LET IT SNOW!

We acknowledge the fact that our challenge to the women of the dorm has been made public, and we hasten to add that we suffer no chivalric reversions whatsoever at the thought of rendering our fair compatriots into reasonable facsimiles of snowbanks.

We also will allow any means at their disposal, excepting other males, that may supplement the physical inferiority of our opponents. This noble action indicates the high ethical code that will govern our proceedings at the scene of conflict.

We repeat our challenge: At the first plentiful accumulation of crystallized H_2O we will engage the feminine forces of the dormitory in an unlimited return of frozen projectiles. If they wish to encounter our might we will await their appearance at 3:30 P.M. at the Knight's Battlefield adjacent to the Court of Tennis.

Until we meet in Arms

J. O'D.
R. T. D.

Editors' note: It is our sincerest hope that the aforementioned gentlemen are able to aim their crystallized H_2O projectiles as well as they are obviously able to use a thesaurus!

Job Opportunity

The Indiana Newspaper Personnel Committee, comprised of 40 Indiana newspapers is seeking students who are interested in part or full time jobs. Summer training salaries range from \$250-\$300 a month. Applicants will be interviewed and picked on the basis of ability, merit and recommendation. Applications may be picked up in Room 310 and must be mailed no later than Dec. 31.

Play Tryouts

Thieves Carnival, a French comedy-farce by Jean Anouilh will be performed the 14th, 15th and 16th of February. Those wishing to try out may do so Sunday and Monday night at 8:00 P.M. Copies of the play are available on the reserve shelf. This play will be directed by Robert E. Moran.

BY REQUEST:

---The REBELS basketball team wishes to make public the fact that there was an error in the scoring of their game last week. It should have read "the REBELS defeated the TIGERS 25-13."

---The CSMC is conducting a clothing and food drive, in case you tripped over the boxes in front of the bookstore and wondered what they were for. As usual, the charitable spirit of the Marian College students has made itself known. Who wouldn't help but notice that the boxes were empty. If you are too proud to bring any food or discarded clothing to school, they will gladly accept any money that you may wish to donate.

---At the NFCCS council meeting Dec. 2, Marian once again proved its capabilities as a host school. All who attended were quite impressed with the building and its friendly students.

FOR ALL POLITICAL SCIENCE MAJORS

Socialism: You have two cows and you give one to your neighbor.

Communism: You have two cows. The government takes both and gives you the milk.

Racism: You have two cows. The government takes both and shoots you.

Nazism: You have two cows. The government takes both and sells you the milk.

New Dealism: You have two cows. The government takes both, shoots one and milks the other and throws the milk away.

Capitalism: You have two cows. You sell one and buy a bull.

New Frontierism: You have two cows. The government takes one away and gives it as foreign aid, and buys the milk of the other so that you can pay your taxes on the one left.

Attention Car Owners:

For those who don't know, no one is to park near the library during class hours. Also, no one is to park in the unmarked area in the rear drive behind the Chapel. Strict enforcement will commence as of this publication date.

The CARBON wishes to thank the two faithful readers, Connie Knoll and Evelyn Looney, for their interest and letter. We promise to publish both the letter and an answer as soon as we are able to obtain the correct information. We appreciate their concern and will look into the matter immediately.

Thought for the week:

We here at Marian are privileged to have a library all our own. Why don't we treat it like the prized possession that it is?

The CARBON Applauds:

- Our "Winfield boys," for their beautiful Christmas tree!

- Jim McMahan for getting the radio fixed for the Perc and men's lounge.

- The sign on the bulletin board announcing the re-instatement of the Vets' Club of Marian.

The CARBON Hisses:

- All of those students who have not paid their class dues - we know it's Christmas time, but...

- People who make a certain people the subject of derision in the cafeteria. Have you nothing better to do?

- All those who don't like Mike's doughnuts. (Both of you)

MARIAN PLAYS OAKS

Tomorrow night the Knights are pitted against the Oakland City "Oaks," with the host city being Tell City, Indiana. They'll be in friendly territory though, as Tell City is the home of one of our greatest basketball talents. You don't know who he is? Of course you do! None other than Pat (Tell City Flash) Sabelhaus!

CHRISTMAS PONDERINGS

It's that joyous yuletide season again, but from the looks of CARBON CORNER in room 310, you'd never know it. For the 7th consecutive year, our readers have forgotten us! So far, all that we have received in the way of Christmas cheer is a card - but this was from one of our typists (one of us!) No word as yet from the outside world! We hate to say it, but we're beginning to wonder - IS THERE A SANTA CLAUS?

A special thanks to Bill Drew and Jack O'Donnell from Donna for helping "A Marian Maid in distress." (She had two flat tires.)
