"A LOUNGE BY ANY OTHER NAME WOULD. . . "

There are still a few hours to enter and to win that ten dollars in our "Name the Lounge" contest. Turn in your suggestions today. Just to show that this contest is run just like all other big giveaways, the time limit is 12:00 midnight. Turn entries in to the Carbon editors or leave them in the Snack Bar. If this is not convenient you can also put them in Box 216 in the Resident Students Mail Room. But time is limited and ten dollars is just too much to pass up, so write down those ideas now.

For the benefit of those who cannot make the early masses, 6:20 and 7:00 there will be Mass at 11:30 every day. If for some reason there cannot be Mass on any day, Communion will be distributed at that time. The new fasting regulations make it pretty easy to attend the sacrament more frequently, and this is in line with the Church's new ruling.

Every Sunday the water polo team is planning to meet teams from nearby colleges. Next Sunday they will meet the I.U. Med Center team there at 12:00. Future games will be played against De Pauw, Ball State and the I.A.C.

The Girls' Badminton tournament begins next week. Those planning to enter should sign up in the gym by Thursday.

They say "No news is good news" and if that's true we're going to have a truly terrific baseball team this year. How about letting us have some info about the team's plans?

There is one thing that can be said about ignorance - it causes a lot of interesting arguments.

TIMBERRRRRR! And one more tree is gone. We know it's necessary but it seems like a lot of campus beauty will be going away with those trees that are being taken down.

ARE YOU RED-BLOODED AND GENEROUS?

If so then the Red Cross would like you to know that there will be a special day for blood donors at the second floor of the Terminal Building on Wednesday April 10 from 9 until 4. Make arrangements with Carol Borton or Sister Adelaide. If this time is not convenient for you see them about scheduling another time.

Are you interested in successful student government? Do you want people who represent you and your ideas? Then don't hold back, present your nominations for the four board officers for 1957-1958 before Wednesday, April 10. The four officers are the executive committee of the board and serve the school in many important ways. It is important to choose the best qualified people. The Presidency of course has specific requirements which only a few people can fill, but the other three offices are less difficult to qualify for. The Constitution states that of the four officers 2 must be women and 2 men. So pick out those who have leadership ability and submit them to the Board who will act as a nominating committee.
