DEAR EDITOR (what a day it's been!)

GET WITH IT

I realize that the reason for locking Doyle Hall's doors is well founded after last year's experiences with theft. Even though all the doors being locked after midnite, save one, is an inconvenience to me personally, I think that this action is warranted. But I do feel that the doors should be unlocked the next day.

Today at 11:15 am the doors were still locked, so all returning from breakfast or classes could not use the front entrances. This inconvenience has no good reason. It is nothing but inefficiency and irresponsibility. Whoever has the responsibility, GET WITH IT.

Members of the Student Services and Academic Affairs Committees appointed last

To The Editor:

I would like to take this opportunity to comment on the new Student Publication Board. As you are well aware, last year a proposed board was discussed by Student Board and Student Services Committee. Although there is still work to be done on the board it was permitted by Student Service's Committee to function in a somewhat limited form so that publications could begin again after a disastrous year. This year publications are in full swing, and I believe it is due to a large extent in the operation of the Pub Board. A spirit of confidence in the editors can be denoted. Coupled with this is a spirit of co-operation among editors. Student Board and Dean of Student Services. I applaud this spirit. I also wish to state that it is my hope that when work begins to finalize the Pub Board structure, function, responsibility, and jurisdiction, little will be deleted. If any changes are to be made, I hope they are for fuller student responsibility of publications. Although I have few examples to justify my hopes and faith in the Board members other than myself, I cannot deny the responsibility, honesty, and dedication I believe are in my fellow workers in student publications.

John Costerisan,  
Co-Editor of Phoenix

Dear Editor:

I want to write in objection to your last issue's Hiss concerning Gordon Reeve's Porno Pen. My intent is to defend Mr. Reeves' right to possess his now notorious pen in the confidence of the astronomical number of persons he has shared its content with. A man's filth is his own business. The constitution in the specific amendment of the first, freedom of the press, second right to bear arms (breast, thigh, etc.), fourth right to search and seizure, and fifth right of private property not to be taken for public use are explicit. These then guarantee this dirty old man the right to purchase, possess, and expose this pen at his own pleasure. This is not a matter to be taken lightly, except when holding the pen up to a bulb for a better view. Many will disagree, but I feel its' gravity is comparable to the right of Jack O'Hara to possess a copy of the Ecstasy of St. Theresa. With purpose presented and what I feel adequately defended, I hope expose of this sort will be carefully censored-edited in the future.

year should be present at this meeting, if they wish to be appointed as representative to the Board. Any day students who would like to be the day student representative should also attend. (Patty Donahue, last years elected day student representative, was unable to return to school this year). All student board meetings are open, and all interested students are invited to attend. Freshmen who may be interested in being their class representative are especially invited to come to see what is involved.

Carbon Applaudes:

- Wordless yearbook
- Parking tickets
- Sharing an office with the Phoenix
- Work-study assignments
- Jocks in the Waffle House after 11:30
- Donny Osmond "Go Away Little Boys"

Notice

Anyone wishing to submit articles or letters to the Carbon may submit them personally to Chris Wood or Ed McCord, put them in the Carbon mailbox in Student Services office, or slip them under the door of the Phoenix/Carbon Office (the last room up stairs in the Sac building).

We are looking for more people interested in typing for the Carbon to give the "Cowgirl in the Sand" a break once and awhile. Any help will be appreciated.

### Notes From The Real World

The Carbon staff has noticed the general lack of interest by students of the city around them. Granted, Indianapolis is not Mecca or Hammond, but it can prove interesting if you give it a chance.

The Indianapolis Area Draft G.I. Center should be a paramount interest for most draft-age males. The people working in conjunction with the project are highly competent and willing to go out of their way to work out any problems you may have. The address is 1505 N. Delaware and the phone is 636-2168. You can beat it.

The Indiana Welfare Rights Office needs help! They need people to go door to door advising people on their welfare rights. If you are interested, call 637-8576 or 637-4846 and ask for Mary or Ora.

On the cultural (?) side of town we can start with Virgil Fox and his super heavy organ along with Pablo's Lights at Clowes hall tomorrow night at 8:30. He last performed at the Fillmore East, so get a little wrecked and go see him.

As for the liberal lairs of licentious libation we suggest the Red Carpet, Georgetown Lounge, Betty K's, Lums (if your a jock), the Famous Door, and Stouffer's Grog Shop, where entertainment behind the bar is second only to Jack

### Voter Registration

Despite the uncertainty in some cities over student registration, Indianapolis officials are registering students from the city colleges. This means that any Marian student, even dorm students, may register here by claiming Indianapolis as their place of residence.

In order to vote in the upcoming city election you must register by Oct. 4. If you didn't yet get a chance to register at the tables set up here during the first days of the school year, you may still do so at the City-County Building at 200 E. Washington. See the County Clerk. The office hours are 8:00 A.M. - 11:00 P.M., Monday thru Saturday. If you go in the evening use the Market St. entrance. It doesn't take long. For more information call the County Clerk 633-3429. If you need a way down and have exhausted all other possibilities call Ext. 322.

A note of warning: there are laws against (cont. in next column)

registering to vote in two places. Don't be naive and think they won't attempt to set up some check system to insure against students trying to vote in their college towns and their old home towns.

# WOMEN LIBERATION UNITE FOR

PPA

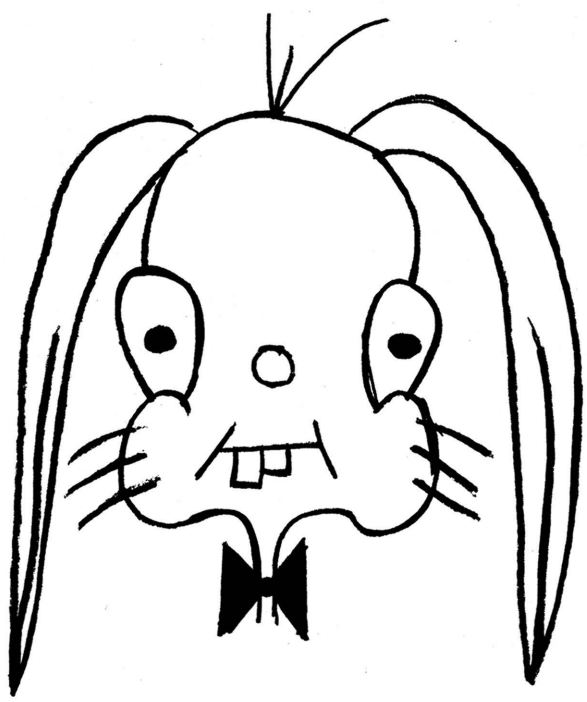

Why put yourself in such a position? No one understands the pains or anxiety of the unwed mother. The unwed mother is not the only one who suffers. Consider the man forced into marriage. Perhaps the one who suffers the most is the unwanted child. Who knows? The pain is relevent to each of the parties concerned.

The problem exist, and you and I know it. I'm not giving my opinion on contraceptives one way or another, but I wish to make the service known to all. There is no need for such unhappiness. The majority of women who frequent the PPA are single so don't let "social stigmatism" that causes embarrassment keep you from attending. The clinic gives paps and pelvic examination, tests for pregnancy and VD, and examination concerning the different methods of contraception. The clinic is free, and is located at 615 N. Alabama St., Rm. 331.

Clinic hours:

- Mon.- 9 a.m.-10 a.m.  
5:30 p.m.-7:30 p.m.
- Wed.- 10:30 a.m.-11:30 a.m.

# Sports :

The CARBON is happy to introduce to our reading public our new sports writer, Steve Hammerle. An all-around athlete, he is known in the sports world as "Fat Steve", (though participation in Cross Country may make him "Slim Steve"). We are confident he will report the news factually and without bias.

## CROSS COUNTRY AND BACK

The local cross country harriers open their 1971 campaign today at Terre Haute with a meet against Rose-Hulman. The squad is at full strength with the addition of seven outstanding junior athletes. The local lads meet Huntington, Tuesday at 4. Coach Reynolds must expect this to be one of the finest bunch of runners Marian has seen since the previous season. Members include Dan Puckett, Ric Foxen, Tom McIlwee, Greg Pawlik, Mike Mills, Dean Morgan, Mike Pacheco, Pat Murphy, Steve Buffington and Steve Hammerle.

## FOOTBALL FORESIGHT

The 1971 Intramural Football season opens this Sunday at 12 with a battle between two perennial powers, the School Champion Gods of Hellfire and the Cellar Bowl Champion Intramural (speller) Football Team. The Gods are relying on a rebuilt offense, but still have an adequate defense with fair size and a hard-hitting middle linebacker in stocky John Jones. The much feared IMFT features a tenacious defense and a surprising offense paced by scrambling Tim Ellinger. We'll go out on a limb and pick the Gods. At 1, the NADS will play WAR. Even though WAR is hell, we'll pick the NADS because of the versatility of such standouts as Paul Jarboe and John Bovard. 2 o'clock sees The Wild Bunch meet The Third Floor Hot Nuts. The Bunch being a veteran squad, they will crunch their rookie opposition...but good. The closest game of day could be The Ndugos vs. The Vice Lords. These teams will play with anyone in their league...The Wild Bunch excluded. We'll take the Lords on their gridiron experience. So sports fans, until next week this is the old left-hander rounding third and heading for home--

## WALT'S WRESTLING WORLD

This upcoming Saturday night, September 25, 1971, will see some real action in the sport of Professional Wrestling at the Indpls. Coliseum. The card will include four preliminary matches plus two big main events. The first main event: "Golden Boy" Paul Christy and Wilbur Snyder (World Heavyweight Tag-Team Champions) defend their title against the two top-ranking number one contenders - "Black Jack" Mulligan and Count Baron von Raschke.

The second main event involves a twelve man Battle Royal: there will be twelve wrestlers in the ring at the same time. The goal is to throw over the top rope as many of your opponents as you can before you get thrown out. The last man in the ring will be presented a check for \$10,000 as first and only prize. Not bad for a night's work considering that the average weight of the wrestlers is 265 pounds and the drop from the top rope to the floor is at least 15 feet! Here is a list of the contestants: Mitsu Arakawa, Yukon Moose Cholak, Paul Christy, Kenny Dillinger, Rodeo Jones, Johnny Kace, Doctor Big Bill Miller, Black Jack Mulligan, Bill Nixon, The Professor, Count Baron von Raschke, and Wilbur Snyder.

Yours in Wrestling,  
Walt
