

THE INFALLIBLE CARBON

At Marian, The Board President reigns for one year.....

HOMEcoming OR HOMEgoing?

Every year on college campuses Homecoming calls grads to return to the scene of their scholastic endeavors in order to meet teachers, friends, and get back into the college grove once more. Usually we find this to be a Well Planned weekend resulting in unforgettable highlights such as the Queen Crowning, mixers, the dance, and lest we forget, as others have, a game. However not so at Marian. We have no game.

Could the opening in the schedule on this date be the result of an attempt by the Athletic Director to avoid the cancellation of the Homecoming game this year? We hardly think so. The failure of those planning the activities of the weekend to consult the Athletic Director caused this void. Advanced planning would have avoided this most regrettable situation and would have provided the Knights with opposition in the fieldhouse Dec. 4. However a game can be set up for Dec. 11 if the alumni can be persuaded to moving the event back one week. To have a game or not to have a game. Snow last year, no game this year, what the hell next year?

WE NEED HELP

The CARBON is in trouble. We need trouble. We are interested in acquiring a freshman who is interested in writing this interesting stuff which the student body seems to find so interesting. Please contact Chuch Welch or Jack O'Hara if you are interested.

The personal pronoun "I" should be the coat of arms of some individuals.

HAIL TO THEE

PROTECTOR OF FEMININITY

As the total voice of student opinion, the CARBON wishes to officially welcome that spark of vitality known as R.D. This R.D. hops about from adventure to adventure with a friendly smile and typically-Irish giggle. Is there an end to the freshness of this colleen?

Time will tell on Miss Maureen Farrell, "Mommie" to the residents of Clare Hall. For the benefit of us all (male and female, dormie and dayhop), let us hope and HELP to maintain the status quo.

Amidst this gaiety, we would like to add a final "Good-bye" to Mrs. Schied for her devoted service during '64-'65.

P.S. How's the Coricidin supply these days?

A WELCOME TO THE 22

For most Catholics the faith is not a gift of God, it is an accident of birth. From the time they first become conscious the validity of their faith is assumed, not proven. Usually not until high school does any one bother to give them any reasons for believing what they do, and even then these reasons are given by believers to believers to support an already existing belief. The central basis of the faith is still the parentage of the individual and not his conviction.

For that reason a special welcome should be given at the beginning of this year to the 22 students at Marian College who registered as non-Catholics, for by the very fact of their non-belief in the Church they pose a most serious question to the majority of students who do believe. That question is whether or not they (the majority) were born into the right household. The true belief may have been across the street.

WELFARE PROGRAM

All those who are interested in partaking in this program will be given the opportunity to sign up at the table in front of the auditorium today and Monday. Your signature indicates that you will attend a meeting with people from the Dept. of Public Welfare here at Marian.

THE BATTLE IS ON

The opening of the Intramural schedule cast some light on the blurry pigskin picture last Sunday at the Potter's Field. Contrary to Lennie's opinion, (see CARBON, No. 1 Nobody Asked Me But...) the Manuah's were shut out by the Carpetbaggers, 13-0. The Nutty Nine showed promise as they dumped Robert Vaughn's U.N.C.L.E. boys by a 33-7 count. A scoreless deadlock left the UmGawas and 1969'ers as unknown quantities. Sundays finale saw 68's plus Tas spanked the Best, 25-6.

Oct. 10's top action will see the untested McCoys take on the Carpetbaggers, now looking like the '65 championship bet according to this reporter. Experience, size, speed, and depth were all considered in picking this "bridesmaid" of the last two seasons as this year's bride. The McCoys, Nutty Nine, and 68's plus Tax loom as spoilers. Time will tell!

Schedule for Sunday, Oct. 10:

- 1:00 the Best vs. UmGawas
- 2:00 The 1969'ers vs. Nutty Nine
- 3:00 U.N.C.L.E. vs. Manuah's Mixers
- 4:00 Carpetbaggers vs. McCoys
- 68's plus Tax -- BYE

NOBODY ASKED ME, BUT...

After last week's monumental effort, I deserve a week off.

NOBODY ASKED ME EITHER, BUT...

What happened to Manuah's victory number one, L.S.?
