TO ALL YOU SUFFERERS OF HAY FEVER -- BEWARE!

For the next couple of Saturday nights, you'd better find a good book to read or a show to see. To the rest of the Student Body, we would like to remind you that there are two hayrides coming up. Tomorrow, the M-Club is sponsoring their hayride for the nominal fee of 75 cents. It's a date affair and with the beautiful evenings we've been having, it should be well attended, so get your money in now.

May 10th is the date chosen by the Sophs for the last all-school affair - another hayride. The price is 85 cents and this includes the food for everyone. Also, this is a "stag or drag" affair and the rumor is out that there are quite a number planning to stag it for a change.

IT'S A FACT!

23 days 'til the end of school.

15 class days left before final exams begin!

The Junior Prom is two weeks away.

The Residents made \$70 on their dance, and they would like to thank those who helped make it a success.

Rumor has it that there is a certain bee-raising Geography teacher on campus who doesn't know the difference between a tree and a telephone pole. For details, see Fr. Frazee!

VOTE NOW - DON'T GRIPE LATER!!

Today is the day we vote for Student Board Vice-President and also the treasurer. Campaigning seems to have come into its own this year and the elections are drawing more attention than ever before. Another new idea is two candidates, with the same views on certain issues, running together.

Before you vote, be sure of your choice. You have the right and the opportunity to question the candidates personally. Find out their ideas before you vote. Once the ballots are counted, it's too late to be sorry. Vote now - don't gripe later.

If your car is still covered with last winters dirt, don't wash it; the Seniors will clean it up for you. In the very near future they will get started, and if they do as nice a job as last year, their deal can't be beat. Listen to what one satisfied customer has to say.

Mr. John Rail - Junior

"They did such a good job on my car three years ago, I haven't washed it since."
