EXPLANATION OF FINANCIAL AID

I know you are concerned by the low dollar amounts you have received in your estimated awards and I too am concerned. You may stop in my office if you want a work-down of your estimated scholarship and how it was figured. The state hopes to have your awards in the mail by the second week of June. Watch for them, also watch for television and newspaper coverage of the State monies for college students. I know that Channel 13 has already been contacted for TV time and other stations around the state.

Thanks for being concerned and stopping in the office to ask questions. It makes me feel good to know that you care and show your concern. Have a good summer. You will be hearing from us as soon as possible.

Sr. Rose Marie Butler

THANK YOU!!!!!!

THE END OF A DYNASTY!!!!!!

I AETA THI, the dynasty of intramural sports here at Marian College is about to come to an end. (It's about time, right Wild Bill?) The name was thought up by a group of Freshmen about seven years ago and it was at that moment that the tradition began.

I AETA THI has been nothing less than a dominant force in intramural football as they captured the championship the past seven years. THI basketball has been no less of a force either, as they took the title for four of the past five years. In their early years, THI teams participated in sports such as volleyball and softball where they too held the title of champions.

I AETA THI has always been known as "The Bad Guys", but I would like to point out to everyone that we are not the bad guys --- we are the winners!!!

The following are members of the I AETA THI tradition:

Name - YRS.

Jim Simmons-4	Vince McCann-4
Jeff Zidron-4	Mark Bateman-3
Dave Zapp-4	Bob Greer-3
Brian Macilwee-4	Jeff Ahaus-3
Joe Mastrodanato-3	Kevin Smith-2

FIELD DAY -- GREAT SUCCESS!!!!!!

Dear Booster Club (and everyone else involved in Field Day activities),

Let me commend you for whatever role you played in the success of Field Day 1981. Despite the less than perfect weather, the afternoon's activities were as exuberant as usual. (Bravo, FLS!!!!) and the evening's party was a tremendous example of how to have a good time in a responsible fashion. It is people like you who make advising groups and organizations such an enjoyable experience. It is too bad that Field Day is always anticipated with such anxiety by some members of the Marian College Community. It has always amazed me that those people who express the most concern about the conduct of a group of people are also those who offer it the least support.

Dr. Appleby

MORE ON FIELD DAY.....

Congratulations to Lisa Mailloux, Bob Freese, and Mr. Ken Elmendorf who were voted Marian Maid, Marian Knight, and Marian Master, respectively. These coveted awards are given to the Senior guy and girl who have contributed the most to their class during their four years here at Marian and to the teacher who has given of his talents above and beyond the call of duty. Thanks and congratulations to Lisa, Bob, and Elmo!

As for the results of all the Field Day games and festivities on Wednesday, the ELS clinched first place with the others falling into place as follows-2nd-Juniors; 3rd-Freshmen; 4th-Sophomores; 5th-Seniors.

The afternoon festivities were resumed at 7:00 with a Field Day party at the Eagle's Hideaway at Eagle Creek Park. The Hideaway party had a great turnout and plans are already being made to secure the lodge for next year's Field Day.

Special thanks should be extended to Jim Karras and Steve Nelis who provided the music for the evening. If the number of dancers is any indication of the quality of music, then these two guys did a fantastic job! If anybody is interested in having the "Party Connection" provide music for your own get-together, call them at 359-2431.

Hope everyone had a good day!

TENNIS RESULTS

The tennis team was defeated by Franklin yesterday on the Marian courts.

It did have its high points though. Jim Bryan and Bob Freese won in doubles (8-4) and Jim also won his singles match (8-4). Dan Greenlee was tied with his opponent when it had to be cut short because of rain. The team finished the season with a record of 1-9.

FINANCIAL AID NOTES

Work/Study Checks hopefully will be ready Wednesday May 6, Please check outside the Business and Financial Aid Offices for information and take care of your check before you leave for the summer.

Refunds: If a refund is due to you, please be patient with us. We are aiming to mail the checks before the end of June. We will not receive our last check from the State Student Assistance Commission and Federal Government until early June.

TO THE COLLEGE COMMUNITY

Hopefully the entire college will recognize the terrific accomplishment of the Marian College Chorale and Chamber Singers on their recent spring tour in Southern Indiana. Seldom in recent years has a group done so much to promote our school and the professional manner in which the entire concert was done is a true credit to the college. Singing in three Dubois County High Schools before audiences totaling over 1500 people, the "good will ambassadors" under the direction of Kitty O'Donnell were a rousing success. As one who was fortunate to accompany the group, I would like to thank them for a job well done.
