BACK PARENTS DAY

Don't forget Paren's Day, that day set aside for acquainting our parents with Marian College. Invitations have been sent out, but a little prodding by anxious offspring will insure a greater turn-out and a successful day.

Mass, followed by a smorgasboard luncheon will open the day, and after some fine entertainment supplied by the Players, the Mellotones and the Vibratones, there will be open house at Clare Hall.

So why don't you personally second the Student Board's invitation by bringing your parents Sunday, Oct. 23, and help make this the finest Parent's Day yet?

VOLUNTEERS WANTED

Volunteer workers are needed by the Red Cross Chapter House, 1126 N. Meridian, to help fill Christmas boxes to be sent to Chile. Help will be appreciated any time today and tonight, and Saturday morning. All interested, please contact Sister Adelaide or go directly to the Chapter House.

STUDENT BOARD

The Student Board invites all interested students to be present at 4:30 pm next Wed in the Student Board room when the Budget Committee will discuss this school year's budget and how your activities money will be spent.

Journalism withers and dies at Marian. In our opinion, the trouble lies in the reluctance of America's youth to speak their minds in public. What do you think?

WATER BALLET GROUP

As part of the intramural swimming program this year, a synchronized swimming (water ballet) group is to be organized. All students interested, please contact Janet Weyer or Ann Stegman by October 16.

INTRAMURAL VOLLEYBALL

Intramural volleyball for the girls is being held every Monday and Wednesday nights at 7:00 pm. The varsity team will be picked from these girls and will play their first game October 27. Anyone who is still interested should come to the gym on the days mentioned.

Letter recieved from one of our most avid readers:

"I offer my thanks and most heartfelt condolences to Art Ditmar."

Question Posed to Our Readers

Why is it so extremely difficult to find among Marian's 650 students a few persons willing to give only a few hours of their week in helping to publish the school paper, PHOENIX? At first glance, one might think that there is a paucity of English majors. But figures which show that almost half of our students are either English majors or minors, prove this to be untrue. It is truly a shame that our students will stand idly by while

/ Gridiron Results

The Marian gridiron was chock full with thrills, chills, and surprises last Sunday as the students are coming out in droves to see the top-flight competition each week. The biggest surprise was the 28 - 6 trouncing that the Rams gave the Vets. The Vets were totally perplexed by the broken-field running of Jim Watkins, of the Rams who scored three touchdowns, to lead the league in scoring with 18 points.

In the second game the Chemists tied the Colts in a thriller 13 - 13. The Colts led 13-7 on touchdown passes to Packy Cunningham and Paul Page. Then the Chemists came roaring back on a long pass from Dick Phillips to Mike Werner in the end zone for the 13-all tie. The up and coming Chemists could be a team to watch.

The Cards, in the final game, squeezed past the Bears 7 - 6. The Bears scored first on a fantabulous 55 yard pass in the air from Nick (The Arm) McGill to Dan O'Brien. The p.a.t. was missed, making the score 6 - 0 , Bears. In the second half, quarterback Don Beck heaved a bullet pass to Mike Hearden to tie up the ball game. Then Beck flipped a quick pass to Ron Bailly in the end zone for the winning point.
