

# Career Curriculum & Badging

## Using Canvas

### FYS & HWB

#### Get Started

**M1 & M2:** Learn about The Exchange & CORE, attend an appointment or office hours

#### Complete Assessments

**M3:** Complete 1 personality and 1 career assessment with a reflection in Canvas

#### Assess Your Skills:

**M4:** Learn about employability and transferable skills, as well as NACE competencies

### Careers Course in Curriculum

*(finish all courses w/ a B or higher)*

#### Research Careers & Employers

**M5:** Conduct career & employer research with a reflection and complete an informational interview

#### Get Your Documents in Order

**M6:** Get resume approved, create a cover and thank you letter, as well as a reference page

#### Prep for an Interview

**M7:** Prepare for interviews-virtual and in person, and complete a mock interview

#### Set Yourself Apart

**M8 & M9:** Create a robust LinkedIn account, take a professional headshot, and learn about workplace and dining etiquette

### Ongoing/Senior Seminar

#### Plan for Post Grad Success

**M10:** Learn about different post graduation paths, personal finance, and other adulting topics. Complete the First Destination Survey and conduct exit interview with The Exchange

#### Get Connected & Gain Experience

Attend career related events, join organizations, complete service and get connected to the working world. Participate in mission trips, study abroad, internships, gain leadership experience, and more!
