## CAMPUS QUEEN ELECTIONS THIS WEEK

Every year the campus votes for a senior girl who, in the opinion of the students, represents the spirit and ideals of Marian College. At a coronation ceremony followed by a musical the campus queen is formally acknowledged as queen. It is her privilege to express a message of farewell from the seniors to the college. Every senior girl is eligible for this honor. There are no nominating groups, only a direct vote from the students chooses the queen. Every student except the senior girls is eligible to vote for the senior that seems to represent best the spirit of Marian. The election for this year's queen will be held this Friday from 8:30 to 12:30 in the Reading Room. The Campus Crowning will be held on Sunday, May 26.

The election is run on a point system as follows: You will be allowed to vote for five girls. The girl you wish to be chosen queen should be designated by the number 5, the second choice 4 and so on. The girl receiving the highest number of points will be queen and the four runners-up will be in the court. Do not, repeat, do not, designate your first choice by the number 1. This will lessen the number of points your candidate will receive and will defeat your purpose.

To some this may not appear to be an important election because the student will not be in any way affecting the student government of the school, but the choice will be indicative of the students' feelings about Marian. You have your choice of 24 girls for this honor, the one who is queen should represent you.

Honors Assembly

Athletic Awards Dinner

Climaxing the year is the annual assembly giving recognition to students who have made some achievement of an academic nature. The list on the board gives us a group of students who have participated in various contests both here at school and on a national level. At this time too the eleven new board officers for 1957-1958 will be introduced to the college. Time: Thursday, May 16 at 10:30.

Also receiving awards on May 16 will be those students who have participated in varsity sports. Monograms will be awarded to members of the basketball, swimming and baseball teams and for cheerleading. Awards for the most valuable player will also be awarded that evening at the banquet. Tickets are \$2.00 and can still be purchased. Jerry Daley of the Public Service Company of Indiana will be the guest speaker.

CONGRATULATIONS . . . . .

ALOHA!

To all those who won trophies and prizes on Field Day.

To all those who took the "booby prizes" of sprained ankles and other injuries.

To all the new board, class and club officers. A successful year to all.

To QUEEN SARAH, who reigned over a most magnificent kingdom last Friday night. Also to her court.

To our list of "scholars" and athletes who will be honored today at the assembly and the banquet.

Gloomy thought of the week - Final exams are only six, count 'em, six class days away. Never thought you'd last this long? Well if you've fooled yourselves this long keep on pretending and you might make it.

Today at 1:30 Mr. Bill Martin, Jr. will give a talk on the art of storytelling. Mr. Martin is a representative of the Winston Book Company and will visit our campus only today. (No, he won't be giving any advice on new and original absence excuses.) Anyone who is interested is invited, meet in the Assembly Room.

Registration for the next semester will take place May 20 to 24. The list of courses is now posted on the board. Take a look, discuss your program with your counselor or the head of your department and then decide what to take. (Seniors, don't wish yourself bad luck on comps by checking the list ahead of time.)

Next week will be the last issue of the Carbon for this year, due to the fact that exam week does not offer much worth writing home or anyplace else about. Any words of wisdom that you may have that are important be sure that we have all such messages and announcements by Tuesday noon.

For only fifty cents you can capture the magic of Hawaii at the South Pacific mixer sponsored by the Seniors. This will be the last mixer of the present school year so we'd like to see everyone come. If the weather is a bit cooperative the dance will be held on the sands of the library parking lot with a breeze blowing over our own version of the South Pacific. Bob Sanders will spin the exotic music for an evening of dancing under the stars.

This is a casual affair, we're inviting you to wear your loudest sport shirt or gayest grass skirt.

Marian "Phone Zone"

The Indiana Bell Telephone Co. is giving a coke party in the faculty lounge Tuesday, May 21st from 2:30 until 4:00. Former Marian co-eds will be on hand to meet you and tell you about the service representative's job at Indiana Bell. For gals who are looking for permanent employment or would just like to learn more about job opportunities in general this is your chance right here on campus. Drop in, have a coke and chat awhile.

The parking problem would be easier to solve, if more people did it at home.
