you can be home a weekend longer.

this convenience: this means settling

the ACS-S. will present Dr. James  
Ashmore speaking on the Biochemistry  
of Disease. The time is two o'clock.  
The place is Clare Hall Assembly room.  
All are invited to attend.

This week-end is the last chance  
for those who would like to make  
a pre-vacation retreat so that you  
too can spend more time at home  
after exams. Any of the girls who  
are interested can contact Miss  
Ossmer right away.

#### ATTENTION!

Wednesday night Sister Olivia  
viewed a rehearsal of "The Glass  
Menagerie". She wanted to ask the  
cast to forgive her for rashly call-  
ing us insane. But, she didn't get  
time. Fidel Moran and his lieutenant  
Rosita Clevenger hustled Sister away  
in their beige piper cub. If you  
don't believe, look in Sister's  
office. It's empty. Wierd, isn't it?

The business manager of the Marian  
has issued a release to the press.  
The goal for personal patrons is  
still one hundred short. The contest  
between classes and clubs will  
end one week from today. Let's  
get the c note.

"Peter, Peter, pumpkin eater-  
The Assemblies are getting neater  
and neater,  
Let's have another cup of coffee-  
Let's have another cup of tea-  
Did you notice Pucini's pants  
and the hole that appeared  
in the knee."
