of theater.

Since the client is role-playing, there is a greater freedom to express true feelings. It also allows the patient to resolve issues or unfinished business with other persons that may not be available. Sometimes the person role-playing may be asked to switch roles, and someone else will take the client's place. This forces the client to observe how others perceive his/her speech and body language.

It can be an extremely intense form of therapy, but that's okay since the client has the support of the therapist and other group members. Even the audience benefits, as they get caught up in the experience.

The performers are called the "Picture This" players, and most of them are staff members at Community Hospital. Their role-plays come from their own experiences in dealing with psychiatric patients. They formed their group in an effort to bring public awareness to the Mental Health Field.

\* notice to Psychology Club members, there will be a brief meeting at 8:00 p.m. in the room next to the Library Auditorium. PLEASE BE PROMPT!
