## EDITORIAL....

So, Marian played host to two other Indiana Catholic colleges at a dance last Saturday night. There was a big and lively turnout of young men from St. Joe and a large group of St Mary's ladies too. It was a full Saturday, or so I heard, "The football was slow, but fun; the buffet supper was super and moved like clockwork; and the after-dinner conversation was dragging but never dull".

But most of all, I heard about the dance. It was the largest such affair yet to be sponsored by the Board, and all in all, quite successful. While mentioning the Student Board, we would like to congratulate them for plans well executed. But back to what we heard about the dance. Three out of four "Perc" confabs on Monday revealed that Saturday evening was tremendous. (Now, isn't the Marian ratio three to one?) Just asking? Anyway, those who smiled as hosts and hostesses should have finished the evening in peals of laughter, and if you couldn't do much but frown before 9 o'clock, you should have been laughing at 12. Those who stuck themselves in a corner and grumbled about the competition shouldn't wonder why the dance was not fun for them. Isn't it up to you to help yourself to a good time? Or so I hear!

The Residents hired a bus, and there couldn't have been more than a half dozen girls left in the dorm that night. Day students, gals and fellas in their best bib and tucker, turned out en masse. St. Joe, St. Mary's and Marian too, made a big night of their first inter-collegiate hop. Wasn't it fun? Or so I heard!

### WEINER ROAST

There will be a hot crackling fire ready for all potential weinie roasts.

Any student, fortified with 50 cents in good American currency is welcome to the food which will be dished out by the A.C.S., sponsor of the event. Roasting starts at 7 o'clock, but don't leave right after gorging yourselves because songs and special entertainment will follow.

KISS YOU?

WHY I DON'T EVEN  
KNOW YOU!

trib, tonight, Oct 9, in back of the Library. Any Marian student fortified with 50 cents in good American currency is welcome to the food which will be dished out by the A.C.S., sponsor of the event. Roasting starts at 7 o'clock, but don't leave right after gorging yourselves because songs and special entertainment will follow.

**FORGOTTEN RULE?** Don't take food out of Perc. It can get messy!

A bit of a misunderstanding has arisen from an article which appeared in last week's edition of the Carbon. This is directed to the residents. There was absolutely no malice intended in the article concerning support of the intra-mural football program. And, the phrase, "Well, little ladies" was, by no means, an attempt at sarcasm.... There was very little turnout (6 girls) for last Sunday's games. However, it must be taken into account that the weekend had been a rather heavy one. Games this Sunday are at 1, 2, and 3 o'clock. Those who are not going home have the opportunity to watch some good football and, at the same time, see the editor make a fool of himself. Hoping to see you there, I remain,

Ralph Guglielmi

Are you a Lounge Scrounge? PLEASE clean up the mixed lounge.

It has been called to our attention that Msgr. Doyle was nearly run over by a speeding motorist on our campus. Needless to say, it would lower the academic standard of teachers here at Marian if we were to lose a PhD. Remember that the majority of our faculty wear dark clothing (including Miss Haugh's chemise). So remember to drive carefully at night.

There was a suggestion placed in the suggestion box to the effect that the school be dynamited. As we said, each and every suggestion is given thorough consideration. After discussing this proposal with the Administration and the Student Board, it has been decided not to dynamite the school, at least not at the present. To expel any curiosity as to why this decision was reached, we shall elaborate. We discussed the possibility of such a project with one of

the leading demolition engineers in the city. He was kind enough to give us an estimate of what the cost would be. Unfortunately, it was beyond the means of the Student Board treasury, and the Administration was not willing to kick in. Still another reason for this veto is the fact that planning for an effective job would be realized. However, we would like to mention that this is only a temporary decision. If things go well in the spring, we may be able to push forward with this destructive idea. GIVE TO THE SUGGESTION BOX, BOX, BOX,

We're still hoping to have movies here on campus. Again, the residents must be called upon to help this project succeed. As was previously mentioned, the price is \$1.00 for four movies. Those of you who are interested should contact Emilie Clevenger and pad her purse with that wicked worldly money. If you don't come to her, she'll come to you. As some know, she is presently recovering from some sort of disease, but when she once returns to full strength, look out!

#### DANCE AT THE ROOF

Marian students are cordially invited to attend the Young Catholic Session of the Retreat Convention, Friday, Oct 17. A dance Friday evening (stag or drag) at the Roof will feature Phil Marshall and his orchestra. Tickets are only \$1.00 per person and will aid the Residents' Fund if you purchase the ticket at the bookstore. Same ticket will enable you to hear nationally famous speakers, Bishop Wright and Fr. Madden at any of the conferences during the weekend.

Barb Kuhn has announced the following as nominees for cheerleaders. Marikay Eckstein, Sue Keller, Carol Lukisic, Barbara Rocap, Karen Forszt, Barb Kin, Patti McCoy Tom Senn, and Vicki Weston. ....Four will be chosen at an assembly Thur. Oct 16. So studentsss, come pick the best.
