VOL 38 no. 8

the views in this publication are those of the individual writer and do not necessarily reflect those of Marian College.

EDITORIAL

In view of the latest editorial in the Phoenix, we feel compelled to refute a number of misinterpretations on the part of the Phoenix co-editors. Our intentions are not to provoke a continuing series of "verbal wars". Therefore, this issue will not appear in subsequent editorials of this publication.

To begin with, we did not, nor ever have, compared the Carbon to the Phoenix, as stated in the Phoenix editorial. What is the basis of this assumption? Both publications are, by their very nature, completely different and were intended to be so from the beginning.

Secondly, the Carbon did not state that we expect an editorial in the Phoenix weekly, per se. The point was made that we believe that pertinent issues do exist weekly, both on and off campus, to which an editor can address. It is the mark of a poor editor to write for the sake of an editorial "space". We do not believe an editorial should be written because people expect one, as was obviously insinuated by the Phoenix.

Also, we did not claim that suggestions made to the Phoenix were new and original. However, any suggestion original or second-hand that has merit should be expressed. Furthermore, neither co-editor sits on Student Board.

In conclusion, we apologize if last week's Carbon editorial was interpreted as a personal slam at the co-editors of the Phoenix. Our purpose was to objectively look at the status and direction of the Phoenix and to stimulate more interest in the publication in an effort to achieve a "quality" school paper. However, we do not apologize for the editorial, for we believe that all criticisms and suggestions contained in the editorial were valid.

Senior Ladies?

This letter is intended to enlighten the students as to some of the goings on at our supposed fun filled M.C. volleyball games.

What started out to be a game for fun, ended in being a display of rude whistling, hissing, commentaries, and not to mention the cheer-leading performances which leads one to wonder if Marian College cheerleading squad is being deprived of some true cheerleading talents.

Those to whom this article is directed know who you are. Think for a moment, was your conduct in the gym on Monday that which one would expect from M.C. "Senior Ladies"?

Anyone thinking that this letter sounds like sour grapes should know that many other times we have taken our defeats and victories in stride, but this was one time when something had to be said.

Disappointed,
G.N.

Dear Carbon,

Return with me once again to those days of yesterday when the Homecoming Queen was the person who had done the most for the school. Most of us have forgotten those days. I remember it, but most of all, "I'll remember the 'Clare Hall Senior Voting Block'".

This article will cost me a lot of friends, but I feel that it has to be written. It really amazes me when I see what a small percentage of people ever vote in Marian College elections. Because of this poor turnout, there is always one group that is capable of controlling the election: The Clare Hall Senior Voting Block.

It seems that the Clare Hall Voting Block is under the assumption that if you're on a Court once, then you shouldn't be on it again. It seems to be a "share the wealth" type thing. It's really a sad situation when someone is pushed aside from the chance of being on the court merely because she's been on the court in the past. It's even sadder when someone gets on the court because she hasn't been on a court before.

Have the elections at Marian gotten to the point where they are not decided by who deserves them, but rather by who hasn't won them? I feel that if we work under an assumption such as this one, then we are doing a grave injustice to the people who deserve credit. It looks like "who's who" wasn't the exception; it's the rule.

Dear Carbon,

In the past few days there has been much discussion regarding the status of Prom and Sweethearts. The question is, should Prom be open to all students or closed, as in the past, to just Juniors and Seniors. If Prom should be open, should Sweethearts then be eliminated?

My feeling is that Prom should be open to the entire student body and Sweethearts be eliminated. I think the Prom is a very good activity, but could be enhanced with the addition of the rest of the student body. Is the Prom something the freshmen and sophomores cannot attend because they have not logged enough time at school? Aren't the freshmen & sophomores students, just as the Juniors and

Agenda-for the Oct. 28 mtg., 7:30 pm in the Social Council Room.

-Speaker: Fritz Wiecking from the Human Justice Commission

-Old Business

- 1) Junior Representative to Conduct Appeals Board
- 2) Money motion for Homecoming (Booster Club)
- 3) Nominations for class representatives for Committee on Social Planning

-New Business

- 1) Ad in Basketball Program

Minutes-October 21 mtg.

Jay Farrell reported that the Board's cash balance is \$2,805.69 and its balance free for use is \$4,888.25. Other reports included the Junior Class decision to distribute a referendum on the Prom and the Freshman Class's decision to sponsor a Saloon Night the Thursday of Homecoming Week.

Next, Marigrace reported that the College Council Constitution Revision Committee will meet Thursday, Oct. 25 at 9:00 am. Also, she discussed the need for additional work on the Proposal for a Student Representative to the Board of Trustees.

Under old business, the Vets Club Budget was discussed and passed 9-0-2. Concerning the Committee on Social Planning, Jeanne Whalen was accepted as chairman of this committee by consent. Jeanne will also serve as the committee's rep. to Student Board.

Under new business, the announcement was made that nominations are now open for a Junior rep. to the Conduct Appeals Board. Anyone interested should contact a Student Board member. Also, nominations for the eight positions on the Committee on Social Planning are open. Again, anyone interested should contact a Board member.

Summary of Minutes of the Faculty Council
Meeting October 9, 1973

Administration Report

Sister Norma announced new student representatives for standing committees. Non-Western Studies Committee named Paul Phung. Religious Affairs Committee includes Marita Scheidler, Diana Ryker and Theresa Densberger. Pat Arcady graces the Student Services Committee.

Committee Reports

1. Theatre and Drama Proposal

A proposal was made to extend the Theatre and Speech degree from 40 to 60 hours. The extra credits may be picked up in other disciplines. Also a new Bachelor of Fine Arts was brought up for discussion.

2. Physical Education as a Requirement?

Thought was raised on dropping physical education as a requirement. This is still being discussed.

3. Theology Proposals

Two new theology courses may be added while a present one is dropped. Courses in Catholicism and Judaism are being considered.

Seniors? I see no reason to exclude them simply because they are younger. The tradition of only upper classmen at Proms is not surrounded by the pomp and grandeur as they were in the '50's and '60's. Proms have lost much of their meaning, so instead of a farewell given to the Seniors by just the Juniors, why not the freshmen and sophomores also.

I also feel that if Prom is opened, then Sweethearts Dance could be eliminated. I see no need to have three formal dances on campus, attendance is evident of this. The Sweethearts attendance is rather poor each year. The only apparent reason I can see for Sweethearts Dance is a formal dance to appease freshmen and sophomores since they can not attend Prom.

I think we should realize the fact that there is no need for both Sweethearts and Prom. This could occur if some of the Juniors and Seniors would grow up and not block the attendance of the freshmen and sophomores because they couldn't attend when they were underclassmen.

4. Non-Western Studies

The Conference of Intercultural Studies Dimensions in Undergraduate Education (whew) will be at Marian October 25-26. Representing the school will be selected faculty, administrators and students.

On October 19 the Conference on African Studies will take place on the campus. High Schools get into the act as the Marian College-High School Non-west Studies Cooperative Project gets underway.

New Business for discussion

1. Smoking Policy

The point was raised to supply a large ash container to contain cigarette debris as well as the problem that is posed to the west third floor area by the smoking. Further discussion is planned with emphasis laid on the fact that it's against health and fire rules anyway.

2. Date for Program in General Education

A proposed revised program of general education requirements will be effective this January. This applies to all students registered in a regular program at Marian.

The meeting was adjourned

Second Session October 11

Consideration of CLEP in connection with new General Education Program

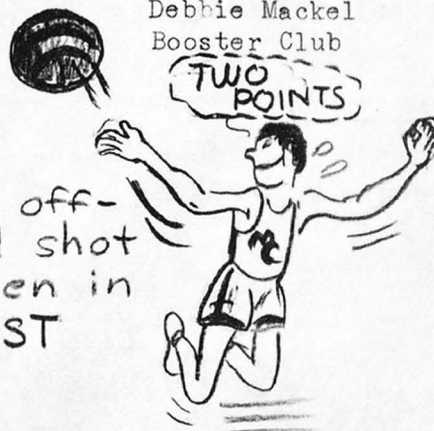

Discussion was raised concerning the validity of CLEP tests in passing out of required courses. The potential new General education sharply reduces requirements and it is thought that CLEP would take out the depth of study obtained through a liberal education. Roughly a third of general requirements could be passed over in this way. The solution proposed is to let CLEP apply to the 128 credits needed for graduation but not to General Education requirements. Another suggestion was to bring CLEP to an appropriate difficulty and so test realistically.

The meeting was adjourned

BASKETBALL KICKOFF

On Wed. November 7, 1973, at 7:00pm in the intercollegiate gym, girls gym, Reynolds Field house, or whatever name you know it by, a pre-homecoming kick off will be presented, sponsored by Booster Club. The purpose of the event is to give the entire college community a chance to meet the basketball players and see the team in action. The event will be MC'd by Jay Farrell, and a short talk will be made by Earl Brinker, this years captain. A special bonus will be the presentation of the Honorary Sheriff of the Week Award to be given to a member on the team. Everyone is invited and encouraged to attend. Support the Knights!

SPORTS

MENS INTRAMURALS

With one week remaining in the exciting intramural football season it looks like the four playoff portions will be occupied by the Bad Joses, the Vice Lords, the Stoned Rangers, and the Degenerates. If the Dirty Dozen can upset the Vice Lords, however, they still would have a chance of nosing out the Rangers or the Degenerates.

In Sunday's first game, the Bad Joses defeated the Degenerates 25-0. The Joses gained 170 yards passing, but were held to only 53 on the ground. With only one game left they are certain to become the seventh team in M.C. history to go undefeated during regular season play.

The Stoned Rangers defeated the worthless Nutrackers 28-0. The Bruins blew another game Sunday. They were ahead 7-6 until late in the game when Russ Pawlik scored to give the Dirty Dozen the victory 12-7. The Playboys, in their best strategic move of the season, forfeited to the Vice Lords.

Standings:

Bad Joses	6-0-0
Vice Lords	5-1-0
Degenerates	3-2-1
Stoned Rangers	3-2-1
Dirty Dozen	3-3-0
Bruins	2-4-0
Nutrackers	1-5-0
Playboys	0-6-0

Sunday's games- favored teamed listed first

- 12:30 Degenerates vs Bruins
- 1:30 Bad Joses vs Nutrackers
- 2:30 Stoned Rangers vs Playboys
- 3:30 Vice Lords vs Dirty Dozen

WOMEN'S INTRAMURALS

Are the Ball Bumpers striving to gain a respectable position in Women's Volleyball play? Have the Snatches met their fate? Will the Stickettes remain undefeated until their match with Schucks Garden? Or will the Stickettes even show for the game? These are a few questions that can be asked after finishing off another week of Women's Volleyball play.

The first few games on Monday night went as expected with A.V.I.S. coming back from last weeks defeat to overcome the Wild Wild West, a forfeit- (How about a win- Pa-Quin or how about a team?). Hot Sauce having a little trouble firing up were unable to match the Snatches tactics. With Par leading the cheers the Snatches spirit could not be dampened and they brought home another win.

As the Hysterix overpowered the Amazons another match was getting under way. Two of the three undefeated teams were setting up for a game. Wazuri, not quite up to par on Monday night bowed to Schuck's Garden in a two game match, 16-14, 15-4. But as they always say "may the best team win", and believe me - THE BEST TEAM WON-

The rest of Monday night went as expected with the Wacky Women defeating the Dimrods, and the Stickettes stuck it out over the Ball Bumpers and found another win. (How much skill did it take Eder???)

In a battle of 3-Mainer's, the Cool Ghouls came out on top over Main's Troubles- Main's Troubles blamed it on the team suffering from a few ailments- (Did you jam your finger Margaret?)

If Baumer could get her teeth out of Moll's head they might be able to win a game. Not that the Volley of the Dolls would not beat them anyway but Moll wanted that incident mentioned.

Have the Snatches met their fate or were they just too "pooped to pop"?- with the Wild Wild West deciding to show they overcame the Snatches- who were just "too pooped to pop."

The Hysterix, looking for their second win for the week, found it with Hot Sauce. Wazuri finding previously lost talent found it with their victory over Wacky Women.

The Ball Bumpers, undoubtedly led by Diz, turned over a new leaf with their first victory over the Amazons. Once again I ask, are the Ball Bumpers striving to gain a respectable position in Women Volleyball play?

Main's Troubles still unable to iron out their problems lost to the Dimrods, while the Stickettes(?) beat Watergate with an easy(?) win.

The Cool Ghouls remained cool to diminish the Volley of the Dolls, as Wednesday night's play was coming to an end.

The final game of the evening ended with Schuck's Garden defeating A.V.I.S. in a 3-game set. Yes A.V.I.S. is good but Schuck's Garden is better.

This is Main and Starkie rounding third while Little Wap's already at home!!
