

Student Board:

The results of the last meeting, held on March 6, are as follows:

1. Money has been appropriated for painting of the Men's Lounge.
2. A 50¢ coin changer should soon be installed in the Mixed Lounge.
3. In progress, construction of a Nativity Scene for next Christmas. The Vets Club and Lucy Kato are working on the project.
4. The Board is also looking into the possibility of moving the flagpole from in front of the library to the front of Clare Hall. Anybody know where we can get a flag?

Another Lenten Poem by that New Aesthetic Poet - Mike Hughes:

One week gone
Four more to go
Keep those vows
Don't be slow

Go to church
And hit that rail
Into God's grace
You're sure to sail

Lent's the time
For sacrifice
Give up pool
Let's be nice

Eat that fish
Forget those snacks
You may burn
If you are lax

Don't give up
You can win
Sainthood is close
If you don't sin.

Faculty - Finks Game

Students and faculty will meet in a legitimate clash on the hardwood this Sunday night. The faculty team will be vying against the Intramural stars - The Finks. Representing the faculty will be:

Robert (I love me) Moran
Fr. (I hate the Confraternity Ed.) Smith
Fr. (Clergy with the fringe on top) Kahle
Walt (Ulcer) Fields
Father John Elford and his brother
Father George Elford.

Mary Southwick, Ruth Morgan and Dianne Lenarz will be leading the cheering for the Finks. Representing the Faculty on the cheering squad will be Carolyn (Ferguson) Koch, Carolyn Emge, and Donna Tatroe. The faculty cheer leaders wish to state that their cheering duty does not necessarily reflect their loyalties.

Predictions on the outcome of the game are varied. Bonnie Johnson feels that the faculty will be slowed down considerably by their heart condition. Robert Moran said: "Our strength is that of ten because our hearts are pure." The results are anybody's guess, so come and see for yourself. Tickets are 25¢.

Whoops! we almost forgot-the Finks are represented by: J. Pierle, S. Noone, B. Drew, D. Gruner, L. Clouser, R. Strange, M. Heardon-Coach, and T. Turner-Publicity.

Maids Finish Winning Season

Monday evening the Marian Maids finished their season with an exciting victory over the St. Vincent Nurses 44-40. The game was beautifully played with everyone hitting-even the guards made their free throws. The team says that they were playing "just for fun" and they seemed to enjoy all 44 points. Congratulations to the Maids and to Mrs. Clark for a fine season.

APPLICATIONS FOR THE TEACHER EDUCATION PROGRAM

The Committee on Teacher Education requests students who wish to prepare for teaching in the elementary or secondary schools to apply for admission to the Teacher Education Program. Application forms may be obtained from Sister Mary Giles in Room 201 during the whole of next week. A new admission policy has been adopted by the Committee which places the time for making application in the spring of the sophomore year for the elementary preparation program as well as for the secondary. Freshmen, however, should become familiar with the requirements of the Teacher Education Program. Information sheets will be available to all who wish to learn about Marian's Teacher Education Program. (These may be obtained next week from the table outside Room 201.) Two or three meetings will be held during the week to explain and discuss the Program with interested students. (See bulletin board for times.)

Sophomores who made application last year as freshmen are requested to fill out the new application form even though the Committee has the application from last year. The members of the Committee will interview the students sometime in April before Easter. (Again, please check the bulletin board for times.) Before pre-registration time in May, each student will be notified of the decision of the Committee regarding acceptance on the Teacher Education Program.

The YCS is having an evening of reflection Sunday March 10. In keeping with the spirit of Lent we suggest that you all try and make it.

We guess that in the space remaining, we can tell you this great new joke we heard. It's really hilarious! It seems that there was this traveling salesman, and... SHUCKS! We're out of room!
