

THE

CARBON

March 20, 1957

Still Time to Enter and Time TO WIN!

You have until March 27 to turn in your entries for the NAME THE LOUNGE contest. The first (and only) prize is ten dollars for the name selected to be the permanent name of the lounge. The rules are simple:

1. Any Marian student is eligible to enter.*
2. Originality counts; appropriateness to college is also very important.
3. Entries should be neatly written or typed giving a reason for choice of name.
4. Decision of judges is final. They are:

Miss Haugh
Mr. Sahm
Jeanne Parker
George Herendeen

*(Except of course Carbon editors and student judges)

Entries may be turned in to the Carbon editors or placed in a box in the Percolator. Do not turn them in to any of the judges.

WOMEN MARINES RECRUITING

Colonel Atkins of the Marine Officer Corps will be available for information on women's Reserve Officer Training Program, Wednesday, March 20, at noon in the Clare Hall Assembly Room.

Confidence is the feeling a person has before he knows better.

"FASHIONS ON THE GO" by Vogue

Fashions by Vogue will be presented in a program called "Fashions on the Go" by Miss Marilyn Ott, a representative of the Vogue Pattern Service. 18 of our own dolls will be the models. The time is Monday evening, March 25, at 8:00 in the auditorium. Free to all.

Built on a travel theme emphasis will be on outfits that will be suitable for many occasion, and that can stand a lot of wear with minimum care.

Excerpts from the Student Board Meeting on 3-6-57

The Board discussed the problem of removing a telephone pole that is obstructing the entrance to the middle parking lot. No definite action was taken but the problem is still being worked on.

The Board voted 10.00 be allowed the Carbon to run a Name the Lounge contest.

It was decided to purchase more furniture for the mixed (ugh!) lounge. Also it was voted to purchase two radios for the men's and women's lounges.

We received numerous compliments on last week's special edition of the Carbon. Seems as if the subject matter was especially popular. But we heard that the history department found some of our remarks remarkably enlightening. Erin Go Bragh!

The last issue of the Phoenix carried with it a slight misprint in citing the basketball statistics of the season. The staff of the Phoenix would like to apologize even though it wasn't their error. (The printer got flustered at all those numbers.) Here are the correct statistics:

(P.S. After typing this, we can understand why the printer got flustered.)

"Warzel-Flummery"

Come to the assembly this Thursday at 10:30 and learn to pronounce this word. Actually it is the title of a one-act play the drama department is taking to a festival at St. Mary's, Notre Dame. Directed by Sister Mary Jane, the production stars Larry Hammerstein, Marilyn Beck, Marguerite Branday, Jerry Matheny, Dan Dufour, and Anne Diener. The Thursday morning showing is for you so that you can know what your school is doing.

Other groups participating in the festival are St. Mary of the Woods, St. Mary's, Notre Dame, St. Joseph's, and three theater guilds from Whiting, Evansville and Indianapolis.

This Sunday the Marian swimmers will play against the I.U. Med Center water polo team at 12:00 there. All guys are invited to join the group. This sport does not have any eligibility requirements and they need more players. Only one guarantee is that you won't drown. (No, you don't need your own sea-horse to play!)

Some people are like mummies, all wrapped up in themselves.

Meetings, Meetings and more Meetings:

The student board will meet today at 4:30 in the student board room.

There will be a meeting of S.A.M. 2:30 p.m. Dunday afternoon at the I.U. Med Center. They have a guest speaker.

The International Affairs Club will hold their regular meeting 7:30 Tuesday night, March 26, in the Clare Hall Assembly Room. Everyone who is interested in this type of discussion is invited to come, particularly underclassmen.

The ACS-SA wishes to announce that they will have a guest speaker from the Eli Lilly Co., Dr. Komfeld, Sunday, March 24, at 2:30 p.m. Everyone is welcome. Topic: Anti-biotics

The regular meeting of ACS-SA will be held Tuesday, March 26, at 12:00. Please read the article, "Syndets and Detergents" in the Chem Engineering News.

The M-Club had a meeting and decided to put on a production for benefit of the entire student body. Get set to laugh, gang.
