If there is a room problem in any of the student's rooms, they should contact their RA or the RD so the problem can be dealt with.

## DAYS OF OUR KNIGHT LIFE-----by Linda Kuper

This weekend tips off the beginning of the most exciting week of the school year...Homecoming week. Most of us here at Marian College have experienced the excitement of homecoming, but for the sake of all of the freshmen and new students as well as upperclassmen who have forgotten about it, here is a recap of the highlights of homecoming week.

This year the Variety Show will start off the celebration with student talent featuring soloists, dances, comedy acts, and the Spectrum Taylor Band. A new attraction at the Variety Show will be the crowning of the homecoming queen and the presentation of the court. Remember, this year the show will only be presented once so be sure not to miss it! On Sunday the intramural football teams will vie for the championship game. The game starts at 2:00 for the women and the men's game will follow that. Be sure to be there cheering on your favorite team. Later that day is the Freshman Class event of the "Olympics"--get involved and try to become the Marian College version of Eric Heiden or Dorothy Hamill! Also that day is a special (delicious) brunch in the cafe and the day will close with a bonfire down by the lake.

On Monday night "June Lockhart and a guest emcee will be the master of ceremonies for the annual "Miss Marvin U. Pageant". All of the beastly beauties will be competing for Miss Marvin U. The winner will be determined on lack of beauty, cluttsiness, and non-talent. From the looks of the competition, the judges will have a hard time picking the winner!

Tuesday at noon is the Little 500 bike race where you can see representatives from all classes zoom around a 5-mile course. Look out Bobbie Unser, here comes the Marian College racers!! Later that evening is the Junior Class event of "The Price is Right". Come on down to the show and you may find yourself a big winner!

Wednesday evening is an ice cream social sponsored by the sophomore class so be sure to come and fatten yourself up! Eat a lot too because you will not have an appetite during the "Class Feud" on Thursday night because the exciting event the senior class is sponsoring will keep you on the edge of your seat!

The big day will come next Saturday when the Basketball team plays Goshen at 2:00 p.m. in the big homecoming game. Although we are all confident the guys will win, be an athletic supporter by cheering them on at the game!

That evening is the Homecoming dinner and dance at the Essex Hotel. This will be an evening of fun times and romance, so be sure to get a date for this. Come on guys, don't be shy to ask those girls--they are probably dying to go with you!

Aside from all of the events, dress up days will be designated, each day containing a different dress code. Remember too, that each event gets points and the class with the most points wins the trophy for most spirit during homecoming week.

## KNIGHT LIFE (CONT)

Whether you are a participant in homecoming or in charge of an event, have a good time and remember, this week is your homecoming so enjoy it and show spirit for your alma mater! MARIAN COLLEGE--go knights!!!!!!

## IT'S SCHEDULING TIME AGAIN! by Christy Cousino

It's that time of the semester again, folks! Have you finished making out your schedule yet? Perhaps you're having trouble deciding on a last class to take. Let our recent survey of Marian alumni help! We asked them which courses they found most informative, stimulating, and useful on the job after graduation. Here are their top five choices:

TH1100- MARIAN MORALITY: A presentation of the morality of Marian College. Issues discussed include implications of skipping classes, the sinfulness of not reading the main bulletin board in Marian Hall, and the "why" of visitation hours.

HU1300,1310- LITERATURE, MUSIC AND ART IN THE COLD SPRING ROAD TRADITION: (or HUMANITIES ON 30th ST.): A consideration of the particular kind of knowledge which literature, art, and music at Marian College has to offer. A study of the truths and interpretation of human experience found in doodles on notebook covers, Chris Tuell and the band, and the diaries of lovesick Clare Hall residents.

PS1010- COMMUTER PSYCHOLOGY: A topical investigation of the behavioral processes of commuter students. Major topics: social relations with resident students, interpersonal communications at the vending machines, the psychopathology of Indianapolis, and Freud's analysis of behavioral disorders on the freeway.

HI1010,1020- CLARE/DOYLE HISTORY: Examination of the development and interactions of resident students from the origin of dormitory societies until the present age. Answers such pertinent questions as why Clare Hall was picked as the sight for the cafe and why the north wing of Doyle is separated from the main and east wings.

MU1070- STEREO APPRECIATION: Study of the elements and principles of music necessary to intelligently crank up the dial for aesthetic appreciation. Includes a study of speakers, headphones, turntables, record clubs, tapeplayers, and angry roommates trying to study.

HAPPY SCHEDULING!!

### PLANNING TO GET MARRIED IN THE NOT-TOO-DISTANT FUTURE???

If so, then plan to attend a Tobit Weekend for couples. It is a time to think seriously about the many aspects of marriage. It is very different from Pre-Cana conferences. The weekends are held at Alverna Retreat House, Indy, and are open to persons regardless of their religious denominations. There is limited space, so make your reservations early, 257-7338. 1982 weekends are Jan. 22-24, Feb. 12-14, Mar. 19-21, Apr. 23-25, May 7-9, or May 21-23.

\*\*\*\*\*

### HOMEcoming DANCE TICKETS

Tickets are still available for the HOMEcoming dance. They will be sold on Monday, Wednesday, and Thursday of next week in front of the Marian Hall auditorium. The cost is \$22.50 per couple.

# Photography Club Exhibit-----

ALL PHOTOGRAPHS must be of or pertaining to Marian College Campus or Marian College Activities. Pictures should be submitted as prints or slides and must be submitted to Dr. Appleby or Jim Miller by November 27, 1981. The photos for the exhibit will be selected by a panel of four or five judges, and then the selected photos will be sent in for processing. All persons of the Marian College Community, including faculty, are eligible to participate.

## CAMPAIGN FOR HUMAN DEVELOPMENT

"If you want peace, work for justice" is the theme for this year's Campaign for Human Development. The campaign is designed to "deepen our understanding of the connection between justice and peace--between the political and economic policies of our own nation and the social effects of these policies in other countries, especially those of the Third World."

You can help! On November 24, you can assist this group by participating in a Hunger Meal. That's right--you go hungry for a short while and share in the sufferings of many brothers and sisters throughout the world. The money saved by your eating only soup and a beverage will be sent to Campaign for Human Development. Watch next week's CARBON for more details.

Why not share in yet another Meal? Celebrate the Eucharist at a special Thanksgiving Mass for the Marian College community on Nov. 24 at 11:30. Mark your calendar: November 24!

## ATTENTION EVERYBODY!

Doyle Hall Council is sponsoring Doyle Hall Night, tonight after the movie. It will be in the Knights Cove from 10-12. There will be refreshments served. Bring your favorite dance albums. Come down & celebrate!

## SWIMMERS AND NON-SWIMMERS.....

There is still room for you if you're interested in free beginning-intermediate swim lessons here at Marian. The class begins this Monday, and will follow through for 3 weeks--10 sessions: Nov. 16th thru Dec. 3rd--meeting Mondays thru Thursdays--4-5 p.m. If interested, please contact Sr. Debbie Weber (283-6868). Sponsored by American Red Cross.

The Marian College Chapter of the American Chemical Society - Student Affiliate will have a guest speaker- John Klemen '76, on Thursday, November 19, at noon in room 355, Marian Hall.
