We ask that if you know (before Thursday) of an announcement to be submitted for the CARBON, to do so as soon after the idea is formulated as possible. ARCHBISHOP EDWARD T. O'MEARA

Chapel bells rang joyously throughout the campus as members of the Marian College Community gathered to see and hear their newly installed Archbishop, Edward T. O'Meara. It was an occasion highlighted by the Archbishop's enthusiasm and charisma.

The visit began with a noon luncheon at Allison Mansion, where the Archbishop was introduced to the administrators, faculty and student officers. At the conclusion of the meal he made a few remarks to those in attendance, encouraging and praising them for their dedication to the community and the Church.

Music, singing and a standing ovation greeted the Archbishop as he arrived at the convocation in the chapel. After a short introduction by President Gatto, the former director of the Propagation of the Faith spoke to the audience.

Addressing his remarks mainly to the students; he spoke of their college as small and intimate, "not an education factory." Marian offers that healthy challenge and competition, along with spiritual direction, according to the Archbishop. He spoke of the students' freedom to accomplish a great number of goals, and making the world a better place to live. Additionally, the Archbishop reminded them that young people all over the world are concerned with American students' life - their music, dress and ideas.

At the conclusion of his speech he expressed his desire to return to Marian and visit with small groups of students to see how "you look at life and the Church." He told the seniors that he would certainly be back to speak at their graduation in May. Next came the presentation of gifts from the Student Association and the College. It was a joyful and playful atmosphere as the jovial Archbishop accepted his gifts, which represented the spirit and uniqueness of Marian College. He received an "Ask Me About Marian College" button, a beer mug decorated in the school colors and a pair of Marvin U. gym shorts from the students. President Gatto presented him, on behalf of the college, three desk plaques and a Marian College jacket.

As the community sang "Play Before the Lord", Archbishop O'Meara paused to listen. Then as he turned to leave, he spoke to the students once more: "The future looks good from here - because you are the future."

ASH WEDNESDAY FAST

Ash Wednesday is a day of fast and abstinence for all Catholics over 21 (no meat, and only one full meal). As a way of showing concern for the millions of hungry people in the world, everyone is invited to participate in the Ash Wednesday fast by only eating soup and a beverage for lunch. ARA has graciously agreed to give the difference in the cost to the overseas relief fund for the poor. If you wish to participate in this fast for the poor, please sign your name or caf number on a piece of paper and put it into the box on Clare Hall desk by Monday Noon. ARA needs an estimate by then. When you go to lunch on Ash Wednesday, tell the meal checker to count you in the fast project. There will also be a basket in chapel on Wed. at the All School Mass at 11:15, (and at the weekend Masses) for offering for this relief fund. By sacrificing a little lunch for one day, we will get a small experience of the feelings of hunger that most of the world has everyday.

I AM WILLING TO HAVE ONLY SOUP AND BEVERAGE ON ASH WEDNESDAY (FEB. 20)

Name (or caf number):

Please place this paper in the box on Clare Hall desk by Mon. noon. Thank you.

Yes it's that time of year
When Sweet Hearts come near
Love does hover in the air
And the atmosphere is true and fair

Marian is ready again
To taste that ~~sweet~~ 'Champagne'
They're all set at Sophomore class
To give the dance a taste of class

Carnations have beautified the rooms
But the thought of dancing still looms
Allison Mansion will be the center of attraction
As Marian sways to the "Rainbow Connection"

Have a good time!

LORD OF DARKNESS

Witchcraft, the King decreed
Let's burn him for his evil deeds
We'll show you what it's like, to be a martyr
Sinner - you fed me lies
your very soul I do despise
so tie him to the stake
let's have a cookout

To Hell and back I've been king
your wrath of lust and life to a halt
So damn you and your blackened soul
For in the end you'll surely know
the greed that ruled your kingdom
will betray you

Enough of this - get him out of my face
go beat him with a battle mace
we'll crucify this demon
For his indignance
Nail his body to the cross
and feed the fire with wood and moss
Until his wicked lungs fill with smoke

Oh king my dear, you've tried too hard
you wretched stinking tub of lard
For I am the one and only
Lord of Darkness
your castle walls now turn to sand
and Fires spread throughout your land
your day of judgment comes
and the Jury and I, find you guilty.

So follow me to the gates of Hell
and collect rewards you've earned so well
via sins that you committed
in your lifetime
Don't waste the time to run in fear
For I am with you everywhere
There's more like you to come - you're not the
only one
Yes, not the only one, there's more to come

Happy Valentine's Day!

TO ALL THOSE COUPLES GOING TO SWEETHEARTS:

In order for you to better appreciate the beauty and wonder of the environment of to-nights dance, we've decided to give you a description of the Aviary of Allison Mansion. The Aviary, also known as the Marble Room, is over fifty feet long. The white marble was imported from Italy and sculptors were brought from distant parts of the US to make the designs. Tonight, make note of the carved birds on the bannisters-- the legendary Phoenix bird from which one of the colleges papers received its name. Originally there was a large oval bird bath in the room with a fountain and a glass globe in its center. The globe and its pedestal were constructed in such a way as to allow goldfish from the pool to swim into the transparent globe. The roof at one time was mostly glass, but was replaced by more durable materials. So, there you have it, get caught up in the splendor and elegance of the surroundings tonight and have a marvelous time.

KNIGHTLY NEWS

Knights upset 15th ranked Franklin!

This past Tuesday, our Knights travelled down to Franklin to play. It turned out to be a momentous evening as our Knights beat the 15th ranked team in the nation for NAIA, Franklin, 75 - 67. Ironically, the last time Franklin was beat on their home court was last year's season when the Knights beat them. The leading scorers for the Knights was Chad Miller with 30, and Phil Sarvari with 17. The team appreciated the support of the fans who travelled down to see the game, compliments of Booster Club. Thanks Booster Club for helping in getting better support from the fans, by getting the bus to bring them down.

Last Saturday the Knights beat Marion 56-50. Leading scorer was Chad Miller with 14. The Knights record is now 17-6 and are almost guaranteed a spot in the playoffs after regular season. The Knights travel to Fort Wayne to play Indiana Tech tomorrow (Feb. 16) and last home game, and finale, against Grace one week from tomorrow (Feb. 23). Let's have one of the biggest crowds ever for the Grace game to cheer on the Knights into the playoffs.

SPECIAL LATE BREAKING NEWS

The Knights are now ranked 11th in the National NAIA (National Athletic Independent Association) with a Defensive point average of 59.4. Congratulations! Phil Savari is also recognized this week as the outstanding player of District 21. Nice work, Phil!

-W.C. Fields-

Hello Friends,

Hope you all had a great Valentine's day. Monday, the Women's Basketball team played (or should I say fought) St. Joe. Against our intentions they beat us by scoring 67 to our 35. At certain times of the game I actually thought we were playing tackle football. I've never seen such an aggressive bunch of girls. I'm surprised we didn't have any fatalities on our team. Oh well so much for that game. Wednesday's game was quite different. We blew away Earlham with the score of 81-34. We had many players scoring in the double figures. Leading scorer was Julie (14), with Becky (13 pts.), Linda and Kash (11 pts. each) and Kim (10pts.). following. Kim, Becky and Pam had some excellent blocks.

Last night's game broke the old school record for total points scored during a game by three points. I think the girls did an excellent job of coming back from their frustrating defeat by St. Joe. I don't know about you but I'm proud of 'em. Tomorrow we play ISU Evansville at 5:30 and Monday we play Depauw at 7:00. There aren't anymore home games after these two until the District Tournament at St. Joe., February 22 and 23, so please try to attend. Take Care.

Da Management,

P.S. Thank you for the positive response regarding the Universal gym. It was fixed last Friday.

FRANKLIN GAME FANS

I would like to thank all the fans who made the trip to Franklin College Tuesday night and supported the Knights on to victory. We certainly appreciate the spirit our fans showed. Keep it up.

Thank You,

Coach Grimes &
Basketball Team
