Quote...

"Every man hath in his own life sins enough, in his own mind trouble enough, in his own fortune evils enough and in performance of his offices failings more than enough to entertain his own inquiry: so that curiosity after the affairs of others cannot be without envy and an evil mind."

--Jeremy Taylor

Another quote...

"Anyone can be angry--that is easy, but to be angry with the right person, to the right degree, at the right time, for the right purpose, and in the right way---this is not easy."

WHAT'S HAPPENING IN M.A.T.???????

NOTHING.

"Ambition, a proud covetousness, or a dry thirst of honor, a
great torture of the mind, composed of envy, pride, and covet-
ousness, a gallant madness, one defines it as a pleasant poison."

LEARNING...

"Wear your learning like your watch, in a private pocket; and do not
pull it out and strike it, merely to show that you have one. If you are
asked what time it is, tell it; but do not proclaim it hourly and unasked,
like the watchman."
