FRESHMAN ELECTIONS

We would like to congratulate the newly-elected officers of the Freshman class. Furthermore, we would like to commend all of the candidates for offices for their fine qualities and willingness to work for our class. They showed a true spirit of generosity and responsibility.

The fault found, therefore, is not with the candidates but with the voters. Too many of us sat back waiting for the candidates to come to us and to convince us that they should have our votes. It seems that we overlooked our responsibility to learn all there was to know about each of the candidates through personal contact with them and with their supporters. We feel that it would have been impossible to choose wisely between the candidates on such grounds as: "I don't like the way he parts his hair"; "He's too tall"; "His campaign is too well organized"; or "He never says anything", when each of the candidates for president presented five minute speeches Manday at 12:00 in the auditorium. We are fortunate, however, that competent officers were elected, even though they were chosen on such bases.

In closing, we would like to remind the class that we will soon be choosing the leaders of our country. Let us hope that we are more realistic and more just in our evaluations and choices.

Results of the elections: Mike Hill, president; Joe Cecil, vice-president; Kathy Kleber, secretary; and John Lynch, treasurer.

MOCK ELECTION

As promised, the CARBON has obtained Less Havoc exclusive publication rights to the results of Wednesday's mock election.

Of 756 eligible voters, 532 participated (70%). The vote itself tallied 425 (79%) for President Johnson, and 107 (21%) for Senator Goldwater.

There was a notable difference in individual class participation. Sophomore class a 76% vote, Freshman 74%, Junior 71%, and Senior 57%(?).

The sponsoring groups, YCS, Debate Club, and Current Affairs, are to be commended for their interesting election year programs.

NOON RECITAL

The NCMEA will present the first Noon Recital of the year next Wednesday, at 12:05 in the auditorium.

These short recitals offer the students an opportunity to hear good music and become aware of the ability of our music students. We sincerely hope they will be well attended.

Hail, MANUAH!!!!

The Men's Dorm wishes to publicly thank the Sisters of Marian College for their kind donation of "Poochie" and for their sponsoring of the raffle. Also, a word of thanx to all who attended the Mixer, and to those who helped to make it such a huge success. Over \$260 was realized toward furnishing the dorm Rec Room.

The 1st do-it-yourself Operation Kit is going on sale today. "Suture-Self"

The convocations committee has come up with a plan to reduce the organized confusion that takes place with every assembly. Student cooperation will enable the assembly to begin on time.

Please note the following suggestions
1) Come to the auditorium immediately after your 9:30 class. (2) If you do not have a 9:30 class, come to the auditorium at 10:15. (3) The Perc will close at 10:10. (4) Use both doors when entering the auditorium. (5) Attendance slips will be given out at the end of the assembly. (6) When leaving the auditorium, frosh are requested to use the stage doors at the front of the auditorium. (Slips will be passed out there.)

STUDENT BOARD MEETING--OCTOBER 28

The problem of affiliation with the NFCCS--National Federation of Catholic College Students--is still at hand. After a prolonged discussion of proper constitutional amendment procedure if we should decide to disaffiliate with NF the Board decided to turn the matter to a committee of Board members the purpose being to present to the students an amendment concerning disaffiliation with NF. A referendum vote of the entire student body is required to make such a constitutional revision. We strongly urge you to discuss this matter with Board members who are well informed on the issue. Contact several members in order to get an unbiased viewpoint; evaluate the facts objectively, and be sure to vote on the issue when the time comes. Two problems were discussed at the meeting. The first was the problem of extreme noise outside of Clare Hall on weekends when the girls return from dates. This seems to be a persistent abuses of the rights of those inside the dorm who are trying to study or sleep. Unless personal initiative and responsibility on the part of each student can remedy the situation, other steps might have to be taken. It is up to your sense of responsibility to remedy the chaos.

The other problem likewise concerns immature inconsiderate behavior, namely, the abuse of regulations concerning the lounges. No. 1--Food is not to be carted from the perc to the mens' and womens' lounges. There seems to be considerable abuse of the regulation. No. 2--the mixed lounge this year resembles a dump more than a college lounge. Trash receptacles, ash trays, and bottle racks have been extremely neglected when it comes to the discarding of rubbish. Boisterous behavior seems to be the norm of proper adult social conduct in the mixed lounge this year. Fighting, improper use of furniture, and the like seem to be the latest in mixed lounge etiquette. This matter is not to be taken lightly. Certain student board members apparently have mentioned this abuse to the students and their "suggestions" have not been heeded. The board has disciplinary power to enforce these rules concerning student behavior. Once again it is up to you to take the personal initiative to remedy the situation yourself. However if rules continue to be neglected as they have, the board members have been directed to issue warnings to the students involved and such warnings depending upon the gravity of the abuse entail fines and even social probation or restriction if the offense becomes habitual. Please cooperate, disciplinary action shouldn't be necessary.

Nancy Carrier - Secretary, Student Board

CONGRATULATIONS:

To the new Booster Club members:

Tom Cardis
Paula Peterfeso
Mary Everhart
Larry Turner
Pat Harper

It was a difficult decision for the Booster Club and we appreciate everyone's interest.

CARBON applauds:

YCS for their stimulating political coffee hour.

Sophomores--76%!

Freshmen for their class spirit.

B-Ball

Last Tuesday night in the Marian fieldhouse the Knight's basketball team took on an able group of Crispus Attuck's High School Alumni and though score wasn't kept Coach Glen Reynold's men too a decisive conquest.

The object of this first scrimmage was to see how the boys worked under pressure and the results were somewhat favorable. Outstanding were Kie O'Connor, Joe Bittlemyer, Chuck Federle, Larry Brodnick and Larry Schmalz.

If this encounter is any indication of things to come this year, Marian students could be provided with an interesting, exciting, and possibly winning team for the season to come.
